Plan Administrator of
Inscripta 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Inscripta 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Financial Statements” section of our report. We are required to be independent of Inscripta 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inscripta 401(k) Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Inscripta 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Inscripta 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Inscripta, Inc 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 3, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Inscripta 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Note 1. Description of Plan

The following description of the Inscripta 401(k) Plan (the “Plan”) provides only general information. Plan participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan established on January 1, 2019, by Inscripta, Inc. (the “Company”), for the purpose of providing their employees with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”).

The Plan was amended and restated on March 1, 2021. Effective February 1, 2022, the Plan was further amended and restated to bring the Plan into compliance with the legislative and regulatory changes set forth in the 6-year pre-approved plan restatement cycle.

Empower Annuity Insurance Company of America and Empower Trust Company, LLC (“Empower”) serves as Plan custodian. Effective December 29, 2023, the Plan’s custodian changed from Empower to Fidelity Trust Management Company (“Fidelity”). As part of the transition the investments at fair value and notes receivable from participants were liquidated on December 29, 2023, with a settlement date of January 2, 2024 in the amount of \$12,021,157 and \$60,528, respectively, and were recorded at fair value as due from custodian in the accompanying statements of net assets available for benefits as of December 31, 2023.

Eligibility

All full-time employees of the Company who are not nonresident aliens or interns are eligible to participate in the Plan immediately upon hire.

Contributions

Eligible employees are automatically enrolled with a 4% pre-tax deferral of eligible compensation, as defined by the Plan, at date of hire. This deemed salary reduction agreement may be modified as to deferral rate or terminated at the request of the participant at any time. If any employee terminates the deemed salary reduction agreement and subsequently wishes to contribute to the Plan, the employee must make a positive deferral election.

Eligible participants may make voluntary contributions through salary reductions from 1% to 100% of their eligible annual pre-tax compensation, as defined by the Plan. The Plan also allows participants to defer funds into a “Roth 401(k) deferral”, which are subject to federal income taxes. These contributions combined are limited to the maximum amounts allowed under the provisions of the IRC (\$22,500 in 2023.). Further, participants who are 50 years of age or older as of December 31, 2023 may contribute an additional “catch up” contribution (\$7,500 in 2023). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Participants may also make rollover contributions from other qualified plans if certain criteria are met as outlined in the Plan document.

Employer Contributions

The Company made safe harbor matching contributions of 100% of each participant’s elective deferral up to a maximum of 4% of eligible compensation. Effective June 22, 2020, the plan was amended to remove the safe harbor matching contributions. Effective March 1, 2021, the plan was amended to add an employer matching contribution of 100% of each participant’s elective deferral up to a maximum of 4% of eligible compensation. The Company made matching contributions to the Plan totaling \$398,389 for the year ended December 31, 2023. The Company may also make discretionary nonelective contributions. No discretionary nonelective contributions were made for the year ended December 31, 2023.

Inscripta 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Participants' accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant

earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant's voluntary contributions, employer contributions, rollover contributions, and any earnings thereon vest immediately.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022, as the loans are secured by the balance in the participant's account. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Participants may borrow up to 50% of their vested account balance with a minimum loan of \$1,000 and a maximum of \$50,000. Participant loans are subject to approval by the plan administrator and the interest rate is 1% above the prime interest rate (4.25% to 8.75% at December 31, 2023). Loan terms range from one to five years. However, if the loan is to acquire the principal residence of the participant, the term may be extended. Principal and interest are paid ratably through automatic payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, death, or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum. Further, withdrawals from the Plan before leaving the Company are available for special "hardship" reasons or after attaining the age of 59½. Distributions to participants are recorded when paid.

Other Income

Certain mutual fund expenses that are charged by the mutual fund companies to the individual participants, are recaptured by the Plan and held in a reserve account. These funds are then used to pay for expenses of the Plan that benefit the plan participants as approved by the IRS, Department of Labor and ERISA, such as administration and auditing fees. During the year ended December 31, 2023, the plan recaptured \$1,503, which is classified as other income in the accompanying statement of changes in net assets available for benefits. An amount of \$1,503. was used during 2023 to pay Plan expenses. There was no balance in the reserve account for the years ended December 31, 2023 and 2022.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 1 and 7 for discussions of fair value measurements.

Realized gains and losses on investments sold and the unrealized appreciation and depreciation of investments held are reported on an average current cost basis, based on fair market value of the investments at the beginning of the Plan year or at the time of purchase during the Plan year. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Company or the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net change in fair value of investments.

Fair Value

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 7).

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2024, which is the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, a qualified institution, have certified the following investment information included in the accompanying financial statements are complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2023

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, at its discretion, to terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of Plan termination, the value of the participant's accounts will be distributed to them. The Company had significant staff reductions during 2023, and therefore determined the Plan met the qualifications for a partial plan termination. Plan participants included in the partial plan termination became 100 percent vested in Company contributions as a result of the partial plan termination.

Note 5. Risks and Uncertainties

The Plan provides for various investment options in accounts which invest in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could, in the near term, materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 5. Related-Party and Party-in-interest Transactions

Fees paid Empower, the Plan's third party administrator, for certain administrative services for the year ended December 31, 2023 amounted to \$14,680.

Note 6. Tax Status

The Plan operates under a standardized adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Inscripta, Inc.. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter from the IRS stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the related trust was tax exempt as of the financial statement date.

The Financial Accounting Standards Board issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.
- Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

Notes to Financial Statements

December 31, 2023 and 2022

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the valuation of the Plan's financial assets at December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,031,650	\$ -	\$ -	\$ 11,031,650
Investments at fair value	\$ 11,031,650	\$ -	\$ -	\$ 11,031,650
