INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The Village Network 403(B) Plan
Wooster, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **The Village Network 403(B) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for as of **December 31, 2023** and **2022**, and the related statement of changes in net assets available for benefits for the year ended **December 31, 2023**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **The Village Network 403(B) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended **December 31, 2023** and **2022**, stating that the certified investment information, as described in **Note E** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

MEMBERS
AMERICAN INSTITUTE OF
CERTIFIED PUBLIC ACCOUNTANTS
OHIO SOCIETY OF
CERTIFIED PUBLIC ACCOUNTANTS

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **The Village Network 403(B) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **The Village Network 403(B) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Village Network 403(B) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Village Network 403(B) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Net Assets Held at Year End as of and for the year ended **December 31, 2023** are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A – DESCRIPTION OF THE PLAN

The following description of **The Village Network 403(B) Plan** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Village Network (the "Organization") established the plan effective April 1, 1995 and has been amended on various dates. The Plan is a contributory tax deferred plan established under section 403(B) of the Internal Revenue code and covers all full-time and part-time employees of the Organization who normally work 20 or more hours per week and have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Organization is the Plan Administrator and is responsible for the day-to-day operation of the Plan. They designate other parties to perform certain duties.

The Plan's Trustees are **Lincoln National Life Insurance Company & Matrix Trust Company**.

Tax Status

The Internal Revenue Service has determined by letter dated March 31, 2008 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable provisions of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's matching contribution, and an allocation of Plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

Forfeitures are all allocated first to plan expenses, then to fixed non-elective contributions and last to fixed matching contributions. During the years ended **December 31, 2023** and **2022**, terminated non-vested participants forfeited **\$-0-** and **\$-0-** respectively, in Organization contributions. The Organization used forfeitures of **\$-0-** and **\$-0-** in **2023** and **2022**, respectively, to reduce Organization contributions and **\$23,858** and **\$64,590** of the forfeitures in **2023** and **2022** to reduce plan expenses, respectively. At **December 31, 2023** and **2022** forfeited non-vested accounts totaled **\$-0-** and **\$-0-**, respectively.

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Contributions

Each year **The Village Network** matches the contributions of each of its participating employees. The match is **50%** of a qualified participant's elective deferral up to **7%** of his/her compensation. Non-elective contributions are made by the Organization as follows: a fixed amount of **5%** of each participant's compensation, per plan year; and an additional discretionary Employer contribution based on years of service. Participating employees make contributions to the Plan according to their written wage reduction agreement not to exceed the maximum amount allowed by the IRS.

Contributions are subject to certain limitations. The Organization withholds & remits to the trustee bi-weekly contributions in an amount in accordance with the participant's written wage reduction agreement.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the organization contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is **100%** vested after **three** years of credited service.

Net assets available for benefits include the accounts of active participants, as well as certain separated, vested and retired participants who have elected to receive their benefits in installment payments. These participants share in the earnings of the investments.

Investment Options

Upon participation in the Plan, a participant may direct contributions in one or more of the investment funds provided under the Plan. Separate accounts are maintained for elective contributions, matching contributions and discretionary contributions. Participants may change their investment options at their own discretion.

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance. Participants may borrow from their fund accounts a minimum of **\$1,000** up to a maximum equal to the lesser of **\$50,000** or **50%** of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of Prime plus 1%. No allowance for credit losses has been recorded as of **December 31, 2023** and **2022**.

Payment of Benefits

On termination of service due to death, disability, or retirement a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Plan Termination

Although it has not expressed any intent to do so, **The Village Network** has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become **100%** vested in their accounts.

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of **The Village Network 403(B) Plan** is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the preparation and fair presentation of the financial statements. These accounting policies conform to the modified cash basis of accounting and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value of Financial Instruments

Financial Accounting Standards Board *Accounting Standards Codification* (FASB ASC) 825 requires disclosures about the fair value for all financial instruments, whether or not recognized, for financial statement purposes. Disclosures about fair market value of financial instruments are based on pertinent information available to management as of **December 31, 2023** and **2022**. Accordingly, the estimates presented in these statements are not necessarily indicative of the amounts that could be realized on disposition of the financial instruments.

Investment Valuation and Income Recognition

The Plan's investments are held by contract with insurance companies and are valued at contract value (**Note F**). Marketable securities are stated at fair value. The change in the difference between fair value and the cost of the investments is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Administrative Expenses

Trustee fees and other costs of administering the Plan are paid by the Organization. Certain administrative and clerical functions are performed by Organization employees at no charge to the Plan.

Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Subsequent Events

Management has evaluated subsequent events through **October 15, 2024**, the date on which the financial statements were available to be issued. No additional events occurred that would require adjustments to, or disclosures in the financial statements.

NOTE C – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at **December 31, 2023** to Form 5500:

Net assets available for benefits per the financial statements	\$ 20,560,281
Participant loans reduced by deemed distributions	<u>(2,471)</u>
Net assets available for benefits per the Form 5500	<u>\$ 20,557,810</u>

NOTE D – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The plan has entered into investment contracts with Lincoln National Life Insurance Company and Matrix Life Insurance Company. These contracts meet the fully-benefit responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participants withdrawals, and administrative expenses.

The traditional investment contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The credit rating is based on a formula established by the contract issuer. The credit rate is reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. If the plan sponsor views the occurrence of any of these events as probable as of the measurement date, details about market value adjustments or other withdrawal restrictions can be obtained through the plan's account manager.

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The issuer may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least **\$5,000**, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by the issuer, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

NOTE E – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to be complete and accurate by the trustee.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 19,765,834	\$ 18,632,930
Investments, at contract value	513,834	359,198
Notes receivable from participants	280,613	355,890
Interest and Other Income	25,765	23,844
Net appreciation (depreciation) in fair value of investments	3,200,463	(4,070,282)

NOTE F – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual funds: Valued at closing price reported on the active market in which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of **December 31, 2023** and **2022**. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments Funds, Fair Value Measurements

Fair value of assets measured on a recurring basis at **December 31, 2023** is as follows:

Fair Value Measurement at Reporting Date Using:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
<u>Description</u>				
Mutual Funds	\$ 19,765,834	\$ -	\$ -	\$ 19,765,834
Investments at fair value	\$ 19,765,834	\$ -	\$ -	\$ 19,765,834

Fair value of assets measured on a recurring basis at **December 31, 2022** is as follows:

Fair Value Measurement at Reporting Date Using:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
<u>Description</u>				
Mutual Funds	\$ 18,632,930	\$ -	\$ -	\$ 18,632,930
Investments at fair value	\$ 18,632,930	\$ -	\$ -	\$ 18,632,930

THE VILLAGE NETWORK 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Transfers Between Levels

For years ended **December 31, 2023** and **2022**, there were **no** transfers between Levels 1 and Level 2 and no transfers in or out of Level 3.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PARTIES-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services for the Plan, and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent of more of such employer or employee association, or relatives of such person. **Lincoln National Life Insurance Company, Matrix Trust Company, CUNA Mutal, Creative Retirement Systems, Inc., Gallagher Fiduciary Services, LLC, and Kestra Investment Services, LLC.** are the service providers.

Reportable direct expenses on the 5500 were paid to **CUNA Mutal** for various recordkeeping administrative services in the amount of **\$50,146** and **\$49,207** for **2023** and **2022**, respectively. Reportable direct expenses on the 5500 were paid to **Creative Retirement Systems, Inc.** for various third-party administrative recordkeeping administrative services in the amount of **\$9,000** and **\$7,000** for **2023** and **2022**, respectively. Reportable direct expenses on the 5500 were paid to **Gallagher Fiduciary Services, LLC** for advisory services in the amount of **\$22,235** and **\$10,415** for **2023** and **2022**, respectively. Reportable indirect expenses on the 5500 were paid to **Lincoln National Life Insurance Company** for service provider services in the amount of **\$925** and **\$1,075** for **2023** and **2022**, respectively. Reportable indirect expenses on the 5500 were paid to **Kestra Investment Services, LLC** for investment management in the amount of **\$12,048** and **\$12,048** for **2023** and **2022**, respectively.

Certain administration functions are performed by officers and employees of the Organization (who also may be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory or administrative exceptions from the Internal Revenue Code's and ERISA's rules on prohibited transactions.

Certain plan investments are shares of mutual funds managed by Lincoln National Life Insurance Company and CUNA/Matrix Trust Company. Lincoln National Life Insurance Company and CUNA/Matrix Trust Company are the trustees as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions.
