INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
EngageMED 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of EngageMED 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EngageMED 401(k) Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EngageMED 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EngageMED 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EngageMED 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EngageMED 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENGAGEMED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan

The following description of the EngageMED 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of EngageMED Inc. and Arkansas Family Care Network, P.A, an affiliated employer (the “Employer” or “Plan Sponsor”). Employees who have attained the age of twenty-one are immediately eligible to enter the Plan. The Plan contains the provisions of a 401(k) arrangement, whereby employees may contribute a portion of their compensation to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

Effective January 1, 2022, the plan was amended to increase the starting automatic deferral rate from 1% to 4% for newly eligible participants. Effective February 18, 2022, existing participants with deferral rates less than 4% were increased to 4% unless the participant made an affirmative election to opt out or to defer an amount other than 4%.

Effective November 1, 2023, the plan was amended to permit Roth contributions.

Contributions

Participants may contribute up to 100% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was \$22,500 and \$20,500 in 2023 and 2022, respectively. Participants eligible on or after December 31, 2017, were automatically enrolled at 1% of eligible compensation provided they have not elected out of participating. Effective January 1, 2022, the automatic enrollment percentage increased from 1% to 4% for newly eligible participants. The Plan has an automatic escalate feature on each subsequent January 1 with an increase of 1% until the salary deferral contributions are 5% of compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$7,500 and \$6,500 in 2023 and 2022, respectively. Compensation is defined as total compensation subject to income tax and including any salary reduction contributions.

The Plan allows the Employer to make “safe harbor” matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation. In addition to the “safe harbor” contributions, the Employer may provide a discretionary additional employer match based on a percentage of the participant’s salary deferral contributions to be determined annually by the Employer.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of a) the Employer’s “safe harbor” contribution and additional Employer matching contribution, b) Plan earnings, and c) forfeitures of terminated participants’ non-vested accounts. Participants’ accounts will also be charged with an allocation of the Plan’s administrative expenses. Allocations are based on account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

ENGAGEMED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Vesting

Participants are immediately vested in their contributions, employer “safe harbor” contributions, and any earnings thereon. Vesting in the portion of their account attributable to the Employer’s discretionary matching contributions is based on each participant’s years of service. A participant is 100 percent vested after six years of service. A participant will also become fully vested upon death, disability or retirement at age 65 or older.

Administrative Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid either by the Plan or the Employer, as provided by the Plan document. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

Investment Options

Participants may instruct the trustee, through an employee election form, on how to invest their account among funds established by the Plan administrator. The Plan currently offers 21 mutual funds, 5 common collective trust funds, and a money market account as investment options for participants.

Notes Receivable from Participants

Participants may borrow from their account at a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All loans are required to be repaid within five years of the loan origination unless the loan is used for the purchase of a principal residence. Interest rates will be determined periodically by the Plan administrator. The participant’s account balance serves as collateral for the loan.

Payment of Benefits

Upon death, disability or retirement, a participant may elect to receive payments of his or her vested account balance in a lump-sum distribution or as a direct rollover to an eligible retirement plan. Upon termination of service due to other reasons, a participant may receive the value of their vested account as a lump-sum distribution. The Plan allows in-service withdrawals of participants salary deferral account after age 59 ½ or for financial hardship and from their employer contribution account after reaching normal retirement age.

Forfeitures

Forfeited account balances will first be used to restore participants’ accounts in accordance with the Plan document. Any balance will remain in the Trust Fund and first be used to pay Plan expenses, with any remaining forfeitures to be used to reduce Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$225,906 and \$108,576, respectively. During 2023 and 2022, forfeitures of \$225,870 and \$390,021 were used to pay employer contributions. During 2023, forfeitures of \$18,479 were used to pay plan expenses.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The Plan's most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022, respectively.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through October 15, 2024, the date these financial statements were available to be issued.

Note 3: Plan Termination

Although it has not expressed the intent to do so, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in the Employer discretionary matching contributions portion of their account. Employee contributions, employer "safe harbor" contributions and their related earnings are always 100 percent vested.

ENGAGEDMED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 4: Parties-in-Interest Transaction

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Certain Plan investments are shares of mutual funds managed by John Hancock Trust Company who is the trustee and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All administrative fees are paid directly by the Plan rather than through revenue sharing. Administrative fees paid by the Plan were \$195,860 in 2023 and \$142,865 in 2022. The Employer pays any other fees related to the Plan's operations.

Note 5: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

ENGAGEDMED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money Market Funds	\$ 268,350	\$ 268,350	\$ -	\$ -
Mutual Funds	<u>19,747,719</u>	<u>19,747,719</u>	<u>-</u>	<u>-</u>

Investments Measured at Net Asset Value	<u>12,816,701</u>	<u>-</u>	<u>-</u>	<u>-</u>
Investments at Fair Value	<u>\$ 32,832,770</u>	<u>\$ 20,016,069</u>	<u>\$ -</u>	<u>\$ -</u>

Following are the valuation methodologies the Plan uses to measure financial instruments at fair value:

Money Market Fund: Valued at the net asset value of shares held by the Plan at year end.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units of a bank collective trust. The investment in a collective trust fund is valued as a practical expedient utilizing the net asset valuation. The practical expedient is used for valuation, unless it is probable that the Fund will sell a portion of the investment at an amount different from the net asset valuation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net change in fair value of investments. The Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation of the investments held at the end of the year) appreciated/(depreciated) in value by \$5,925,891 and (\$5,635,380) in 2023 and 2022, respectively.

Fair Value of Investments in Entities that use NAV

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Note 6: Income Tax Status

The IRS has determined and informed the Employer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

ENGAGED 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7: Information Prepared and Certified by Custodian and Trustee

All of the assets of the Plan are held by John Hancock Trust Company LLC, the custodian and trustee. The amounts set forth in the accompanying financial statements for investments, notes receivable from participants, and investment income and the information shown in the supplemental schedules were summarized from information furnished by the trustee and custodian. The Plan administrator has received from the custodian and trustee certification that information furnished is complete and accurate as of December 31, 2023 and 2022.

Note 8: Reconciliation with Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended December 31, 2023 and 2022, to Schedule H of Form 5500:

Note 9: Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10: Subsequent Event

Effective January 1, 2024, the plan was amended to increase the maximum percentage to which a participant's deferral percentage will be escalated from 5% to 10%, for participants subject to auto-escalation.
