To the Plan Administrator of the
The Denver Athletic Club 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Denver Athletic Club 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 11, 2023 (Plan Merger Date) and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 through December 11, 2023 (Plan Merger Date), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 11, 2023 (Plan Merger Date) and December 31, 2022, and for the period from January 1, 2023 through December 11, 2023 (Plan Merger Date), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As further discussed in Note 1 to the financial statements, the Plan was merged into the iSolved 401-k Plan effective December 11, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4a: Schedule of Delinquent Participant Contributions for the period from January 1, 2023 through December 11, 2023 (Plan Merger Date), is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Denver Athletic Club 401(k) Profit Sharing Plan

Notes to Financial Statements

December 11, 2023 (Plan Merger Date) and December 31, 2022

Note 1 – Description of the Plan

The following description of The Denver Athletic Club (the “Company,” “Employer,” or “Plan Administrator”) 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan’s provisions.

General. The Plan was a defined contribution plan, which became effective January 1, 1998, that was generally available to all employees of the Company (excluding union, non-resident aliens, leased employees, and part-time/temporary/seasonal employees whose regularly scheduled service was less than 1,000 hours of service in the relevant eligibility computation period) who were age 21 or older and who had completed 3 months of service. Employees entered the Plan on the first day of each month coinciding with or next following the date they met the eligibility requirements. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Benefits under the Plan were not guaranteed by the Pension Benefit Guaranty Corporation.

Change in Service Providers. On April 8, 2022, Ascensus announced that they had closed on a merger agreement with Newport. In connection with the merger agreement, the Plan transitioned from Newport's platform to Ascensus' platform in June 2023.

Adoption of iSolved 401-k Plan. Effective November 1, 2023, the Company became a Participating Employer in the iSolved 401-k Plan (“iSolved Plan”).

Plan Merger and Transfers. Effective December 11, 2023, the Plan was merged into the iSolved Plan. In connection with the merger, the following:

- All assets and liabilities of the Plan became the assets and liabilities of the iSolved Plan on the effective date of the merger;
- A blackout period commenced on December 4, 2023 and ended the week of January 12, 2024; and
- The Plan's net assets of approximately \$3.36 million transferred from the Plan into the iSolved Plan as of the effective date of the merger.

Contributions. The following types of contributions were allowed under the Plan:

- Elective Deferral Contributions – Participants had the option to contribute up to 100% of their pre-tax compensation, as defined in the Plan document, subject to limitations. The Plan had a qualified automatic contribution arrangement (“QACA”). Unless an eligible participant made an affirmative election otherwise, 3% of their compensation was withheld and contributed to the Plan as an elective deferral contribution. Such automatic contribution increased 1% annually on January 1 until a 10% deferral percentage was reached. A participant’s total elective deferral contributions cannot exceed \$22,500 (\$30,000 if age 50 or older) in calendar year 2023.

The Denver Athletic Club 401(k) Profit Sharing Plan

Notes to Financial Statements

December 11, 2023 (Plan Merger Date) and December 31, 2022

Note 1 – Description of the Plan (continued)

- QACA Safe Harbor Employer Matching Contributions – The Company made a QACA safe harbor Employer matching contribution equal to 100% of the participant's contributions up to 1% of compensation, plus 50% of the participant's contributions made between 1% and 6% of eligible compensation.
- Discretionary Employer Profit Sharing Contributions – The Employer had the option to make a discretionary Employer profit sharing contribution to eligible participants who had completed a year of service. Participants who die, become disabled, or terminate employment after attaining normal retirement age were also eligible to receive an allocation of the discretionary Employer profit sharing contribution. This contribution was allocated to each eligible participant's account based on an integrated (permitted disparity) allocation where excess compensation was 50% of the taxable wage base in effect on the 1st day of the Plan year.
- Rollover Contributions – Amounts distributed to participants from other qualified employee benefit plans were allowed to be rolled into the Plan.

All contributions were allocated to the Plan's investment funds at the direction of the participants.

The total annual additions to a participant's account may not exceed the lesser of \$66,000 or 100% of the participant's compensation.

Participant Accounts. Each participant's account was credited with the participant's contributions (elective deferrals and rollovers, if any) and an allocation of (a) the Employer's contribution (QACA safe harbor matching and discretionary profit sharing), (b) fund earnings or losses, and (c) administrative expenses. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

Vesting. Participants were immediately vested in their elective deferral contributions, rollover contributions and related earnings thereon. QACA safe harbor Employer matching contributions were subject to a 2 year cliff vesting schedule, whereas, participants became 100% vested after two years of service. Vesting in Employer discretionary matching contributions made prior to January 1, 2020, and discretionary profit sharing contributions occurred according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note 1 – Description of the Plan (continued)

Furthermore, employed participants became 100% vested in their Employer contribution portion of their accounts upon the following events:

- Upon attainment of normal retirement age;
- Participant's death; and
- Participant becomes disabled as defined under the Plan.

Forfeitures. When certain terminations of Plan participation occurred, the non-vested portion represented a forfeiture. Forfeitures were used to reduce Employer contributions, pay administrative expenses of the Plan, or restore previously forfeited accounts. During 2023, forfeitures of \$2,714 were used to reduce Employer contributions and \$3,000 were used to pay administrative expenses of the Plan. As of December 11, 2023 and December 31, 2022, there was \$0 and \$5,648, respectively, in the unutilized forfeitures account.

Investment Options. Participants had the option to direct their investments into various mutual funds.

Payment of Benefits. Benefits to participants or beneficiaries generally were payable as a lump sum, partial withdrawals, or installments equal to the value of their vested account balance upon retirement, disability, death or termination of the participant. Annuities were the normal form of distribution for transferred pension assets, as defined. Additionally, participants had the option to request in-service withdrawals of their rollover contributions account or had the option to request a hardship distribution if certain criteria were met.

Notes Receivable from Participants. Participants had the option to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged up to a maximum of 5 years (a longer term was available if used for the purchase of a principal residence). The loans were secured by the balance of the participant's account and bore a rate of interest equal to the Prime Rate plus 1% at the date the loan was granted. Principal and interest payments were paid ratably through payroll deductions.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates. The financial statements of the Plan are prepared using the accrual method of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Finance Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 3 for a discussion of fair value measurements.

Note 2 – Summary of Significant Accounting Policies

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 11, 2023 or December 31, 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Administrative Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses paid by the Plan also include recordkeeping charges and other administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements

December 11, 2023 (Plan Merger Date) and December 31, 2022

Note 3 – Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 11, 2023 and December 31, 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds are valued at the quoted net asset value (“NAV”) of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Fair Value Measurements at December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual Funds	\$ 3,507,345	\$ -	\$ -	\$ 3,507,345
Total Assets at Fair Value	\$ 3,507,345	\$ -	\$ -	\$ 3,507,345

Note 4 – Certified Information

The following information disclosed in the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, as agent for Ascensus Trust Company and Newport Trust Company, LLC, and Newport Trust Company, the trustees of the Plan:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 11, 2023 (Plan Merger Date) and December 31, 2022;
- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 11, 2023 (Plan Merger Date) and December 31, 2022;
- Investment amounts within the fair value tables, as shown in Note 3;

- Interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2023 through December 11, 2023 (Plan Merger Date).

Note 5 – Plan Termination

As further discussed in Note 1, the Plan was merged into the iSolved Plan. In the event the iSolved Plan is terminated or experiences a partial termination, affected participants will become 100% vested in their accounts.

Note 6 – Tax Status

The Company had adopted a Newport Group, Inc. Non-Standardized Pre-Approved Profit Sharing Plan (“pre-approved plan”). The pre-approved plan received an opinion letter from the IRS on June 30, 2020, which stated that the pre-approved plan was qualified under the applicable sections of the Internal Revenue Code (“IRC”). Although the pre-approved plan and Plan have been amended since receiving the IRS opinion letter, the Plan administrator believed that the Plan and related trust were designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believed that the Plan was qualified under Section 401(a) of the IRC and the related Trust was tax exempt as of December 11, 2023 and December 31, 2022. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 11, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Party-In-Interest Transactions

The Company provided to the Plan certain accounting and administrative services for which no fees were charged.

The Plan's trustees, Ascensus, LLC, as agent for Ascensus Trust Company and Newport Trust Company, LLC, and Newport Trust Company; the Plan's recordkeepers and third-party administrators, Ascensus, LLC and Newport Group, Inc.; the Plan's investment advisor; the Plan's auditors; the Plan's external legal counsel; the Company; and Plan participants are all parties-in-interest to the Plan. Additionally, the Plan provided for notes receivable from participants. Fees paid for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Note 9 – Nonexempt Prohibited Transactions

During 2022 and 2023, the Company had nonexempt prohibited transactions related to participant contributions not remitted to the trust in a timely manner as listed on Schedule H, Line 4a: Schedule of Delinquent Participant Contributions. The Company corrected the 2022 late contributions by remitting the principal amount plus lost earnings into the iSolved Plan's trust on October 9, 2024. The Company intends on correcting the 2023 late contributions by remitting any remaining principal amounts plus lost earnings into the iSolved Plan's trust as soon as administratively feasible.

Note 10 – Concentrations, Risks, and Uncertainties

Investment securities, in general, are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts transferred to the iSolved Plan. As of December 11, 2023 and December 31, 2022, there were zero and three investments, respectively, which individually represented more than 10% of net assets available for Plan benefits.
