INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Division A Annuity Fund

Opinion

We have audited the financial statements of the Division A Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DIVISION A ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Division A Annuity Fund (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a multiemployer defined contribution pension benefit plan covering all eligible employees beginning the first day of his/her employment. The Plan and related trust were established on July 1, 2002 and it is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions- Each year, participants may contribute pretax annual compensation; the maximum allowed is \$22,500 for 2023 and \$20,500 for 2022, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions in excess of Internal Revenue Service limits are refunded to participants and are netted against contributions received on the statements of changes in net assets available for benefits. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover) and after-tax Roth deferrals. Participants are able to direct the investments of their entire interest in the Plan into various investment options offered by the Plan. The Plan currently offers various investment options under a group variable funding agreement separate account to participants.

In accordance with collective bargaining agreements, employers make contributions to the Plan on behalf of employees. Employers contribute \$1 for each day worked. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer contributions and allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Earnings, losses and expenses, which pertain to investments that are specifically held for a given participant's account, shall be allocated solely to that participant's account.

Vesting - Participants are immediately 100% vested in the value of all contributions and related earnings credited to their individual accounts.

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits - The Plan provides for various methods of distributing benefits whether prior to retirement, at retirement, disability, hardship or upon death of the participant. The participant's benefit payment will be distributed in a lump sum at the occurrence of any of the following, whichever is later:

1. He or she attains the normal retirement age of 65,
2. Upon his or her total and permanent disability or death,
3. Incurs a termination of employment, or

A participant may elect to receive his or her interest in the Plan in one of the following ways:

1. A direct rollover
2. A single lump sum to participant

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements were prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. The investments in the pooled separate accounts are carried at fair value as estimated by the insurance company. The investments in the common collective trusts are carried at fair value as estimated by the trusts.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Securities Purchased or Sold and Not Settled - This represents the amounts due to or from the custodial bank for the purchase or sale of securities with trade dates prior to year and settlement dates after year end.

Contributions Receivable - Contributions due and not paid prior to year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Employer Contributions - Employer contribution due and not paid prior to year end are recorded as contributions receivable. Employee and employer contributions are accounted for as exchange transactions.

Payment of Benefits - Benefit payments are recorded when paid.

Expenses - The Plan and various related organizations share office space and the services of certain employees. Expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as a receivable from related organizations or liabilities to related organizations generally include balances for shared expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan at any time is reserved to the Trustees, subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Board of Trustees may determine.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on May 8, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under IRC Section 401(a) and was, therefore, exempt from Federal income taxes under the provisions of IRC Section 501(a). The Plan's Trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Plan's management evaluate tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2023 and 2022 there were no transfers in or out of levels 1, 2 or 3.

The following tables set forth by level within the fair value hierarchy, the major categories of the Plan's assets measured at fair value at December 31, 2023 and 2022:

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Pooled separate account	\$ 9,337,475	\$ -	\$ 9,337,475	\$ -
Common collective trusts	77,397	-	77,397	-
Investments measured at fair value	<u>\$ 9,414,872</u>	<u>\$ -</u>	<u>\$ 9,414,872</u>	<u>\$ -</u>
	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Pooled separate account	\$ 7,949,343	\$ -	\$ 7,949,343	\$ -
Common collective trusts	57,611	-	57,611	-
Investments measured at fair value	<u>\$ 8,006,954</u>	<u>\$ -</u>	<u>\$ 8,006,954</u>	<u>\$ -</u>

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Identification of Related Organizations

The Plan has the following related entities with which it has transactions:

- Hotel & Gaming Trades Council, AFL-CIO
- Division A Education and Scholarship Fund
- Division A Pension Fund

These entities share common Trustees or officers with this Plan.

The Plan reimburses the Division A Pension Fund (Pension Fund) for its share of payroll, related taxes and benefits. For the years ended December 31, 2023 and 2022, the Plan reimbursed the Pension Fund \$10,819 and \$13,750, respectively.

Certain plan investments are shares of pooled separate accounts mutual funds managed by Ameritas Life Insurance Corp. Ameritas is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedule of assets held at end of year.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. RECONCILIATION OF PARTICIPANTS' ACCOUNTS TO NET ASSETS AVAILABLE FOR BENEFITS

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to the balance of participants' accounts:

	<u>2023</u>	<u>2022</u>
Participants' accounts	\$ 9,414,872	\$ 8,006,954
Unallocated net assets	<u>122,804</u>	<u>73,567</u>
	<u>\$ 9,537,676</u>	<u>\$ 8,080,521</u>

For the years ended December 31, 2023 and 2022, the unallocated net assets totaling \$122,804 and \$73,567, respectively, represent total assets that are not allocated to Plan participants.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 9. CONCENTRATIONS OF CREDIT RISK

Financial instruments that subject the Plan to concentrations of credit risk include cash, short-term investments, and employer contributions. The Plan maintains an account at a high quality financial institution. The Plan's deposit balance may, at times, exceed federally-insured limits. The Plan has not experienced any losses on this account.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
