October 15, 2024

Dear Sir/Madam:

I am writing this letter to attach to Form 5500 Annual Report for calendar plan year 2023 for UNIVERSAL TECH OF WI, INC PS RETIREMENT PLAN (the Plan). The Plan Sponsor is Universal Technologies of Wisconsin, Inc. with EIN 39-0172770.

Field 5 of the Plan's Form 5500 Annual Report shows that there were 127 participants at the beginning of the plan year 2023, which requires the Plan to file an audit report with its Form 5500 Annual Report for the first time in the Plan's history.

I kindly request a waiver of the audit report requirement for plan year 2023 due to the following unique facts and circumstances:

In the month of November 2022, I worked with the plan's recordkeeper, Vanguard Ascensus, to address the reallocation of forfeitures from plan year 2021. Vanguard Ascensus prepared an initial forfeiture reallocation calculation. I reviewed it and noted an issue in the calculation. We were unable to resolve this issue as the calendar passed into December. By mid-December, I had formulated the specific revision for the Vanguard Ascensus Team to apply to the forfeiture reallocation calculation. Please see [Addendum] to this letter that describes the revision I requested. **The revision's intent was to avoid the creation of small balances for many participants that were long terminated and that requested distribution of their accounts often shortly after termination.** The Vanguard Ascensus Team informed me on December 22nd that it was too late to make any revisions, and that their Team was processing the reallocation of forfeitures from the plan year 2021. I had not given approval to Vanguard Ascensus to process, rather they processed their original calculation [which they knew I disagreed with] automatically.

The forfeiture reallocation created 17 small balances right before the plan year 2022 year-end. We did not have enough time to process these small balances out of the Plan before 2022 year-end. As a direct result, we began plan year 2023 in excess of the threshold of 120 participants that would require the Plan to file an audit report with its Form 5500.

I kindly request a waiver of the audit report requirement for plan year 2023 due to the preceding unique facts and circumstances. The Plan would have remained below the threshold of 120 participants at the beginning of the plan year 2023 had the processing of the forfeiture reallocation been put on hold until approval was received.

Please contact me for any information on this matter. I will be glad to provide to you. Thank you for your consideration of this request.

Best Regards,

Daniel Gryskiewicz

[Addendum]

Email excerpt from Daniel Gryskiewicz's email to Vanguard Ascensus on 12/21/2022 7:24pm:

- Going back to our transition from Principal Financial Group (PFG) to Vanguard/Ascensus in Fall 2020... we had (with PFG) the Forfeiture Reallocation Rule of "Integrated with Social Security Taxable Wage Base" and Forfeiture Allocation Provision of "Last Day Rule with 1000 Hours" for all administration of Forfeitures. With Vanguard/Ascensus starting with Plan Year 2020... we administrated the Forfeiture Reallocation using the Forfeiture Reallocation Rule of "Pro-Rata to Compensation (Qualifying Contributing Participants)" and Forfeiture Allocation Provision of "All Contributing Participants". We would like to go back to the prior setup that we had with PFG, because the Rule and Provision that is being administrated with Vanguard/Ascensus is creating small balances for many participants that are long terminated and that requested distribution of their accounts often shortly after termination. For these termed and distributed participants to receive a small allocation is both confusing to the participant and creates additional work and compliance complexity for Plan administration. I would like to discuss the Plan's options for transitioning to the prior setup for all administration of Forfeitures.
