INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
403(b) Thrift Plan of APT Foundation, Inc.
New Haven, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of APT Foundation, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
403(b) Thrift Plan of APT Foundation, Inc.
New Haven, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of APT Foundation, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of APT Foundation, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering employees of APT Foundation, Inc. (the Foundation) upon their date of hire. The Plan was established effective January 1, 1987, in accordance with Section 403(b) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute up to 100% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Foundation makes a matching contribution equal to 100% of each participant's deferral, up to a certain percentage of their compensation, which is based on their age. In order to receive a matching contribution, participants must have attained age 21 (age 18 effective October 1, 2023) and completed a year of service. The matching contribution is determined using the following table:

<u>Age</u>	<u>Percentage of Elective Deferrals Matched</u>	<u>Maximum Percentage of Compensation</u>
Less than age 40	100%	2%
Age 40 to 49	100%	4%
Age 50 and over	100%	6%

Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Foundation's contributions, and (b) Plan earnings, and is charged with their withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan.

Effective October 16, 2023, the Plan terminated services with Mutual of America to change their investment manager and recordkeeper to USI Consulting Group (USI).

Vesting: Participants are immediately vested in their individual accounts at all times. participant is entitled to 100% of their vested account balance upon retirement, death or disability.

403(B) THRIFT PLAN OF APT FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Plan Loans: Participants that have funds with TIAA and CREF or Mutual of America (through September 2023) were able to obtain plan loans. Plan loans were issued as separate contracts by TIAA and CREF and Mutual of America as contemplated under IRC section 72(p)(5) and do not represent plan assets. Loans are collateralized, if taken through TIAA and CREF, using a participant's TIAA Traditional Non-Benefit Responsive account balance in an amount equal to 110% of the outstanding loan balance. Loans taken through Mutual of America are collateralized, using a participant's Mutual of America Interest Accumulation account balance in an amount equal to 120% of the outstanding loan balance. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's account balance subject to annuity contract and plan provisions. Loan terms range from 1 to 5 years in one-year increments. Principal and interest are paid ratably by the participant to TIAA and CREF and Mutual of America and each payment will reduce amounts collateralized by the borrowing participant's TIAA Traditional Non-Benefit Responsive or Mutual of America Interest Accumulation account balance. Plan loan balances outstanding from participants are not considered plan assets. The total plan loans outstanding as of December 31, 2023 and 2022 amounted to \$40,916 and \$396,648, respectively.

All loans with Mutual of America were reissued through USI as notes receivable in October 2023.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. All loans are covered by demand notes and are repayable through payroll deductions.

Payment of Benefits: Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in their account. Benefit amounts under \$1,000 are automatically distributed to participants. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as an annuity, single lump sum, or in installment payments over a 10-year period. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

Administrative and Investment Management Expenses: Certain expenses for administering the Plan are paid directly by the Foundation and are excluded from these financial statements. Fees related to the administration of participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment management fee related expenses are included in net depreciation of fair value of investments.

Plan Termination: Although it has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and the Plan agreement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

(Continued)

403(B) THRIFT PLAN OF APT FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than the fully benefit responsive investment contract, are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and risks pertaining to global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians of the Plan. The custodians of the Plan are TIAA and CREF as of December 31, 2023 and 2022, Mutual of America as of December 31, 2022 and for the period of January 1, 2023 through October 1, 2023; and Charles Schwab Trust Bank as of December 31, 2023 and for the period of October 1, 2023 through December 31, 2023.

(Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following represents the valuation methods and assumptions used by the Plan to estimate the fair values of investments. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Traditional Investment Contracts (Not Fully Benefit-Responsive): The TIAA Traditional Annuity Account is individual guaranteed fixed annuity investment contracts issued by TIAA ("Issuer"). Due to certain liquidity restriction provisions, some of the individual annuity contracts within the TIAA Traditional Annuity Account held by the Plan are not fully benefit-responsive and, accordingly, are measured at fair value.

TIAA and Plan management have determined contract value to be the most reasonable estimate of fair value for these contracts. Contract value equals the contributions deposited into the contracts, plus interest credited to the contracts, less contract withdrawals, and it reflects the value at which participant transactions are executed under the contracts. The contract value reflects the theoretical transfer (exit) value available to the Plan and plan participants. The fair values of the Plan's investment contracts have been estimated by TIAA by discounting the projected cash flows using risk-adjusted market discount rates which correlate closely with TIAA Traditional Annuity's historical interest crediting rates (generally 3% for current premiums on accumulating annuities, but in some recent contracts between 1% and 3% and provide the potential for additional interest as declared by TIAA's discretion).

The contract values are guaranteed by TIAA. Based upon recent credit ratings for TIAA, management believes no adjustment to contract value is required related to credit quality. Since investment contracts are not transferable, there is no market from which to obtain observable market prices for the contracts held by the Plan or comparable contracts (Level 3 inputs).

The plan administrator is responsible for the review of the fair value estimates of plan assets. The plan administrator and management, or its designee, reviews the fair value pricing methodology employed by TIAA and CREF for the Plan's guaranteed investment contracts to ensure a reasonable measure of market valuation has been utilized. The valuation approach is reviewed on an ongoing basis to ensure market values reported represent a reasonable exit price.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Variable Annuity Contracts: The fair value of the Plan's investments held in TIAA and CREF variable annuities is determined by obtaining quoted prices on the NASDAQ Stock Market (Level 1 inputs).

The fair value of the Plan's investments held in various annuities are valued at the net asset value of shares held by the Plan at year end, where net asset values are based on the fair values of the underlying assets in each fund. Each variable annuity account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the accounts' net asset value per unit. The underlying investment composition of the variable annuity accounts as of December 31, 2023 was 82% US equity funds, 6% fixed income funds, 6% foreign equity funds, and 6% balanced funds. The underlying investment composition of the variable annuity accounts as of December 31, 2022 was 33% US equity funds, 47% target date mutual funds, 6% fixed income funds, 2% foreign equity funds, 5% balanced funds, and 7% real estate funds.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Traditional investment contracts	\$ -	\$ -	\$ 1,894,446	\$ 1,894,446
Variable annuity accounts	3,348,121	-	-	3,348,121
Mutual funds	9,793,601	-	-	9,793,601

Total	\$ 2,918,726	\$ -	\$ 1,865,995	\$ 13,728,461

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table presents information about significant unobservable inputs related to the Plan's investment in Level 3 assets as of December 31, 2023 and 2022:

<u>Instrument</u>	<u>Fair Value</u>		<u>Principal Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>2023 Range of Significant Input Values</u>	<u>2022 Range of Significant Input Values</u>
	<u>2023</u>	<u>2022</u>				
TIAA Guaranteed Fixed Annuity Contracts	\$ 1,894,446	\$ 1,865,995	Discounted cash flow and theoretical transfer (exit) value	Risk-adjusted discount rate applied*	RA - 4.00% - 6.75%	RA - 3.70% - 6.25%

Plan investments measured at fair value on a recurring basis using significant observable inputs (Level 3) during the years ended December 31, 2023 and 2022 included \$286,174 and \$146,618 in purchases, respectively, and \$257,724 and \$267,245 in sales, respectively.

NOTE 5 - INVESTMENT IN GUARANTEED INTEREST ACCUMULATION

The Plan had an interest accumulation account, which was a traditional guaranteed investment contract with Mutual of America that was fully benefit-responsive. Mutual of America maintained the contributions in its general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract value, as reported to the Plan by Mutual of America. The contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the issuer. The contract value of the guaranteed investment contract amounted to \$2,792,002 as of December 31, 2022. The crediting interest rate for the contract, which will not be less than zero, is determined periodically by the issuer and was 0.25% at December 31, 2022.

Generally, there were not any events that could limit the ability of the Plan or participants to transact at contract value. The Plan's investment contract with Mutual of America specified certain conditions in which distributions from the contract could be postponed for up to six months. Such circumstances would be total withdrawal of the funds due to termination of the contract for any reason. This contract was terminated in 2023.

(Continued)

NOTE 6 - INVESTMENT IN STANDARD STABLE VALUE FUND

The Plan has an investment in a stable value fund, which is a group annuity contract with Standard Insurance Company that is fully benefit-responsive. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract value, as reported to the Plan by Charles Schwab Trust Bank. The contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The contract value of the guaranteed investment contract amounted to \$2,687,617 as of December 31, 2023. The crediting interest rate for the contract, which will not be less than zero, is determined periodically by the issuer and was 2.45% as of December 31, 2023.

Generally, there are not any events that could limit the ability of the Plan or participants to transact at contract value. The Plan's investment contract with Standard Insurance Company specified certain conditions in which distributions from the contract could be postponed for up to six months. Such circumstances would be total withdrawal of the funds due to termination of the contract for any reason.

NOTE 7 - TAX STATUS

Effective October 1, 2023, the Plan was amended and restated from a volume submitter plan document to a pre-approved defined contribution plan document. There were no changes to the operations of the Plan as a result of this amendment.

The IRS issued an opinion letter to the pre-approved defined contribution plan sponsor dated March 31, 2017, as to the acceptability of the form of the pre-approved defined contribution plan under Section 401 of the IRC, pursuant to which the Company is entitled to rely to the extent set forth in applicable IRS guidance. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2023 and 2022, that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Foundation. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Foundation. The Plan's investments are all issued by TIAA and CREF, Mutual of America, or Charles Schwab Trust Bank, which are service providers to the Plan and, therefore, these transactions and the Plan's payment of fees to TIAA and CREF, Mutual of America, or Charles Schwab Trust Bank qualify as party-in-interest transactions. For the year ended December 31, 2023, the Plan paid fees and expenses to the Plan's record-keeper and investment advisor, which also qualify as party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events were evaluated for recognition and disclosure through October 14, 2024, which is the date the financial statements were available to be issued.
