INDEPENDENT AUDITOR'S REPORT

To the Hamilton Community Health Network, Inc. 401(k) Plan Participants

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Hamilton Community Health Network, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hamilton Community Health Network, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note three to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hamilton Community Health Network, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hamilton Community Health Network, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hamilton Community Health Network, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hamilton Community Health Network, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HAMILTON COMMUNITY HEALTH NETWORK, INC. 401(k) PLAN

Genesee County, Michigan

Notes to the Financial Statements

A. Description of the plan

The following brief description of the Hamilton Community Health Network, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document, adoption agreement and plan summary for a more complete description of the Plan's provision. Plan custodian was Mutual of America in 2023 and 2022.

General

The Plan is a defined contribution plan that covers substantially all employees of Hamilton Community Health Network that are 21 years of age or over. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). A participant becomes eligible for the plan at the age of 21 and after 180 days of service. In order to share in any annual employer safe harbor contributions and employer discretionary contribution, a participant must also be employed on the last day of the plan year and must have completed at least 1,000 hours of service during the plan year. The Plan was restated effective November 15, 2016. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants are enrolled at a set deferral rate of 3% of eligible compensation and contributions are invested in a designated balanced fund until changed by the participant. The Plan allows for Roth deferrals.

Contributions

Participants may contribute a percentage of their base pay by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. A maximum deferral of \$22,500 and \$20,500 was allowed in 2023 and 2022, respectively. In addition, participants who are age 50 or older were allowed to defer an additional \$6,500 and \$6,500 in 2023 and 2022. The employer portion of the Plan includes a 3% safe harbor match and a discretionary contribution which was 3% for 2023 and 2022.

Participants Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses). The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

HAMILTON COMMUNITY HEALTH NETWORK, INC. 401(k) PLAN

Genesee County, Michigan

Notes to the Financial Statements

Vesting

A participant has a 100% vested interest at all times in their account attributable to elective deferrals and rollovers. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Vesting for employees hired before January 1, 2012 are subject to a separate vesting schedule increasing in 20% increments after 1 year of service to 100% vesting after 5 years of service.

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	25%
3	50%
4	75%
5 or more	100%

Participant Loans

Participants may borrow from their account balances at a minimum of \$1,000 up to a maximum of the lesser of \$50,000 less the outstanding loan balance during the one-year period prior to the new loan application date, or 50% of the participant's account balance less any current outstanding balance. Participants may only take out one loan during any 12-month period and may only have one loan outstanding at a time. The loans are secured by the balance in the participants' account. Interest charged on loans is at a rate similar to loans from commercial lending institutions and is credited as earnings to the participant's account balance. Principal and interest are paid ratably through payroll deductions. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

The Plan provides for payment of 100% of the account balance to participants upon normal retirement at age 65, early retirement at age 55 with 10 years of service, death, or total and permanent disability. Participants terminating for any other reason are entitled to receive 100% of their vested account balances. Participants may elect to receive their benefits in the form of an annuity, lump sum payment or installment payments, based upon the Plan agreement.

Notes to the Financial Statements

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$0, respectively. Forfeitures of the non-vested portion of terminated participant's accounts will be first used to pay any administrative expenses and any remaining forfeitures will be allocated to employee accounts. Forfeitures of \$28,708 and \$23,723 were used in 2023 and 2022, respectively.

B. Summary of Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Investment income includes dividends, interest, and the net appreciation on assets bought, sold, or held during the year.

Genesee County, Michigan

Notes to the Financial Statements

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain administrative functions are performed by officers or employees of the Hamilton Community Health Network. No such officer or employee receives compensation from the Plan. In addition, certain administrative expenses for the Plan are paid directly by Hamilton Community Health Network.

Accounting Changes

The Plan has not adopted any Accounting Standards Updates in the current year.

Date of Management Review

Management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2023, through the date of the Independent Auditor's Report, October 15, 2024, which is the date the financial statements were available to be issued.

C. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	December 31, 2022	December 31, 2021
Investments at fair value	\$ 11,305,395	\$ 8,982,947
Participant interest income	7,326	7,007
Net appreciation (depreciation)	1,746,127	(2,063,258)
Participant notes	144,270	158,467

D. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use Level 2 or 3 inputs for the period presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

HAMILTON COMMUNITY HEALTH NETWORK, INC. 401(k) PLAN

Genesee County, Michigan

Notes to the Financial Statements

Level 1

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Mutual of America General Account

The General Account (Interest Accumulation Account) is comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 asset under ASU 820-10 for the following reasons:

- There are no front of back end charges, so investments in the General Account are completely liquid;
- The interest rate credited to investments is a current rate, and is not dependent upon length of time the assets are invested with Mutual of America.
- Requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the Company having to liquidate securities in order to generate a payment;
- The value shown is the redeemable value of the fund: there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,992,706	\$ -	\$ -	\$ 10,992,706
General account	-	-	-	435,049

Notes to the Financial Statements

E. Party-In-Interest and Related-Party Transactions

All plan investments were managed and administered by Mutual of America in 2023 and 2022 therefore, these transactions qualify as party-in-interest transactions as defined in ERISA. Administration and custodial fees totaling \$8,477 and \$4,697 were paid to Mutual of America during the 2023 and 2022 plan year, respectively.

F. Plan Termination

Although it has not expressed any intent to do so, the organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. Risks and Uncertainties

The Plan invests in various mutual funds with underlying assets consisting of any combination of stocks, bonds, fixed income securities and other investment securities, and collective investment trusts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

H. Tax Status

The sponsor adopted a nonstandard prototype plan, which received a favorable opinion letter from the Internal Revenue Service, dated March 31, 2008, indicating that the prototype Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is therefore generally exempt from future taxes under present income tax laws. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

The prototype plan has been amended since receiving this opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan may be subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.
