INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Hulett Environmental Services, Inc.
401(k) Profit Sharing Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

As of December 31, 2023, the investment manager, custodian and party which directs the custody and management of the Plan's assets is John Hancock Retirement Plan Services (John Hancock Retirement). As of December 31, 2022, the investment manager, custodian and party which directed the custody and management of the Plan's assets was John Hancock Life Insurance Company (USA) (John Hancock Life Insurance).
- c) *Contributions* – Each year participants may make pretax and/or Roth 401(k) contributions to the Plan of up to 100% of their annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated multi-index preservation fund until changed by the participant. The Company currently matches 50% of the first 6% of the employee elective contributions. Furthermore, the Company may elect to make discretionary profit-sharing contributions to the Plan. For the year ended December 31, 2023, the Company did not make any discretionary contributions.
- d) *Participant Accounts* – Each participant's account is credited with participant's contribution, the employer's matching contribution, Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- e) *Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after 6 years of credited service or immediately upon death or disability.

1. **Description of Plan, continued**

- f) *Administrative Expenses* – Loan fees, investment fees, and administrative costs associated with Plan operations and compliance are paid first from forfeitures and then from individual participant accounts.
- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions to any of the investment options offered in the John Hancock Retirement program and determined by the Plan Administrator. Participants may change their investment options via phone or Internet access to John Hancock Retirement at any time.
- h) *Non-interest Bearing Cash* – As of December 31, 2022, non-interest bearing cash consisted of the portion of unallocated funds.
- i) *Participant Notes Receivable* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans fund. Loan terms range from 1-5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the loan administrator at the time the loan is taken (currently Prime Rate plus 2%). The interest rates on participant loans receivable as of December 31, 2023 and 2022 range from 5.25% to 10.25%. Principal and interest is paid ratably through payroll deductions. Participant loans are reported at their unpaid principal balances plus any accrued interest. The loan balances are secured by the participants' investment accounts, therefore, no allowance for uncollectible loans was deemed necessary. For purposes of presentation on the schedule of assets held for investment purposes, the participant notes receivable are presented as part of the investments in the Form 5500, and are referred to as participant loans.
- j) *Payments of Benefits* – Upon retirement, disability, or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the participant's life expectancy. In-service distributions are permitted for employees attaining age 59 ½. Hardship distributions are also permitted from all accounts that are fully vested.
- k) *Forfeited Accounts* – Forfeitures of non-vested accounts are used to pay administrative expenses. Total forfeitures available as of December 31, 2023 and 2022 amounted to \$2,382 and \$742, respectively. During the year ended December 31, 2023, \$1,582 was forfeited by employees, and \$0 was applied to administrative fees.

2. **Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.

2. **Summary of Significant Accounting Policies, continued**

- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Payment of Benefits* – Benefits are recorded when paid.
- d) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds held in pooled separate accounts) are reported at fair value of the fund's quoted market price, which represents the net asset value ("NAV") as quoted by the custodian of the shares held by the Plan at year end. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis.
- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rate, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are shares of pooled trust funds managed by the custodian. Change in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsor, Hulett Environmental Services, Inc., may have a significant impact on the Plan. Specifically, this includes the ability of the Plan Sponsor to continue to make contributions under the program and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan and the Plan assets include legislation or regulations established by the Internal Revenue Service, Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).

3. **Fair Value Measurements**

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

3. **Fair Value Measurements, continued**

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions provide the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023.

- Non-interest bearing cash* – The carrying value of non-interest bearing cash approximates fair value.
- Mutual funds held in pooled separate accounts* – Valued at the net asset value ("NAV") as quoted by the custodian of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. Information Certified by the Plan's Trustee and Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly John Hancock Trust, the trustee, and John Hancock Life Insurance, the custodian, has certified as of December 31, 2023 and 2022, respectively, that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

The following information was prepared and certified as complete and accurate by John Hancock Trust and John Hancock Life Insurance:

	<u>2023</u>	<u>2022</u>
Mutual funds held in pooled separate accounts	<u>\$ 8,951,051</u>	<u>\$ 7,689,212</u>
Net appreciation in fair value of investments	<u>\$ 1,117,305</u>	
Dividends and interest	<u>\$ 162,611</u>	

5. Related Party Transactions

Certain plan investments include shares of pooled separate accounts managed by John Hancock Retirement. John Hancock Retirement is the investment manager and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

6. Tax Status

The Plan is utilizing a Non-Standardized Pre-Approved Profit-Sharing Plan document provided by its TPA at the time of adoption – The Benefit Practice. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Plan has an opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded, or required to be funded, must be distributed to the participants.

8. Subsequent Events

Plan's management has evaluated subsequent events through October 1, 2024, the date on which the financial statements were available to be issued, and determined no additional disclosures were required to be presented in these financial statements.
