INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Mariposa 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mariposa 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mariposa 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mariposa 401(k) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mariposa 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mariposa 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its

form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MARIPOSA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Mariposa 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

Effective August 1, 1997, the Mariposa 401(k) Plan was established for the benefit of all eligible employees of Mariposa Landscapes, Inc., Mariposa Landscape Arizona, Inc., and Mariposa Tree Management Inc (collectively, the "Employer"). The Plan is a contributory plan under Section 401(a) and 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective November 3, 2023 the Plan was amended to allow for Roth contributions.

2. Eligibility

All employees, regardless of age, are immediately eligible to participate in the Plan upon employment. Participants are eligible to make employee deferrals and receive an Employer safe harbor matching contribution. Employees who perform services for the Employer under a contract covered by a prevailing wage law, are eligible to receive prevailing wage contributions.

3. Contributions

Participants may elect to contribute, on a tax-deferred basis, up to the maximum annual deferral limit under the IRC. Participants attaining age 50 before the end of the calendar year are eligible for catch-up contributions. The Plan provides for transfers from other qualified plans.

The Employer makes prevailing wage contributions based on the hourly contribution rate required under the applicable prevailing wage law. Other Employer contributions are discretionary. For the Plan year ended December 31, 2023, the Employer made safe harbor matching contributions in an amount equal to 100% of the first 3% and 50% of the next 2% of participants' gross annual compensation, subject to an annual compensation limit of the IRC.

At the option of the Company, additional Employer contributions can be made. No additional contributions were made for the Plan year ended December 31, 2023. Safe harbor Employer contributions totaled \$254,353 for the year ended December 31, 2023.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Employer matching and safe harbor matching contributions, prevailing wage contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Plan earnings on investments are allocated based on participant account balances, as defined. A participant is entitled to the benefit that can be provided from their vested account.

5. Investment Options

Upon enrollment in the Plan, a participant may direct participant and Employer contributions as desired, in any of a variety of options offered by Fidelity Management Trust Company, the trustee, as provided by the Employer. Participants may change their investment options daily.

6. Vesting

Participant contributions, rollovers, Employer safe harbor matching contributions, Employer matching, Nonelective Employer contributions, prevailing wage contributions, and actual earnings thereon are fully vested at all times. Vesting in the frozen Employer matching contribution portion of participant accounts plus actual earnings thereon is based on years of continuous service as defined in the Plan agreement as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

7. Notes Receivable from Participants

Participants may borrow from their fund accounts, for qualified hardship purposes, a minimum of \$1,000, up to a maximum of 50% of their vested account balance, not to exceed \$50,000. Notes shall bear an interest rate equal to the prime rate plus 1% and must be repaid within five years of the date of issuance in accordance with terms established by the plan administrator. Notes for the purchase of a principal residence may be paid back over a period not to exceed ten years. Participants may have only one loan outstanding at any time.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

8. Benefit Payments

At retirement, disability, or death, a participant automatically becomes 100% vested, and may elect to receive either a lump-sum amount equal to the value of the participant's account, annuities, or periodic installments as defined by the Plan. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as defined by the Plan. In addition, participants may receive distributions upon attaining age 59 ½ or for financial hardship if certain criteria are met.

9. Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts may be first used to pay administrative expenses of the Plan then used to reduce Employer contributions. There were no allocated forfeitures for the year ending December 31, 2023. Outstanding forfeitures at December 31, 2023 and 2022 were not material to the financial statements.

10. Plan Termination

While the Employer has not expressed any intent to terminate the Plan, the Employer reserves the right to discontinue its contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, all interests of participants become fully vested, and the assets are distributed among the participants of the Plan in accordance with the provisions of the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

MARIPOSA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative and Other Expenses

Administrative expenses incurred by the trustee and other service providers in performance of their duties are paid from the assets of the Plan. Fees related to the administration of notes receivable from participants and other participant specific fees are charged directly to the participant's account and are included in administrative expenses. Other reasonable Plan expenses may be paid from the Plan's forfeiture account (see Note A.9). Investment related expenses are included in net appreciation/(depreciation) of fair value investments. Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE C - INVESTMENTS AND CERTIFICATION BY THE TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan administrator instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule:

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

MARIPOSA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE D - FAIR VALUE MEASUREMENTS (continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022:

<i>Assets at Fair Value as of December 31, 2023</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Mutual funds	<u>\$ 12,252,475</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,252,475</u>
Investments at fair value	<u>\$ 12,252,475</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,252,475</u>

<i>Assets at Fair Value as of December 31, 2022</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Mutual funds	<u>\$ 10,042,037</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,042,037</u>
Investments at fair value	<u>\$ 10,042,037</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,042,037</u>

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Fidelity Management Trust Company (“FMTC”). FMTC is the trustee and recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

MARIPOSA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE F - RISKS AND UNCERTAINTIES

Plan investments are subject to market fluctuations and interest rate changes that may materially affect their fair value. Certain investment options could include contracts with insurance companies and other financial institutions. These contracts could impose a contract penalty on withdrawals or exchanges from the fund caused by extraordinary events.

The Plan invests, through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments.

NOTE G - TAX STATUS

The Employer adopted a volume submitter 401(k) profit sharing plan ("volume submitter plan") which received its favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the plan's advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
