## INDEPENDENT AUDITOR'S REPORT

**To Board of Trustees  
Lancaster Bible College Retirement Plan  
Lancaster, Pennsylvania**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Lancaster Bible College Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lancaster Bible College Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To Board of Trustees  
Lancaster Bible College Retirement Plan  
Lancaster, Pennsylvania**

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lancaster Bible College Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lancaster Bible College Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lancaster Bible College Retirement Plan's ability to continue as a going concern for a reasonable period of time.

**To Board of Trustees  
Lancaster Bible College Retirement Plan  
Lancaster, Pennsylvania**

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# LANCASTER BIBLE COLLEGE RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

---

### (1) DESCRIPTION OF PLAN

The following description of the Lancaster Bible College Retirement Plan (*“Plan”*) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### A. General

The Plan is a defined contribution plan covering substantially all employees of the Lancaster Bible College (the *“College”*). The Plan was adopted January 1, 1987 and was amended and restated effective January 1, 2020. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (*ERISA*). All employees who work a minimum of 20 hours per week and who are not students of the College are eligible to participate in the Plan.

#### B. Contributions

Employees of the College may elect to contribute up to the maximum allowable elective deferral. For plan year ended December 31, 2023, the maximum allowable elective deferral was \$22,500. Participants who have attained age 50 before the plan year are eligible to make catch-up contributions up to an additional \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The College will make a matching contribution of up to 3% of an employee’s gross compensation for all eligible employees upon 6 months of employment. The College will also make an automatic nonelective contribution of 2% of employee’s gross compensation. The maximum employer contribution is 5% of employee’s gross compensation.

#### C. Participants Accounts

Each participant’s account is credited with the participant’s contribution, the College’s match, and allocation of the Plan’s earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### D. Vesting

Participants are immediately vested in their voluntary contributions, the College’s matching and nonelective contributions, and actual earnings thereon.

#### E. Participant Loans

The Plan’s trustees, Equitable Life Insurance Company (the *“Equitable”*) and Lincoln Investments, permit participants to borrow funds, using their vested account balances as collateral, subject to certain provisions as established by the custodian. Beginning in 2021, TIAA-CREF also began offering such loans. In general, the maximum amount that can be borrowed is the lesser of 50% of a participant’s vested interest or \$50,000, at a reasonable rate of interest. Interest rates varied from 4.25% to 9.50% during the year. Loans are generally repaid within five years.

#### F. Plan Loans

Through 2020, loans were available to participants who invest through TIAA-CREF, subject to certain limitations. Plan loans are issued directly from funds owned by TIAA-CREF, and loan proceeds are not removed from a participant’s account balance. However, a portion of the participant’s vested account balances is used as collateral. In general, the maximum amount that can be borrowed is the lesser of 50% of a participant’s vested interest or \$50,000, at a reasonable rate of interest. Loans are generally repaid within five years.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023 And 2022

---

At December 31, 2023 and 2022, participants had outstanding Plan loan balances due to TIAA-CREF of \$372 and \$3,815, respectively. These amounts are included in the account balances reported in the accompanying statement of net assets available for benefits.

### **G. Investment Options**

Upon enrollment in the Plan, and at any time during the plan year, a participant may direct all future employee and employer contributions into any of the investment options available under the Plan.

### **H. Payment of Benefits**

A participant's vested benefits will normally be distributed to the participant or the participant's beneficiary upon retirement, disability or death of the participant by transfer to another qualified plan or individual retirement account, through lump sum distribution or in installment payments.

In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59-1/2. Hardship withdrawals from a participant's deferral contribution accounts are permitted when certain criteria are met. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

### **I. Administration**

The College is the administrator of the Plan. TIAA-CREF, Equitable and Lincoln Investments have been designated as custodians and trustees of the Plan.

All trustees maintain individual participant account records and advises the Plan on other matters related to the operation of the Plan.

## **(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### ***BASIS OF ACCOUNTING***

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. Certain TIAA Traditional Annuity contract types are considered fully benefit responsive, and contract value approximates fair value for the years ended December 31, 2023 and 2022.

### ***INVESTMENT VALUATION AND INCOME RECOGNITION***

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***PAYMENT OF BENEFITS***

Benefits are recorded when paid.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023 And 2022

---

### *USE OF ESTIMATES*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

### *OPERATING EXPENSES*

Most of the administrative expenses of maintaining the Plan are paid by the College.

## (3) INVESTMENTS

The Plan's investments are held in directed trusts. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following tables present the fair value and contract value of these investments for which a certification has been received from the trustees/custodians of the assets.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023 And 2022

The Plan utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value the Plan's assets that are carried at fair value as of December 31 is as follows:

|                                            | 2023                 |             |                     |                      |

### (4) TIAA TRADITIONAL ANNUITY

The plan offers guaranteed annuity contracts with Teachers Insurance Annuity Association (“TIAA”), an insurance company. TIAA maintains the contributions in a general account. The Traditional Annuity is offered through two contract types; Retirement Annuities (“RA”) and Supplemental Retirement Annuities (“SRA”). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant’s account, and the options for receiving income upon retirement. The RA contract does not allow lump-sum cash withdrawals, and transfers must be spread over 10 annual installments. The SRA contracts provide for full participant-directed liquidity and are considered fully benefit-responsive. The contracts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is obligated to repay the principal and a specified interest rate that is guaranteed to the plan. When a participant’s accumulation in an annuity contract is converted to a lifetime payment annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the statement of changes in net assets available for benefits.

The RA contract is presented on the face of the statement of net assets available for benefits at contract value, which approximates fair value. The SRA contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at December 31, 2023 and 2022 was \$333,410 and \$332,173, respectively, for the SRA contract. The fair value of the investment contracts at December 31, 2023 and 2022 was \$1,380,194 and \$1,350,882, respectively, for the RA contract. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1% percent. Such interest rates are reviewed periodically for resetting.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023 And 2022

---

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options of deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### (5) **EQUITABLE GUARANTEED INTEREST ACCOUNT**

The plan has a guaranteed interest account ("**GIA**") option available to participants in the Equitable investment program. The GIA is presented on the face of the statement of net assets available for benefits at contract value. Contract value as reported to the plan by the Equitable represents contributions and transfers to that investment option, plus interest minus withdrawals and transfers out of the option, and charges the Equitable deducts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the GIA was \$112,216 and \$192,402 at December 31, 2023 and 2022, respectively. The annual minimum guaranteed interest rate can range from 1 to 3%.

### (6) **PLAN TERMINATION**

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### (7) **TAX STATUS**

The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code.

Management has reviewed the tax positions for each of its open tax years (2020 – 2022) or expected to be taken in the Plan's 2023 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

### (8) **RISKS AND UNCERTAINTIES**

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### **(9) PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative costs of the Plan are paid by the employer/sponsor.

### **(10) SECURE ACT 2.0**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

### **(11) SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 15, 2024, the date which the financial statements were available to be issued.
