INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee
SIFCO Industries, Inc. Employees 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SIFCO Industries, Inc. Employees' 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of SIFCO Industries, Inc. Employees' 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SIFCO Industries, Inc. Employees' 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SIFCO Industries, Inc. Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SIFCO Industries, Inc. Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2022, and Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of SIFCO Industries, Inc. Employees' 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan sponsored by SIFCO Industries, Inc. and Quality Aluminum Forge, LLC, (collectively the Company and Plan Sponsor), covering all eligible non-collectively bargaining employees residing in the United States. A non-collectively bargaining U.S. employee is eligible to participate in the Plan on the first day of any month immediately following 60 days after his or her hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and restated. The Retirement Committee is responsible for oversight of the Plan, determining appropriateness of the Plan's investment offerings and investment performance. Effective July 22, 2022, the Plan was formally amended to adopt the various provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 and the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019.

During 2020, employees from one of the Company's divisions became eligible to participate in the Plan as they were no longer part of a collective bargaining agreement. Effective December 16, 2021, the employees from the same division signed final collective bargaining agreements allowing them to be eligible to participate in the SIFCO Main Bargaining Unit 401(k) Plan. The existing accounts balances and notes receivables balances remained as part of the Plan but participants are no longer actively contributing or eligible to contribute in the Plan. The notes receivable repayment terms remained unchanged.

CONTRIBUTIONS

Each year, participants may elect to make tax-deferred contributions (deferral contributions) of 1% to 100% of their eligible compensation per the Plan agreement subject to maximum limitations set by the Internal Revenue Code (the Code). The maximum limitations as defined in the Code are up to \$20,500 and \$19,500 in 2022 and 2021, respectively (plus catch-up contributions for those age 50 or older of \$6,500 in 2022 and 2021). Effective, May 1, 2021, participants may elect to make tax-deferred and Roth deferral contributions of 1% to 100% of their eligible compensation. Participants may also contribute amounts representing distributions from other qualified plans, commonly referred to as rollover contributions. Participants are able to direct contributions into a variety of investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employees are automatically enrolled in the Plan at a participant tax deferral contribution rate of 3% of the participant's eligible compensation unless they elected not to contribute to the Plan or to contribute at a different contribution rate within a prescribed period of time (as defined by the Plan). The Plan operates under a Qualified Automatic Contribution Arrangement (QACA). Under such an arrangement, participants who were automatically enrolled in the Plan at a 3% deferral contribution have their deferral contribution rate increased 1% annually after the initial Plan year up to a total of 6% of eligible compensation.

The Company may make a matching contribution to each participant's account as a percentage of the participant's deferral contribution made during the Plan year. The Company currently matches 100% of a participant's deferral contribution up to 1% of compensation plus 80% of a participant's deferral contribution that is greater than 1% up to 6% of eligible compensation. Company matching contributions were \$483,341 for the year ended December 31, 2022.

Each year, the Company may make an additional discretionary profit sharing contribution to each participant's account based on the participant's annual deferral contribution. Under QACA, the discretionary profit sharing amount is subject to certain limitations. There were no discretionary profit sharing contributions for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Participant accounts are credited with participant deferral contributions, allocations of the Company's matching and discretionary contributions, if any, and investment earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participants' account balances or compensation, as provided by the Plan document. The benefit to which a participant is entitled is the vested participant account balance.

VESTING

Participants are 100% vested in their deferral contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years or more	100%

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance, subject to a minimum of \$1,000 and up to a maximum of \$50,000. Loan repayment terms are specified by the participant but shall not exceed five years, unless the purpose of the loan is to purchase a primary residence, in which case the loan shall not exceed fifteen years. Loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan originated. Principal and interest are paid ratably through payroll deductions. For the year ended December 31, 2022, interest income of \$14,239 has been recorded as income in the accompanying Statement of Changes in Net Assets Available for Benefits.

FORFEITURE ACCOUNTS

Forfeitures occur when participants terminate employment prior to becoming vested in their account balances. At December 31, 2022 and 2021, forfeitures totaled \$47,733 and \$7,296, respectively. Forfeitures can be used by the Company to pay Plan expenses or reduce future Company contributions. In 2022, the Company used \$15,272 to reduce Plan expenses.

PAYMENT OF BENEFITS

The full value of a participant account, excluding any non-vested Company contributions, is payable to the participant upon retirement, death or total disability. If a participant terminates employment with the Company, a distribution of the participant's vested account balance may be made according to Plan provisions. The Plan requires mandatory distributions for terminated employees with balances under \$5,000. Distributions are normally made in cash, unless a participant's account balance contains units of the Company's common stock fund, in which case distributions may be made in cash or shares of Company common stock, subject to Plan provisions. The Plan, in line with the Internal Revenue Service (IRS) rules, also requires the participants to receive required minimum distributions upon attainment of age 72.

Participants may also be permitted to receive a distribution from their account prior to termination of employment if they experience financial hardship. In the case of severe financial hardship, the Company, in its sole discretion, could direct distributions of all or a portion of a participant's voluntary contributions and employer matching contributions, subject to certain restrictions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting (GAAP).

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in a fund that holds a group annuity contract. This fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Custodians of the Plan, represents contributions, plus earnings, less participant withdrawals, wrapper fees, and administrative expenses.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value except for the Group Annuity Contract, which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's losses on the investments purchased and sold, as well as held, during the year.

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

GROUP ANNUITY CONTRACT

The Plan has a group annuity contract that is fully benefit-responsive and is recorded at contract value. Earnings on the contract are based on interest calculated at a specified rate. There are no events that may limit the ability of the Plan to transact at contract value. The investment advisor or the contract owner may terminate the group annuity contract with 60 days advance written notice to the other party.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions in compliance with the terms of the Plan document. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2022 and 2021.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses of the Plan may be paid out of Plan assets to the extent not paid by the Company. During 2022, the Plan paid custodian, investment advisory and other administrative expenses of \$65,952. The Plan's other administrative expenses were paid by the Company and are excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already required or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies – investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

Company common stock fund – is valued at the closing price reported on the New York Stock Exchange.

The following table sets forth by measurement level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Registered investment companies	\$ 13,623,530	\$ 13,623,530
Company common stock fund	<u>14,830</u>	<u>14,830</u>

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan for the period January 1, 2021 to July 31, 2022, and by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan for the period August 1, 2022 to December 31, 2022. This information has not been audited by the Plan's independent auditors.

Participants have the option of retaining or liquidating their holdings of the Company common stock fund. Proceeds from such liquidations will be invested according to each individual participant's investment direction.

NOTE 5 – TAX STATUS

The Plan obtained its latest determination letter on January 27, 2017, in which the Internal Revenue Service (IRS) determined the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended and restated since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for incomes taxes has been included in the Plan's financial statements.

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 5 – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, as amended. In the event of Plan termination, all participants will become fully vested in the balance in their accounts.

NOTE 7 – PARTIES-IN-INTEREST TRANSACTIONS

The Plan investments include shares of the Company's common stock and, therefore, transactions involving the Company common stock are considered to be party-in-interest transactions. Certain Plan investments at December 31, 2022 and 2021, are invested in funds issued by the Custodians of the Plan, and therefore these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

SIFCO INDUSTRIES, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 9 – SUBSEQUENT EVENTS

The Company evaluated subsequent events through October 14, 2024, the date these financial statements were available to be issued. Except as noted below, there were no other events identified that require recognition or disclosure in these financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 10 – EMPLOYER CONTRIBUTIONS CORRECTIONS

In order to provide corrective deferrals for participants' contributions and the Company's matching contributions, the Plan administrator elected to refund excess elective deferrals to the affected employees. For the Plan year ended December 31, 2022, participants' contributions were reduced by \$2,855 and the Company's matching contributions were reduced by \$2,039.

In order to correct delinquent participants' contributions and the corresponding Company's contributions, the Plan administrator elected to remit one-half of the missed participants' contributions and the full amount of the missed Company's contributions. For the Plan year ended December 31, 2021, the Company funded \$224 relating to the delinquent participants' contributions and \$275 relating to the Company's matching contributions.

For the Plan year ended December 31, 2021, additional correction amounts of \$433 have been included in the participants' contributions receivable and the Company's contributions receivable in the accompanying Statements of Net Assets Available for Benefits. The lost earnings were remitted during the 2022 Plan year.

NOTE 11 – PROHIBITED TRANSACTIONS

During 2021, a total of \$17,524 of participant contributions were remitted late into the Plan and therefore were deemed delinquent. Lost earnings related to the late remittances will be funded during 2023. This failure to remit contributions on a timely basis is considered a prohibited transaction according to the provisions of ERISA and the IRC and will be reported until the year after in which lost earnings have been funded.
