INDEPENDENT AUDITORS' REPORT

Board of Trustees
US Metro Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of US Metro Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years then ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note A - Description of Plan

The following description of US Metro Bank 401(k) Plan (the "Plan") provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of US Metro Bank (the "Bank") except part-time, temporary, and seasonal employees. Employees become eligible to make elective deferral contributions at employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants could contribute up to 100% of eligible earnings, not to exceed the limits of Code Sections 401(k), 402(g), 404 and 415; \$22,500 and \$20,500 for 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to contribute an additional \$7,500 and \$6,500 in 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Bank makes safe harbor matching contribution equal to 100% of the first 6% of participant's compensation. The Bank may make a discretionary profit-sharing contribution to the Plan on employee's behalf. During 2023 and 2022, the Bank did not make any discretionary profit-sharing contributions. Contributions are also subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Bank's contribution and, plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contribution and the Bank's safe harbor matching contribution, plus actual earnings thereon. Vesting in the Bank's profit-sharing contribution is based on participant's years of service in accordance with the following schedule:

Vesting Schedule	
Years of Service	Percentage
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

1,000 hours of service constitutes a year of vesting service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of one-half of their vested interest in the Plan or \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made.

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Participants can have one loan outstanding at any time. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. Loans must be paid in full on termination of employment. The loans are secured by the balance in the participant's account and bear interest at prime rates on the issuance date plus 1%. Principal and interest payments are made through payroll deduction from each regular paycheck. As of December 31, 2023, interest rates on loan to participants ranged from 4.25% to 9.50%.

Top-Heavy Plan

If more than 60 percent of assets in the Plan are held by employees who are considered key employees, the Bank may need to make an additional contribution to the Plan for participants who are not key employees.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a single lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

If an employee is terminated before fully vested in the Bank's contribution portion of his or her account, such unvested amount is forfeited. Forfeitures may be applied first to payment of plan administration expenses. Any remaining amounts will be used towards the Bank's matching contributions. As of December 31, 2023, the balance of unallocated forfeiture was \$10.

SECURE 2.0 Act

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law in December 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. Beginning in 2023, the age for required minimum distributions increased from age 72 to 73. Additionally, Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2025.

Change in Trustees

Effective July 1, 2023, the Plan changed its trustee to Reliance Trust Company and its record keeper to ADP, Inc. As a result of change, assets held in shares of registered investment companies at American United Life Insurance Company were liquidated in July 2023, and placed in a non-interest bearing cash account and transferred to ADP, Inc. The stable value fund remained at American United Life Insurance Company's account and transferred to ADP, Inc. in July 2024. Plan assets were allocated to participant accounts based on participant investment allocations.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Bank. Expenses that are paid by the Bank are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value except for fully benefit-responsive contracts. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The fair value of the Plan's mutual fund investments is determined by quoted market prices on the last day of the Plan year. Fully benefit-responsive contract is reported at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Notes Receivable from participants are stated at cost, which approximates fair value. Interest and dividend income are recorded on the accrual basis.

Guaranteed Investment Contracts

The Plan offers a stable value fund through American United Life Insurance Company. The stable value fund is considered a fully-benefit responsive investment contract. The stable value fund provides participants with a stable, fixed-rate return of investment and protection of principal from changes in market interest rates. As of December 31, 2023 and 2022, the Stable Value Fund held guaranteed investment contracts in the amount of \$307,000 and \$754,059, respectively, with the insurance company.

There are no reserve against contract value for credit risk of the contract issuer. The crediting interest rate is based on a formula agreed upon with the issue. Such interest rates are reset on an annual basis. The crediting interest rates on the guaranteed investment contracts held on December 31, 2023 was 1.00%. The average yield earned on the guaranteed investment contracts were 1.00% and 0.75% in 2023 and 2022, respectively.

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note C - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements on December 31, 2023, the supplemental schedule on December 31, 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company (the Trustee of the Plan) and American United Life Insurance. The accompanying financial statements on December 31, 2022, the supplemental schedule on December 31, 2022, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by American United Life Insurance Company.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2023	2022
Registered investment companies	\$ 8,770,899	\$ 5,734,607
Common/collective trusts	431,233	-
Investment at contract value	307,000	754,059
Total investments	<u>\$ 9,509,132</u>	<u>\$ 6,488,666</u>

Note D - Fair Value Measurement

The Plan measures fair value in accordance with Accounting Standard Codification ("ASC") 820 - Fair Value Measurements. ASC 820 defines fair value and establishes a three-level valuation hierarchy for disclosures of fair value measurements. ASC 820 establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurements. To increase consistency and comparability in fair value measurements and related disclosures, ASC 820 establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into three (3) broad levels. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three (3) levels of fair value hierarchy defined by ASC 820 are:

Level 1 - Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Inputs (other than quoted market prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 - Inputs reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model. Valuation of instruments includes unobservable inputs to the valuation methodology that are significant to the measurement of fair value of assets or liabilities.

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

As defined by ASC 820, the fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale, which was further clarified as the price that would be received to sell an asset or paid to transfer a liability ("an exit price") in an orderly transaction between market participants at the measurement date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Registered investment companies	\$ 8,770,899	\$ -	\$ -	\$ 8,770,899
Total investments at fair value	\$ 8,770,899	\$ -	\$ -	\$ 8,770,899

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Registered investment companies	\$ 5,734,607	\$ -	\$ -	\$ 5,734,607
Total investments at fair value	\$ 5,734,607	\$ -	\$ -	\$ 5,734,607

Common/collective trusts as investments measured at net asset value per share (or its equivalent) were classified outside the fair value hierarchy as permitted under GAAP.

Note E - Related Party Transactions

Certain Plan investments in registered investment companies are managed by the Trustee and Custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note F - Federal Income Taxes

The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and intends to continue as a qualified plan. The Plan is exempt from federal income taxes under Section 501(a) of the IRC. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

US METRO BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator is not aware of any uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note G - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits as presented in these financial statements to the balance per Form 5500 as of December 31, 2023 and 2022:

Deemed distributions are defaulted and unpaid participant loans of active participants that are disallowed on Form 5500.

The following is a reconciliation of changes in net assets available for plan benefits as presented in these financial statements to the Form 5500 for the years ended December 31, 2023 and 2022:

	2023	2022
Increase in net assets per statements of changes in net assets available for plan benefits	\$ 3,003,519	\$ 644,226
Deemed distributions	(23,810)	-
Net income – Part II Line K Form 5500	<u>\$ 2,979,709</u>	<u>\$ 644,226</u>

Note H - Termination of the Plan

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In such event, all participants would become fully vested in their account balances.

Note I - Subsequent Events

The Plan Administrator has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued under FASB ASC Topic 855, *Subsequent Events*.
