Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of LEAP Group Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LEAP Group Holdings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LEAP Group Holdings, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LEAP Group Holdings, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LEAP Group Holdings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LEAP Group Holdings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i, Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

LEAP GROUP HOLDINGS, INC. 401(k) PLAN

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of LEAP Group Holdings, Inc. 401(k) Plan (Plan), is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution plan covering substantially all employees who are employed by LEAP Group Holdings, Inc. (Company) and affiliated employers as defined in the Plan agreement. Employees are eligible to participate immediately upon hire and attainment of age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may make voluntary contributions up to 100% of their compensation, as defined in the Plan document. The total annual participant voluntary contribution is limited to \$22,500 in 2023. Participants who are at least 50 by the end of the Plan year may make additional contributions of \$7,500 in 2023. The Plan also allows for eligible rollovers into the Plan.

The Company provides a safe harbor contribution that will match the participants' first 4% of contributions. Participants' contributions that exceed 4% of each participant's compensation will not be considered for matching contributions.

Participants' voluntary contributions and employer's safe harbor matching contributions are designated under a qualified deferred arrangement as allowed by Section 401(k) and 401(m) of the Internal Revenue Code (IRC).

In addition, the Company, at its discretion, may make a discretionary non-elective matching contribution to the Plan as determined by the Company's board of directors. No non-elective or matching contribution was made in 2023.

Participants may direct the investment of their voluntary contribution and employer's matching contributions into any of several investment options.

Participants' Accounts:

Each participant's account is credited with their voluntary contribution and employer's matching contributions and an allocation of the Plan's net earnings as defined by the Plan.

LEAP GROUP HOLDINGS, INC. 401(k) PLAN

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are immediately 100% vested in their voluntary contributions and employer safe harbor matching contributions and actual earnings thereon. Discretionary non-elective and matching contributions and actual earnings vest based on years of service as detailed in the vesting schedule below:

<u>Years of Service</u>	<u>Percent of Nonforfeitable Interest</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures:

Upon termination of a participant, the employer's non-elective and matching contributions to which the participant is not 100% vested will be forfeited. The sponsor has the option to apply the forfeitures against future employer contributions or to pay reasonable plan expenses. There were no forfeited nonvested accounts at December 31, 2023 and 2022.

Participant Loans:

Participants may borrow from their funds up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits:

On termination of service, a participant is entitled to receive a lump-sum amount equal to the value of his or her vested accounts. After termination, participants with vested amounts of less than \$5,000 will be paid out in cash or have their balance rolled into a qualified plan. Participants can also receive installments, with respect to minimum required distributions, over a period of not more than assumed life expectancy.

Plan Costs:

Except for transaction fees, the employer is absorbing all significant costs of the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Plan investments are stated at estimated fair values, except for the fully-benefit investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Nationwide Trust Company is the trustee and custodian of the Plan. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, which represents contributions plus interest at the contract rate, approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through October 2, 2024, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements.

NOTE C - INVESTMENTS CERTIFIED BY TRUSTEE

Investments, participant accounts, and participant notes receivable are managed by Nationwide Trust Company, the trustee of the Plan. The Plan maintains the records of the participants. All financial information contained in the accompanying financial statements and supplemental schedule regarding investments, participant notes receivable, interest and dividend income, and net appreciation in fair value of investments as of December 31, 2023 and 2022 and for the year ended December 31, 2023 have been certified by Nationwide Trust Company as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

		Assets at Fair Value:	
		(Level 1)	Total
Mutual Funds		\$ 4,556,927	\$ 4,556,927
	TOTAL INVESTMENTS	<u>\$ 4,556,927</u>	<u>\$ 4,556,927</u>

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

		Assets at Fair Value:	
		(Level 1)	Total

	TOTAL INVESTMENTS	<u>\$ 2,526,386</u>	<u>\$ 2,526,386</u>

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit-responsive guaranteed investment contract with Nationwide Trust Company. Nationwide Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value, as reported to the Plan by Nationwide Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The net rate, credit rate, and average yield earned are the same. The fixed contract crediting rate is reset annually. For 2023, the fixed rate was 1.67-1.77% from January 1, 2023 through December 31, 2023.

Certain events limit the Plan's ability to transact at contract value with Nationwide Trust Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

LEAP GROUP HOLDINGS, INC. 401(K) PLAN

December 31, 2023 and 2022

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The fixed contract does not have a maturity date. The fixed contract's provisions do not provide for a distribution at book value at some specified future date. A contract holder can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. The fixed contract continues in force until all assets have been distributed, or no further payments are due.

NOTE F - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, employees will become fully vested and net assets of the Plan are to be distributed to employees on the basis of individual account balances at the date of termination.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - INCOME TAX STATUS

The prototype Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

NOTE I - CORRECTION OF AN ERROR

The 2022 statements of net assets available for benefits were restated to include other employers' contribution receivable of \$172,691, which represents the employers' share of the employees' missed contributions, employers' matching contribution and lost earnings for an operational error in applying the Plan's definition of compensation.
