## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee  
403(b) Thrift Plan of San Antonio Lighthouse for the Blind  
San Antonio, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of San Antonio Lighthouse for the Blind, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan of San Antonio Lighthouse for the Blind financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Mutual of America Life Insurance Company, the Plan Custodian, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

## **Auditor's Responsibilities for the Audit of the Financial Statements – continued**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter- Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**403(b) THRIFT PLAN OF SAN ANTONIO LIGHTHOUSE FOR THE BLIND**  
**Notes to Audited Financial Statements**  
**December 31, 2023 and 2022**

**NOTE A – SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation:* The financial statements of 403(b) Thrift Plan of San Antonio Lighthouse for the Blind (“Plan”) are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

*Recognition of Income:* The basis of investments held by the Plan is adjusted annually to closing market values and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis. Security transaction expenses are considered in computing realized gains and losses on investments. Interest income from the interest accumulation account is recognized as it is earned and credited to the account.

*Investments:* Investments in mutual funds, held in pooled separate accounts, are carried at fair market value (net asset value), of the underlying investment. Purchases and sales of securities are recorded on a trade-date basis. Dividends are considered in the fair market value determination. Gains and losses (realized and unrealized) are reported in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits.

Investments in the guaranteed interest account are held in the general accounts of Mutual of America and are carried at contract value. The contracts are fully benefit-responsive.

*Participants' Notes Receivable:* Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a note repayment and Plan administrator deems the participant note to be in default, the note balance is reduced and a benefit payment to the participant is recorded.

*Benefit Payments:* Benefits are recorded when paid.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*Use of Estimates:* The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

*Reclassification:* Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no effect on the previously reported change in net assets available for benefits.

**NOTE B – DESCRIPTION OF THE PLAN**

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan, adopted on October 1, 2003, covering virtually all employees of San Antonio Lighthouse for the Blind dba Vibrant Works ("Sponsor"), exclusive of non-resident aliens with no U.S. source income and employees who are eligible to make salary reduction contribution to another plan of the Sponsor. There are no minimum age or service requirements to make salary reduction contributions. The Plan is for the exclusive benefit of its participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Plan Amendment:* The Plan was amended and restated effective January 1, 2015, and operationally adopted certain provisions allowed by the Bipartisan Budget Act of 2018. Effective January 1, 2019, participants receiving hardship withdrawals were no longer required to cease their elective deferral contributions to the Plan. The Plan was formally amended for this change July 21, 2020.

The Plan is in the process of being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which changes the Plan to allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

*Secure 2.0 Act:* The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2024 and later.

*Contributions:* Participants may contribute up to 100% of their compensation either on a pretax or after-tax Roth basis, subject to the limitations of IRC section 402(g). Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or contribution plans. The Sponsor makes a safe harbor matching contribution of 100% of the participant's elective deferral up to 6% of the participant's contributions, not to exceed IRS limits.

*Participant Accounts:* Each participant's account is credited with their contribution and allocations of a) the Plan Sponsor contributions, b) Plan earnings, and c) charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Participants are immediately 100% vested in their voluntary contributions and any earnings thereon, as well as the Sponsor's safe harbor matching contributions and earnings thereon.

*Payment of Benefits:* Payment of the vested account balance is immediate when the participant reaches normal retirement age, dies, or terminates employment. If the total vested account balance is less than \$5,000, the vested account will be rolled over to an Individual Retirement Account if withdrawal of the funds is not initiated by the participant. Account balances less than \$1,000 are distributed to participant as a lump-sum distribution. Hardship withdrawals are available subject to certain limitations. In service distributions are available once the participant attains age 59.5.

*Plan Termination:* Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Notes to Audited Financial Statements**  
**December 31, 2023 and 2022**

**NOTE B – DESCRIPTION OF THE PLAN - continued**

*Participants' Notes Receivable:* Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Participants may have only one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a range set by the Plan administrator, which currently ranges from 3.25% to 4.60%. Loans must be repaid within 5 years unless otherwise approved.

**NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)**

As permitted by Department of Labor CFR 2520.103-8, investments at December 31, 2023 and the net appreciation (depreciation) thereon for the year then ended; and the investments and participant notes receivable at December 31, 2022 and the net depreciation and earnings on participants' notes receivable for the year then ended, were certified and held by Mutual of America, the Custodians of the Plan, and were not audited by the independent auditor.

**NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

**NOTE E – INCOME TAX STATUS**

Management adopted a preapproved specimen plan document sponsored by Mutual of America, which has been accepted under section 403(b) of the Internal Revenue Code under an opinion letter from the IRS dated March 31, 2017. Management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Accordingly, no provision for Federal income taxes has been included in these financial statements. The Plan Administrator is not aware of any tax positions that would have a significant impact on the Plan's financial position. Its federal tax returns for the last five years remain subject to examination.

**403(b) THRIFT PLAN OF SAN ANTONIO LIGHTHOUSE FOR THE BLIND**  
**Notes to Audited Financial Statements**  
**December 31, 2023 and 2022**

**NOTE F – GUARANTEED INTEREST ACCOUNTS**

The Plan has fully benefit-responsive guaranteed interest contract with Mutual of America (M of A). M of A maintains the contributions in a general account, and the account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The contract value is \$4,506,417 at December 31, 2023 and \$4,994,686 at December 31, 2022. There are no reserves against contract value for credit risk or the contract issuer or otherwise.

Because the guaranteed interest contract is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. There are no reserves against contract value for credit risk of the contract issuers or otherwise. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include 1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Company or other Company events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**NOTE G – FAIR VALUE MEASUREMENTS**

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
  - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE G – FAIR VALUE MEASUREMENTS - continued**

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

|                           | Fair Value Measurements Using |              |         |              |
|---------------------------|-------------------------------|--------------|---------|--------------|
|                           | Level 1                       | Level 2      | Level 3 | Total        |
| <i>December 31, 2023:</i> |                               |              |         |              |
| Pooled separate accounts  | \$ -                          | \$ 9,011,282 | \$ -    | \$ 9,011,282 |
| Investments at fair value | \$ -                          | \$ 9,011,282 | \$ -    | \$ 9,011,282 |
| <i>December 31, 2022:</i> |                               |              |         |              |
| Pooled separate accounts  | \$ -                          | \$ 7,451,658 | \$ -    | \$ 7,451,658 |
| Investments at fair value | \$ -                          | \$ 7,451,658 | \$ -    | \$ 7,451,658 |

There have been no changes in the methodologies used, nor transfers between levels. The following is a description of the valuation methodologies used for assets measured at fair value:

*Pooled separate accounts:* Valued at the market value of the underlying investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE H – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
