INDEPENDENT AUDITORS' REPORT

To the Plan Committee
Kingsway Learning Center Retirement Plan
Moorestown, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the accompanying financial statements of Kingsway Learning Center Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KINGSWAY LEARNING CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following brief description of the Kingsway Learning Center Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan established for the benefit of the employees of Kingsway Learning Center, Inc. and Kingsway Service, Inc. (collectively the "Company"), both of which are under common control. Kingsway Learning Center, Inc. ("Plan Sponsor") is the Plan Sponsor and Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). John Hancock Life Insurance Company (the "Custodian") is the Plan's custodian.

Contributions

Each year, participants may contribute pretax annual compensation up to the Section 402(g) limit, as defined in the Plan. Participants may also elect to contribute a different amount of post-tax compensation as defined by Section 402A up to the Section 402(g) limit. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to employer limitations on an operational and nondiscriminatory basis. Participants direct the investment of their contributions into various investment options offered by the Plan and may change their investment options quarterly. The Plan currently offers a variety of pooled separate accounts and a guaranteed interest fund as investment options for participants. The Company offers a matching contribution to employees that meet the eligibility criteria that is determined by the board of directors of the Plan Sponsor each year. For the years ended December 31, 2023 and 2022, the Plan Sponsor matched 50% of the first 6% of employees' contributions up to a maximum of 3% of total salary. The Plan Sponsor may also allocate a discretionary profit-sharing contribution to be calculated as a percentage of total salary for all employees. For the year ended December 31, 2023, the Company made a discretionary profit-sharing contribution to eligible employees in the amount of 2% of their pretax annual compensation. There was no discretionary profit-sharing contribution made in 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary profit-sharing contributions, (b) matching contributions, and (c) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions and matching contributions becomes 20% vested after 2 years of service as defined, and continues to vest at the rate of 20% for each successive year of service until 100% vested after 6 years of service.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

From their fund accounts, participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the account balance in the participant's account. The plan allows 3 outstanding loans per participant at any time. Each loan will bear a rate of interest of prime rate plus 2% and must be repaid within five years by equal payments at least quarterly, except for a loan to buy the participant's principal residence, which can be repaid over a period up to ten years. The loan interest rates are determined by the Plan Administrator on a quarterly basis and are consistent with the provisions of section 4975(d)(1) of the Internal Revenue Code ("IRC"), Section 2550.408b-1 of the Regulations of the Department of Labor ("DOL") and other applicable legal requirements. The interest rates on notes receivable from participants ranged from 4.25%-10.50% as of December 31, 2023 and 4.25% - 7.50% as of December 31, 2022.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if the amount of vested interest is \$1,000 or less. If the amount of vested interest is greater than \$1,000 but less than \$5,000, the balance will automatically roll over into an individual retirement account of the Plan Administrator's choice. Participant's with a vested balance over \$5,000 can elect to receive a lump sum distribution or roll it over into another employer plan or into an individual retirement account. The Plan also provides for in-service distributions for participants who had attained age 59½. A participant may elect a partial withdrawal with respect to in-service distributions only.

Forfeitures

Amounts forfeited by Plan participants are allocated to a forfeitures account. Forfeited amounts arising from discretionary profit-sharing and matching contributions are used to offset discretionary profit-sharing and matching contributions for the current or a future Plan year or pay plan expenses. December 31, 2023 and 2022, forfeited nonvested accounts totaled \$27,088 and \$14,593, respectively. During the year ended December 31, 2023, \$307 of forfeitures were used to pay plan expenses.

Plan Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

KINGSWAY LEARNING CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent receivables are treated as distributions based upon terms of the Plan document.

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure that occurred through October 15, 2024, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, a qualified institution, has certified that the following investment information and notes receivable from participants included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Interest-bearing cash, investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Cash, investment information and notes receivable from participants included in the schedule of assets (held at end of year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule.

KINGSWAY LEARNING CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

C. INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIAN (CONTINUED)

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

D. INVESTMENTS IN GUARANTEED INTEREST ACCOUNT

The Plan provides an investment option to invest in a non-benefit responsive guaranteed interest account with John Hancock. John Hancock maintains contributions in a general account. The account is credited with a guaranteed and fixed rate of return. The general guaranteed interest account is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan by John Hancock.

The general guaranteed interest account is non-benefit-responsive, and therefore fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the general guaranteed interest account.

The guaranteed interest account promises contract value for a benefit event, such as a termination, death, disability or retirement. However, there is a market value adjustment, which is also called a surrender charge, when funds are withdrawn prior to their maturity or for a non-benefit event, such as a withdrawal from the account for a change in investment option.

The guaranteed interest account does not permit John Hancock to terminate the agreement prior to the scheduled maturity date.

E. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in less active markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

KINGSWAY LEARNING CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

E. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at net asset value ("NAV") as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market. The pooled separate accounts are comprised of a wide variety of underlying investments.

Guaranteed interest account: Valued at estimated fair value as determined by John Hancock Life Insurance Company, based on the fair value of the underlying investments, because it is not fully benefit responsive.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	December 31, 2023			Total
	Level 1	Level 2	Level 3

Investments at NAV				7,490,325
Total investments at fair value				\$ 7,512,047

F. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company that the Plan and related Trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

KINGSWAY LEARNING CENTER RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

G. RISKS AND UNCERTAINTIES

The Plan maintains cash balances and investment balances which exceed federally or other insured limits, although historically the Plan has not experienced any credit-related losses. The assets of the Plan are primarily financial instruments. Financial instruments are exposed to various risks, such as market performance, interest rates, economic conditions and world affairs. Due to the level of risk associated with certain financial instruments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Plan Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' rights to their accrued benefits are nonforfeitable.

I. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds and the Guaranteed Interest Account managed by the Custodian. John Hancock Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan Sponsor is also the administrator and pays certain administrative costs including accounting, legal and consulting fees on behalf of the Plan. Some of the trustees are also participants of the Plan. Fees paid by the Plan for investment management services amounted to \$53,906 for the year ended December 31, 2023.
