ANCORA 401(k) PLAN

AUDITED FINANCIAL STATEMENTS

**YEAR ENDED
DECEMBER 31, 2023**

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustee
Ancora 401(k) Plan
Arlington, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ancora 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ancora 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ancora 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ancora 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ancora 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ancora 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, schedule of delinquent participant contributions, and schedule of delinquent participant contributions (carried over from 2022) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ancora 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Ancora 401(k) Plan (Plan) only provides general information. Effective October 10, 2023, the Plan was renamed to Ancora 401(k) Plan, formerly named STVT-AAI Education 401(k) Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Management has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued and has no material subsequent events to report.

General

The Plan is a defined contribution plan covering substantially all employees of STVT-AAI Education (Company, Employer, or Sponsor). The Plan is qualified under the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). For salary deferrals, employer discretionary matching, and discretionary contributions, employees must be at least 21 years of age and have completed 2 months of service.

Contributions

Participants may make pretax contributions and Roth contributions to the Plan up to the maximum percentage allowable by the IRC. Plan limits are indexed to follow changes in the federal limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Roth deferrals are also permitted by the Plan. If a participant has not selected their salary deferral percentage upon meeting the eligibility requirements, the Plan Sponsor will automatically withhold 3% of a participant's compensation and contribute that amount as a salary deferral. The withholding percentage automatically increases 1% at the beginning of each calendar year, to a maximum rate of 10%. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, collective investment trusts, and a guaranteed interest contract as investment options for participants.

The Employer may also elect to make a discretionary contribution. Discretionary contributions, if any, are determined annually by management. The participant must complete at least 1,000 hours during the Plan year and be employed on the last day of the Plan year to be eligible. The participant's share of discretionary contribution is based on the proportion of the participant's compensation to the total compensation for all eligible participants. During 2023, the Employer did not declare a discretionary contribution.

Participant Accounts

Each participant account is credited with the participant's contribution and an allocation of (a) the Employer's matching contribution, if any, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Ancora 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and associated earnings thereon. Vesting in the Employer contribution portion of their accounts is based on years of continuous service. Participants hired before January 1, 2020 are 100% vested in employer contributions after one year of service. Participants hired subsequent to January 1, 2020, become vested in employer contributions after five years of service, earning 20% after each year of service.

Notes Receivable from Participants

The Plan allows for a participant loan in amounts not less than \$1,000. The maximum amount of any loan is the lesser of (i) 50% of the participant's vest account, reduced by any outstanding loan balance or (ii) \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. The loans are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Loans must be repaid in level payments through payroll deductions over a five-year period unless for the purchase of a principal residence, in which case the note repayment period shall be limited to a period consistent with commercial home loan practices. The loans outstanding at December 31, 2023 have interest rates of 5.25% to 9.50%.

Payment of Benefits

Participants receive benefit payments based on the vested portion of their account balance upon death, retirement or attainment of age 59½, disability, or termination of employment. Beginning in 2023, benefit payments in amounts defined by law as "required minimum distributions" must commence by age 73, unless the participant is an active employee. All benefits other than "required minimum distributions" may be paid in the form of a lump sum or in installment payments over a period not to exceed the participant's and beneficiary's expected life expectancies.

Employees may request a distribution of a portion of their contributions in the event of a documented financial hardship. The distribution is limited to the amount of the hardship, which must arise from certain events prescribed by law.

Forfeited Accounts

Forfeited accounts may be used to offset Plan administrative expenses or to reduce future Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$21,291 and \$2,257, respectively. During the year ended December 31, 2023, \$25,519 and \$0 of forfeitures were used to reduce employer contributions and pay Plan administrative expenses, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's guaranteed interest contract is deemed to be fully-benefit responsive at December 31, 2023 and 2022.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Investment Income

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses are determined on the basis of specific identified cost. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Participant loans are presented at their unpaid principal balance plus accrued interest. Interest income is recognized monthly on the accrual basis. When a borrower does not make a loan repayment by the end of the calendar quarter following the quarter when payment was due, the loan is deemed to be in default and is deemed a distribution to the participant.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Plan's custodian and third-party administrator charge various administrative fees relating to recordkeeping services performed under contract to the Plan. Under no circumstances will compensation be paid by the Plan to the Employer for services rendered as administrator. Certain expenses of maintaining the Plan may be paid by the Employer. The Employer paid \$17,100 in operating expenses on behalf of the Plan during the year ended December 31, 2023.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 - *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB Codification Topic 820 are described as follows:

Level 1 - Inputs in the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

Quoted prices for similar assets in active markets.

Quoted prices for identical or similar assets in inactive markets.

Inputs other than quoted prices that are observable for the asset.

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Pooled separate accounts: Valued at unit value calculated based on the net asset value of the underlying investments. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

Collective investment trusts: Valued at the NAV of units of the collective investment trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's total investments at fair value as of December 31, 2023 and 2022:

	Fair Value at December 31, 2023			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual Funds	\$ 9,337,038	\$ 0	\$ 0	\$ 9,337,038
Pooled separate account (a)	0	0	0	46,651
Total investments at fair value	<u>\$ 9,337,038</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 9,383,689</u>
	Fair Value at December 31, 2022			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual Funds	\$ 178,418	\$ 0	\$ 0	\$ 178,418
Collective investment trusts (a)	0	0	0	7,033,151

Total investments at fair value	<u>\$ 178,418</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 8,005,555</u>

- (a) In accordance with Subtopic 820-10, the collective investment trusts and pooled separate accounts were measured at net asset value per share (or its equivalent) practical expedient has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2023 and 2022:

	December 31, 2023			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate account	<u>\$ 46,651</u>	<u>N/A</u>	<u>Daily</u>	<u>12 months</u>

NOTES TO FINANCIAL STATEMENTS

NOTE D – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive guaranteed interest account with Principal Life Insurance Company (Principal) through a group annuity contract. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Principal considers this investment option to be fully benefit-responsive notwithstanding the liquidation value events (see below) under the contract that limit the ability of the Plan to transact at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$157,834 and \$177,889, respectively. The crediting interest rate is based on the earnings of the underlying assets used to determine the guaranteed interest account's crediting rate, as compared to the minimum interest crediting rate and prevailing market conditions. In no case will the minimum crediting interest rate be less than 1% or greater than 3% based on the Plan's group annuity contract. The crediting interest rate is reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. Consult the Plan's group annuity contract for further information.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE E - INFORMATION CERTIFIED BY CUSTODIANS (UNAUDITED)

Management has elected the method of annual reporting permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. BOKF, NA held the Plan's investment assets and executed investment transactions from October 10, 2023 to December 31, 2023. Principal Life Insurance Company and its affiliates held the Plan's investment assets and executed investment transactions as of December 31, 2022, and for the period January 1, 2023 to October 9, 2023, with the exception of the plan's investment in insurance contracts and pooled separate accounts, which were held for the year ended December 31, 2023. Accordingly, Principal Life Insurance Company and its affiliates, and BOKF, NA, qualified institutions, have certified that the following information included in the accompanying financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Interest (including interest on notes receivable from participants), dividends and net appreciation of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information included in the schedule of assets (held at end of the year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule.

At the request of management, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statement and ERISA-required supplemental schedule.

NOTE F - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer may discontinue its contributions to the Plan at any time, and terminate the Plan subject to regulations under ERISA. In the event of a Plan termination, participants will become 100% vested in their entire account balance.

NOTE H - COMMITMENT

The Plan's investments include \$1,698,096 allocated to participants who have withdrawn from the Plan as of December 31, 2023 but have not yet been paid. These participants may elect to withdraw their vested balances at any time.

NOTES TO FINANCIAL STATEMENTS

NOTE I - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by letter dated June 30, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE J - PARTY-IN-INTEREST TRANSACTIONS

Certain investments of the Plan are managed by the Principal Life Insurance Company and its affiliates, which was the custodian and record keeper of the Plan (Note E). Therefore, these transactions qualify as party-in-interest transactions.

NOTE K - PROHIBITED TRANSACTIONS

During the Plan years ended December 31, 2023 and 2022, employee elective deferrals in the amount of \$101,035 and \$23,926, respectively, were not remitted within the appropriate time period by the Employer. These transactions constituted prohibited transactions as defined by ERISA. The Employer corrected the situation and implemented a procedure to ensure all future remittances are done within the prescribed time period.

NOTES TO FINANCIAL STATEMENTS

NOTE L - EMPLOYER AND PARTICIPANTS CONTRIBUTION RECEIVABLE

During 2021, the Employer was unable to provide documentation of an employee's election to not enroll under the Plan's auto enrollment provision for certain eligible employees. Once an employee becomes eligible, a 2% deferral should be automatically withheld and remitted to the Plan unless the Plan received notification from an employee electing not to participate. In order to determine the correct amount of employee deferrals that should have been remitted, the Employer followed the correction procedures as outlined under the IRC Revenue Procedure 2006-27, which indicates that the required make up payment should be 50 percent of the pre-tax deferrals the employees would have made had the employees been timely included in the Plan. This is based on the employee's compensation multiplied by the Average Deferral Percentage (ADP) for non-highly compensated employees. The Employer determined that the amount owed to the Plan is approximately \$60,000 for the employer match and \$36,000 for the employee deferrals, of which approximately \$45,000 and \$36,000 are included in employer and participant contributions receivable, respectively, on the accompanying statements of net assets available for benefits as of December 31, 2022. The Employer has implemented a procedure to ensure compliance with the automatic enrollment provisions of the Plan. As of December 31, 2023, the Plan has corrected participants' accounts for these late employer and participant contributions.

NOTE M - EXCESS EMPLOYER MATCHING CONTRIBUTION

During 2021, the Employer contributed excess matching contributions to participant accounts in the amount of approximately \$51,000. The Employer is in the process of taking steps to correct the situation. During 2022, \$40,146 had been refunded to the Plan's suspense account. The remaining balance due to the Plan Sponsor for the excess employer match of \$11,141 is recorded as a liability on the statement of net assets available for benefits as of December 31, 2023.

NOTE N - NONDISCRIMINATION TESTING

As of the date of this report, the required non-discrimination testing for the year ended December 31, 2021 has not been completed. In addition, the Employer does not expect that this testing will have any impact on the Plan's tax status.
