INDEPENDENT AUDITOR'S REPORT

Retirement Committee, Trustees and Participants
HMSThost 401(k) Retirement Savings Plan and Trust

Opinion

We have audited the financial statements of the HMSThost 401(k) Retirement Savings Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

mitchelltitus.com

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. This risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of the HMSHost 401(k) Retirement Savings Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering nonunion associates of Host International, Inc. and affiliates (the Company) who are at least 21 years of age. Certain associates under collective bargaining agreements, who work in locations where that location has elected to participate in the Plan, are also eligible. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 75% of their annual compensation. The Company provides matching contributions to eligible participants equal to 100% of the first 3% contributed by participants and 50% of the next 3% contributed by participants.

The Company match is generally posted to participant accounts in March for the previous year.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with participant contributions, allocations of the Company's contribution, Plan earnings or losses, and charges for administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan has 26 investment options in a variety of mutual funds and pooled separate accounts, and participants may direct their contributions in 1% increments in any of the 26 investment options.

Vesting

Participants are immediately vested in their accounts at all times.

Notes Receivable from Participants

Participants may borrow from their fund accounts the lesser of 50% of the vested portion of the participant's account balance, or \$50,000, minus the participant's highest outstanding loan balance from the preceding 12 months.

Notes to the Financial Statements

NOTE 1 DESCRIPTION OF PLAN *(continued)*

Notes Receivable from Participants *(continued)*

The minimum loan amount is \$1,000. Loan terms can range from one to five years or up to 10 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate published on the last business day of the prior quarter plus 100 basis points. Interest rates range from 4.25% to 9.50%. Principal and interest are paid ratably through weekly or biweekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments as determined by the participant, or deferred payments for balances in excess of \$1,000.

Administration

The Retirement Committee of the Plan serves as the named fiduciary of the Plan. Administration of the Plan is under the direction of the Retirement Committee. Day-to-day activities are managed by designated representatives of the Company's Corporate Benefits Department.

Fidelity Retirement Plan Services (FRPS) is the trustee, custodian, and record-keeper for the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets for the reporting period. Actual results could differ from those estimates.

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value; see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a of fair value measurements. Purchases and sales of securities are recorded discussion on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are funded directly from the participant's account balance. Repayments of principal and interest related to the loan are credited to the participant's account on a pro-rata basis, based on their selected investment options.

Excess Contributions Payable

The Plan is required to return contributions received during the Plan year in excess of the defined Internal Revenue Code (IRC) limits.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative and Investment Expenses

To the extent not paid by the Company, certain administrative and investment expenses are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment-related expenses are generally included in net appreciation/(depreciation) of fair value of investments. Expenses relating to managed account investment advice are charged directly to the participant's account and included in administrative expenses. Fees paid to Fidelity related to the recordkeeping and administration of the Plan are included in administrative expenses and are charged to participants with a Plan account balance on a quarterly basis.

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds are traded on an active exchange and are valued at their NAV at the closing of the last trading date at the end of the year.

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 3 FAIR VALUE MEASUREMENTS (continued)

The method described above may produce a fair value calculation that may not indicate net realizable value or reflect the future of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	As of December 31, 2023			
	Level 1	Level 2	Level 3	Total

NOTE 4 GUARANTEED INVESTMENT CONTRACT WITH NEW YORK LIFE

The Plan invests in a principal preservation separate account (PPSA) under a group annuity contract with New York Life Insurance Company (New York Life). The separate account invests in benefit-responsive guaranteed investment contracts (GICs). The portfolio of the separate account is maintained separately from New York Life's general assets. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 4. GUARANTEED INVESTMENT CONTRACT WITH NEW YORK LIFE (continued)

Because the GIC is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. The minimum crediting rate under the contract is based on the investment experience of the pooled separate account and will be at rates declared by New York Life not to be less frequently than annually nor more frequently than daily. In no event, however, will such rate be less than zero.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the PPSA investment contract as of December 31, 2023 and 2022, was \$37,795,890 and \$35,728,638, respectively.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The GIC does not permit the insurance company to terminate the agreement prior to 12 months' advance written notice to the Plan.

The average yields earned by the GIC are as follows:

Average yields:	2023	2022
Based on actual earnings	3.40%	2.90%
Based on interest rates credited to participants	3.40%	2.90%

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 5 RELATED-PARTY TRANSACTIONS

Fidelity Retirement Plan Services is the record-keeper, custodian and trustee of the Plan. Certain Plan investments are shares of mutual and common collective trust funds managed by Fidelity Retirement Plan Services, and therefore, these transactions qualify as permitted party-in-interest transactions. Fees paid by the Plan for administration amounted to \$474,105 for the year ended December 31, 2023. Strategic Advisors, a subsidiary of Fidelity Investments, provides managed account investment services to participants for a fee. Fees paid to Strategic Advisors amounted to \$130,595 for the year ended December 31, 2023. Certain fees paid by the Plan for investment management services are included in net appreciation (depreciation) of assets.

NOTE 6 PLAN TERMINATION

Although it has not expressed any such intent, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts, if not already 100% vested.

NOTE 7 TAX STATUS

The Plan uses a pre-approved plan and trust document through Fidelity Retirement Plan Services. The IRS has determined and informed Fidelity Retirement Plan Services by a letter dated March 30, 2020, that the pre-approved plan and the related trust documents are designed in accordance with applicable sections of the IRC.

The Plan experienced an operational matter relating to contributions to the Plan for the years 2015 through 2023, and effective September 23, 2024, made corrective qualified non-elective contributions in the amount of \$382,007, including market value adjustments. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in material compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

HMSHOST 401(k) RETIREMENT SAVINGS PLAN AND TRUST

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS
