To the 401(k) Plan Management
Sherwood Country Club 401(k) Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Sherwood Country Club 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, and have issued our report thereon dated October 15, 2024. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 18, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We did not identify any significant risks with the exception of management override of controls which is a presumed risk in all audits performed in accordance with Generally Accepted Auditing Standards (GAAS).

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There were no disclosures involving significant judgement noted.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not identify any significant unusual transactions during our audit procedures.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Corrected and Uncorrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. In addition, no material misstatements were detected as a result of audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. We did not identify such circumstances.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 14, 2024.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Very truly yours,

A handwritten signature in cursive script that reads "Petrinovich Pugh & Company, LLP".

INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Management
Sherwood Country Club 401(k) Plan
Thousand Oaks, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sherwood Country Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of Sherwood Country Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established effective November 26, 2007. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: Sherwood Country Club (the Club) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Plan has delegated certain responsibilities for the operation and administration of the Plan to Fidelity Management Trust Company (Fidelity). Certain expenses of the Plan are paid by the Club and are excluded from these financial statements.

Eligibility: Effective January 1, 2022, any employee who has completed three months of service is eligible to participate in the Plan. Prior to January 1, 2022, any employee who had worked at least 1,000 hours during a one-year period from date of employment was eligible to participate in the Plan. The entry date for all types of contributions is the first day of the month after such requirements are satisfied.

Contributions: Pre-tax contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Participants may elect to make a pre-tax or Roth 401(k) contribution up to 75% of their annual compensation up to a maximum of \$22,500 for 2023 and \$20,500 for 2022. The maximum contribution is normally adjusted annually by an inflation index. Effective January 1, 2022, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 4 percent of eligible compensation, unless they affirmatively elect not to participate in the Plan or to contribute at a different rate. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' directives. Eligible participants aged 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution for each year is determined by the Internal Revenue Service and was \$7,500 for 2023 and \$6,500 for 2022.

The Club is required to make safe harbor matching contributions. The safe harbor matching contributions are equal to 100% of the participating employee's salary deferral contribution, but not to exceed 4% of the employee's compensation. Safe harbor matching contributions were made to the Plan in the amount of \$231,494 and \$160,153 in 2023 and 2022, respectively.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited with the participant's contributions, employer's contributions, an allocation of the Plan earnings, and administrative expenses. Allocations of Plan earnings and administrative expenses are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

Vesting: The value of each participant's account is fully vested and non-forfeitable for participant contributions, rollover contributions, and employer safe harbor contributions and the interest and earnings on those dollars. Other employer contributions become vested at a rate of 50% after one year of service, 75% after two years of service, and 100% after three years of service.

Forfeitures: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan or result from violation of the discrimination limit applicable to employer matching contributions. Forfeitures can be applied to reduce employer contributions or pay administrative expenses payable by the Plan. As of December 31, 2023 and 2022 there were forfeitures available of \$619 and \$7,673, respectively. Forfeitures of \$7,784 were applied to employer contributions in 2023. There were no forfeitures applied to administrative expenses in 2023 and 2022.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Club, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." Following termination of employment, if a participant's vested account balance does not exceed \$5,000, a distribution of the participant's vested account balance will be made as soon as administratively feasible following termination, regardless of participant consent. If the automatic distribution is greater than \$1,000, and the participant does not elect to receive or roll over the distribution, the distribution will be automatically rolled over into an IRA. All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA) or the distribution qualifies for special tax treatment.

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balances. Participants may only have one outstanding loan at a time. The loans are secured by the participants' vested balances. The term of the loan shall not exceed five years except in the case of a loan for purchasing the principal residence of the participant in which case the term will be arrived by mutual agreement between the loan administrator and the participant. The interest rate charged will be 2% above the prime rate and will be fixed for the duration of the loan. At December 31, 2023, all existing loans have interest rates that range from 5.25% to 10.50%. Loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. There were no deemed distributions for the years ended December 31, 2023 and 2022.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value. For more information on valuation methods and inputs, please refer to Note F - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's assets are held in a trust administered by Fidelity.

Contributions: Contributions from Plan participants and employer safe harbor contributions are recorded in the year in which the participant contributions are withheld from amounts paid. Discretionary employer matching contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant directed.

Payment of Benefits: Benefits are recorded when paid.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the plan administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balances is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Subsequent Events: ASC 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statements of net assets available for benefits date. The Plan had no significant subsequent events as of October 14, 2024, which is the date the financial statements were available to be issued.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE C - INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service on June 30, 2020, that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2020.

NOTE D - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

In addition, notes receivable from participants are party-in-interest transactions.

NOTE E - PLAN TERMINATION

While the Club has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event of termination, the employees' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE F - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

Stable Value Collective Trust Funds: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	\$ 5,398,339	\$ -	\$ -	\$ 5,398,339
Investments measured at net asset value	-	-	-	5,308
	<u>\$ 5,398,339</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,403,647</u>
	2022			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	\$ 4,100,338	\$ -	\$ -	\$ 4,100,338
Investments measured at net asset value	-	-	-	9,813
	<u>\$ 4,100,338</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,110,151</u>

SHERWOOD COUNTRY CLUB 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 **and 2022**. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 5,308	N/A	Daily	12 months

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 9,813	N/A	Daily	12 months

NOTE G - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

Certain information related to the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, interest income on notes receivable from participants, distributions to participants, and administrative expenses for the year ended December 31, 2023, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity (the Trustee of the Plan).

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
