INDEPENDENT AUDITORS' REPORT

**Plan Administrator
Conklin Cars Salary Reduction Plan and Trust
Hutchinson, Kansas**

We have performed audits of the financial statements of Conklin Cars Salary Reduction Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Conklin Cars Salary Reduction Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Conklin Cars Salary Reduction Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for determining that the accounting principles generally accepted in the United States of America is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Conklin Cars Salary Reduction Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Conklin Cars Salary Reduction Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Conklin Cars Salary Reduction Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONKLIN CARS SALARY REDUCTION PLAN AND TRUST
Hutchinson, Kansas

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements under the accrual method of accounting.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6—Fair Value Measurements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Subsequent Events

Management has evaluated subsequent events through September 27, 2024, the date which the financial statements were available for issue.

NOTE 2—DESCRIPTION OF PLAN

Frazier, Inc. (the Company), sponsors Conklin Cars Salary Reduction Plan and Trust (the Plan). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions:

General

The Plan is a contributory defined contribution plan, which covers substantially all nonunion employees of the Company, provided they meet the prescribed eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

The Plan was amended effective March 10, 2023, lowering the age of eligibility from 21 to 18. Each employee of the Company who has attained age 18 qualifies as a participant on the first day of the calendar quarter of the Plan year in which they have completed one year of eligibility service before his/her entry date and have 1,000 hours of service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution, (b) Plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

The Plan provides for elective employee contributions up to 100% of eligible compensation. The Plan provides for fixed employer matching contributions of 100% of elective deferrals limited to 4% of eligible compensation and a discretionary matching contribution limited to 4% of eligible compensation. Total fixed matching contributions are limited to \$2,500 for each participant. The Plan also provides for a discretionary nonelective employer contribution allocated pro rata as a uniform percentage of participants' compensation.

Investment Options

Participants may direct all contributions to the Plan made by them or on their behalf. Investment options include Mutual Funds, with varying degrees of risk, and a Money Market Fund.

Forfeitures and Forfeited Accounts

Forfeitures occur upon termination of employment of participants who are not fully vested in the Plan. Amounts forfeited are transferred to an investment account, which is included in the Plan assets, and may be used to reduce administrative expenses and the Company's matching contributions made in the following year. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0, for both years. No forfeitures were used to reduce the Company contributions for either 2023 or 2022. Forfeitures of \$9,379 were used to reduce administrative expenses for 2022.

Payment of Benefits

Benefits to be paid under the Plan shall begin on a participant's retirement date, death, disability, or cessation of their active participation in the Plan. Participants whose vested account balances exceed \$5,000 may elect to have their retirement benefits paid out in a lump sum or in installments. For participants whose vested account balances do not exceed \$5,000, benefits are paid in a lump sum as soon as administratively practicable following their separation from service.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTE 3—INCOME TAX STATUS

The Plan was amended and restated effective April 1, 2022. This was done by the adoption of a prototype plan. The Internal Revenue Service has determined by letter dated June 30, 2020, that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 4—INFORMATION CERTIFIED BY CUSTODIAN OF PLAN UNDER SECTION 29 CFR 2520.103-8 OF THE DEPARTMENT OF LABOR'S RULES AND REGULATIONS FOR REPORTING AND DISCLOSURE UNDER THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974

INTRUST Bank, N.A. the custodian of the Plan, holds the Plan's investment assets and executes investment transactions. Financial information relating to those assets is included in the accompanying financial statements based on information provided by the custodian. The Plan administrator has obtained certifications from the custodian, as of and for the years ended December 31, 2023 and 2022, that such information is complete and accurate. That information, which has not been audited by independent accountants, is summarized as follows:

- a. Investment balances and transactions
- b. Investment income (loss)

NOTE 5—RELATED PARTY TRANSACTIONS

The Plan made payments to 1) the trustee, First National Bank of Hutchinson, for trustee services rendered to the Plan for 2023 and 2022, in the amounts of \$24,692 and \$26,403, respectively, and 2) the custodian and record-keeper, INTRUST Bank, N.A., for administrative services rendered to the Plan for 2023 and 2022, in the amounts of \$37,096 and \$40,551, respectively.

Certain significant costs of operating the Plan are absorbed by the Plan sponsor. Expenses absorbed each year vary at the discretion of the Plan sponsor.

NOTE 6—FAIR VALUE MEASUREMENTS

The Plan has determined the fair value of certain assets and liabilities through application of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10. FASB ASC 820-10 defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Plan's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level 1 inputs - are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 inputs - are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs - are unobservable inputs for assets or liabilities.

Level 1 inputs were available, and therefore, used to value all of the Plan's investments. The fair values of the Plan's Money Market Funds and Mutual Funds are based on quoted net asset values of the shares held by the Plan at year end.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Fair value measurements at December 31, 2023, are as follows:		
Cash Equivalent Funds	\$ 53,278	\$ 53,278
Mutual Funds	<u>19,004,666</u>	<u>19,004,666</u>
	<u>\$ 19,057,944</u>	<u>\$ 19,057,944</u>

Fair value measurements at December 31, 2022, are as follows:

Cash Equivalent Funds	\$ 119,481	\$ 119,481
Mutual Funds	<u>15,624,591</u>	<u>15,624,591</u>
	<u>\$ 15,744,072</u>	<u>\$ 15,744,072</u>

During 2023 and 2022, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value \$2,769,368 and \$(6,039,746), respectively.

NOTE 7—RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8—PLAN TERMINATION

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan. In the event of termination or partial termination of the Plan or discontinuance of contributions thereto, the interests of the participants in the Plan shall be fully vested at the time of such termination or discontinuance. The trustee shall continue to administer the funds in the Plan until all obligations of the Plan have been satisfied.
