Independent Auditor's Report

The Retirement Plan Committee and Participants
Colonial Group, Inc. Retirement Savings Plan
Savannah, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Colonial Group, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Colonial Group, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Colonial Group, Inc. originally effective January 1, 1989, and most recently restated June 1, 2022. The Plan covers all employees of Colonial Group, Inc. and certain subsidiary companies: Colonial Oil Industries, Inc., Colonial Terminals, Inc., Colonial Energy, Inc., CTI of North Carolina, Inc., Georgia Kaolin Terminals, Inc., Colonial Fuel and Lubricant Services, Inc., Colonial Chemical Solutions, Inc., Savannah Yacht Center, Enmark Stations, Inc., and Crown Products and Services, Inc. (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Effective December 1, 2022, the Plan was amended to remove age and service requirement for all employees, excluding leased employees, reclassified employees and nonresident aliens. Enrollment is allowed the day entry requirements are met. Prior to the amendment, effective December 1, 2022, eligible employees entered the Plan on the first day of the month following three months of service and attaining age 21.

Contributions

Each year Participants may contribute up to the dollar limitation set forth in Section 402(g) of the Internal Revenue Code (IRC) in effect at the beginning of the Plan year. Participants who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed by the IRC. Contributions to the Plan are made voluntarily by participating employees who elect salary reduction, which is remitted to the Plan by the Company on behalf of the Participants. The Company may elect to contribute to the Plan in the form of matching contributions and profit-sharing contributions.

The Company has elected to operate the Plan under a safe harbor provision whereby Participants in the Plan receive a non-elective matching contribution ("employer safe harbor match") of 100% of the first 3% and 50% of the next 2% of Participant contributions. Additional amounts may be contributed at the option of the Company's board of directors. The Company declared a profit-sharing contribution of \$6,720,447 and \$5,710,282 for the years ending December 31, 2023 and 2022, respectively. The profit-sharing contributions were deposited in 2024 and 2023, respectively.

Participants in the Colonial Group, Inc. Employee Stock Ownership Plan, who are fully vested and attain the age of 55, have the option to diversify up to 100% of the cumulative shares allocated to their accounts in that Plan by reinvesting the proceeds from sale of shares into mutual funds or other diversified investments. During 2023, certain Participants elected this option, and diversification contributions to this Plan of approximately \$13,000 were made and are described as transfers from Colonial Group, Inc. Employee Stock Ownership Plan in the accompanying statement of changes in net assets available for benefits.

Participant Accounts

Earnings from investment funds are allocated on a daily basis to Participants' accounts based on the percentage that each Participant's account balance bears to the total of all account balances. Company profit-sharing contributions, net of forfeitures, are allocated to a Participant's account based on the percentage the Participant's qualified compensation bears to the total qualified compensation of eligible Participants.

Colonial Group, Inc. Retirement Savings Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Participant Accounts (cont.)

Each Participant's account is credited with the Participant's deferral contributions, the Participant's rollover contributions (if any), employer safe harbor matching contributions, Company profit-sharing contributions (if any), and an allocation of earnings and expenses thereon.

Investment Options

Participants are solely responsible for directing their accounts in and among various investment options. Participants may change their investment elections and transfer money between investment options on a daily basis, with contribution elections being made effective the next applicable pay period.

Vesting

Participants are vested immediately in their elective deferrals, catch-up contributions and Company safe harbor contributions plus actual earnings thereon. Participants become fully vested in Company contributions and related earnings after three years of service. A year of service is one in which the Participant worked at least 1,000 hours.

Payment of Benefits

Upon termination of service, Participants are entitled to receive the vested value of their accounts in accordance with the specific provisions of the Plan. The Plan provides for withdrawals by Plan Participants in the event of death, retirement, permanent disability, termination of employment, and other specified circumstances. In addition, the Plan permits a Participant to request a withdrawal for certain conditions of financial hardship.

Notes Receivable from Participants

The Plan permits the Plan administrator to approve loans to Participants in an amount not to exceed 50% of the Participant's vested balance or \$50,000. A Participant may not take more than 5 loans in a rolling 12-month period. Note receivable transactions are treated as transfer between the investment fund(s) and the participant note receivable fund. The notes receivable from the Participants are secured by the balance in the Participant's account and bear a reasonable rate of interest as defined by the Plan. The interest rate for loans is the prime rate plus 1% as of the date of the loan (3.75% to 9.5% at December 31, 2023). Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence, which may have a term not to exceed ten years.

Forfeitures

The Plan allows for forfeited non-vested accounts to be used to reduce future Employer contributions, added to other employer contributions, or reallocated, as elected by the Company. Forfeited non-vested accounts may also be used to pay allowable Plan administrative expenses. During the year ended December 31, 2023, the Employer utilized total forfeitures of \$245,806 to reduce Employer contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$784,656 and \$309,596, respectively.

Colonial Group, Inc. Retirement Savings Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan agreement. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan Participants.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan Participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a Participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Colonial Group, Inc. Retirement Savings Plan

Notes to Financial Statements

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, (collectively Principal) has provided certifications that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurement

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are as follows:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Valued at the quoted market prices of shares held by the Plan at year-end. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2023 and 2022. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

Pooled Separate Accounts - The fair value of the pooled separate account is based on the NAV of each account calculated by New York Life Insurance Company, and is based on the NAV of the underlying investments. The NAV is used as a practical expedient to estimate fair value. The pooled separate account is a direct filing entity (DFE).

Colonial Group, Inc. Retirement Savings Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 116,762,250	\$ -	\$ -	\$ 116,762,250
Pooled separate accounts measured				12,362,947
Total investments at fair value				\$ 129,125,197
<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 92,294,529	\$ -	\$ -	\$ 92,294,572
Pooled separate accounts measured at				16,454,697
Total investments at fair value				\$ 108,749,269

*In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

5. Tax Status

The Plan is based on the Non-Standardized Pre-Approve Profit Sharing Plan with CODA (Pre-Approved Plan) of Principal Life Insurance Company, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or assets) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest Transactions

These transactions qualify as party-in-interest transactions. Usual and customary fees were paid for investment management services. Notes receivable from Participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

Colonial Group, Inc. Retirement Savings Plan

Notes to Financial Statements

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, Participants would become 100% vested in their Company contributions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

9. Subsequent Events

Management has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued.

Effective March 1, 2024, the Plan was formally amended for the merger of the Colonial Group, Inc. Employee Stock Ownership Plan (ESOP) into existing plan assets. The total value of \$40,105,632 was transferred with effective dates of March 1, 2024, and March 4, 2024.

In addition, effective March 1, 2024, the Plan was amended to include a new participating employer that was acquired.
