INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Propel HR 401(k) Plan

Opinion

We have audited the accompanying financial statements of Propel HR 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Propel HR 401(k) Plan as of December 31, 2023, and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Propel HR 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Propel HR 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will

always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Propel HR 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Propel HR 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Assets (Held at Year End) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROPEL HR 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of *Propel HR 401(k) Plan* (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan in which all eligible employees may participate unless covered by a collective bargaining agreement. The Plan was established and in effect as of October 1, 1996 and adopted the Slavic Integrated Administration Multiple Employer Plan (Slavic Multiple Employer Plan). The Plan is subject to certain requirements imposed by the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Fiduciary Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustees.

Eligibility

The Plan covers all employees, as defined in the Plan, of the adopting employers (the "Employers") who have completed the age and service requirements selected by the Employers in the Adoption Agreement. New Employers entering the Plan may initially waive the eligibility requirements for employees employed by the Employers as of the date entering the Plan. Participation occurs after completing each Employers' age and service requirements.

Contributions

Each year, participants may elect to contribute from 1% to 100% of either their pre-tax compensation, after-tax compensation (Roth contribution), or any combination thereof as defined in the Plan, subject to certain Internal Revenue Code limitations. The percentage of contribution may be changed as of any subsequent Plan entry date. Any such change will apply only after its effective date, and after it is executed and filed with the plan administrator. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may direct the investment of their contributions into various investment options offered by the Plan and may change their fund allocation percentages at any time.

Each year the Employers may make a matching contribution to be determined annually based on a percentage of each participant's eligible compensation for the year. The Employers will determine the amount of the discretionary contributions, if any, they will make each Plan year. Employers can also elect to make a 401(k) safe harbor plan design contribution which aids the companies in passing discrimination testing required by ERISA. Under safe harbor election, the Employer chooses between a fully vested contribution of 3% of compensation to all employees eligible to be in the Plan, or a fully vested contribution equal to the first 4% of compensation each participant contributes to the Plan. The Employers' matching contributions were \$2,662,685 for the year ended December 31, 2023, of which \$4,432 was unpaid at December 31, 2023. In addition, discretionary employer-provided non-elective (profit-sharing) contributions may also be made to the Plan. Allocation of these contributions to participants will be made in accordance with the formula selected by the Employers, as defined in the Plan. The Employers' discretionary profit-sharing contributions for the year ended December 31, 2023 were \$160,090, of which \$30,195 was unpaid as of December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and, if applicable, the employer-provided matching contributions, allocations of employer-provided non-elective (profit sharing) contributions, Plan earnings, and charged with management or service fees.

PROPEL HR 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service, based upon a graduating schedule. A participant is vested 20% after two years and 20% for each additional year of service. Each employer may elect to accelerate the vesting parameters. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the 12 months beginning on the day they start to work for their employer. If they do not, they must complete at least 1,000 hours of servicing any Plan year. They complete a year of service only upon working for a full 12 months, regardless of when during the applicable 12-month period they complete 1,000 hours of service.

Investment Options

Participants have the right to direct employer and employee contributions to any of the investment options offered by the Plan. The investment options are registered investment companies and include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Notes Receivable from Participants

A participant may borrow from the Plan through a loan from their account. Loans will be made on a uniform and non-discriminatory basis. The minimum total loan amount is \$1,000 up to a maximum of 50% of the participant's vested account balance. In no event can the participant borrow more than \$50,000, reduced by the excess, if any, of (1) the highest outstanding balance of any other loans from the Plan during the one-year period prior to the date of the new loan, over (2) the aggregate outstanding balance of any other loans from the Plan on the date of the new loan, or 50% of their vested account balance. Loan terms range from one to five years unless the purpose of the loan is to purchase a primary residence. Participants can only have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, death, disability or termination of employment with the Employers, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59 ½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant retires from the employment of the participant's employer, the participant shall continue to be treated in all respects as a participant.

Hardship Withdrawals

Participants may withdraw from the Plan part or all of the participant's contributions in the event of undue financial hardship. The maximum hardship withdrawal is the total of a participant's 100% vested balance. The Trustees shall determine what portion of the

PROPEL HR 401(k) PLAN

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

account balance is necessary to alleviate the hardship. A financial hardship must be one of the reasons specified below:

1. Medical expense incurred by the participant, the participant's spouse, or any dependents of the participant;
2. The purchase (excluding mortgage payments) of a principal residence of a participant;
3. Certain educational expenses for the participant, his or her spouse, or dependents of the participant;
4. The need to prevent the eviction of the participant from his or her principal residence or foreclosure on the mortgage of his or her principal residence; or
5. Other events as may be prescribed by the Internal Revenue Service Commissioner in revenue rulings, notices, and other documents of general applicability.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their employer account will forfeit the non-vested portion. Forfeitures are retained in the Plan and used to offset future expenses and employer contributions. For the plan year ended December 31, 2023, forfeitures of \$23,917 were used to offset expenses. For the years ended December 31, 2023 and 2022, the balance in the forfeiture account totaled \$59,011 and \$98,905 respectively.

Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Tax Status

The Plan has adopted a volume submitter plan document whose sponsor has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the volume submitter plan document was designed in accordance with the applicable sections of the IRC. Although the Plan and the volume submitter plan document have been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

PROPEL HR 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The previous three Plan Years are subject to income tax examinations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan follows the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments in shares of registered investment companies are reflected in the financial statements at fair value, using quoted market prices. Unrealized gains or losses, as a result of changes in fair value, are recorded in income of the current period.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on their ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the Plan year to the end of the Plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for plan benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Transfers of Plan Assets

During the year ended December 31, 2023, there were transfers into the Plan of \$8,603,120, and transfers out of the Plan of \$4,437,953.

Administrative Expenses

Certain administrative expenses are paid by the plan sponsor. Management fees, asset fees, and account administrative expenses are paid by the participants.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

PROPEL HR 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market fund: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 40,950,505	\$ -0-	\$ -0-	\$ 40,950,505

NOTE 4 – RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

Slavic Mutual Funds Management Corporation ("SMF") is an investment advisor to the Plan. Participants, if they elect this service, are charged a quarterly management fee. Total fees paid to SMF for the year ended December 31, 2023 were \$11,317.

Slavic Integrated Administration ("SIA"), the Plan's third-party administrator, receives annual administrative and asset fees per participant. Total fees paid to SIA for the year ended December 31, 2023 were \$249,533.

Slavic Investment Corporation ("SIC"), an SEC registered securities broker/dealer, collects from mutual fund companies, any 12b-1 commissions and SubTa and SSF recording fees paid by the funds held in Plan accounts, and credits them on a quarterly basis directly to participant accounts holding those funds. Only participants actually holding the funds at the crediting date receive a proration of this fund revenue; those trading out of the funds at the crediting date receive a proration of this fund revenue; those trading out of the funds before that date are not credited any prorated 12b-1 and SubTa and SSF payments.

The shareholders of SMF and SIA are the same.

Jason F. Clausen, P.C. is the auditing firm for the plan. Fees paid for the audit were paid by the plan sponsor.

NOTE 5 – FIDELITY BOND

As of December 31, 2023, the plan was covered by a fidelity bond in the amount of \$500,000.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for plan benefits.

NOTE 7 – CONCENTRATION OF CREDIT RISK

As of December 31, 2023 there are two Vanguard investments that exceed 10% of the net assets available for plan benefits, Total Stock Market Index Fund, 14%, and Target Retirement 2030 Fund, 14%.

NOTE 7 – SUBSEQUENT EVENTS

The Plan management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.
