October 14, 2024

To the 401(k) Plan Administrative Committee  
The Inside Source, Inc. 401(k) Profit Sharing Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of The Inside Source, Inc. 401(k) Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2023, and have issued our report thereon dated October 14, 2024. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated July 21, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of the modified cash basis of accounting. Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

## **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

## **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

## **Significant Risks Identified**

We did not identify any significant risks with the exception of management override of controls which is a presumed risk in all audits performed in accordance with Generally Accepted Auditing Standards (GAAS).

## **Qualitative Aspects of the Plan's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates and Related Disclosures*

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There were no disclosures involving significant judgement noted.

## **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not identify any significant unusual transactions during our audit procedures.

### **Form 5500 Procedures**

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. In addition, no material misstatements were detected as a result of audit procedures.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Circumstances that Affect the Form and Content of the Auditor's Report**

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. We did not identify such circumstances.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated October 14, 2024.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

### **Other Matters**

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Very truly yours,

A handwritten signature in cursive script that reads "Petrinovich Pugh & Company, LLP".

## **INDEPENDENT AUDITORS' REPORT**

To the 401(k) Plan Administrative Committee  
The Inside Source, Inc. 401(k) Profit Sharing Plan  
San Carlos, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C)**

We have performed audits of the accompanying financial statements of The Inside Source, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### **Auditors' Responsibilities for the Audit of the Financial Statements (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**Supplemental Schedule Required by ERISA (continued)**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

### NOTE A - DESCRIPTION OF THE PLAN

The following description of The Inside Source, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document, adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was originally established effective January 1, 1997. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: The Inside Source, Inc., (the Company) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Company has delegated certain responsibilities for the operations and administration of the Plan, and custodianship of the Plan assets to Fidelity Management Trust Company (Fidelity). Administrative costs paid directly by the Plan were \$107,084 for the year ended December 31, 2023.

Eligibility: Employees who are 21 years of age or older are eligible to participate in the Plan. Employees enter into the Plan on the first day of each calendar month of the Plan year, coincident with or next following satisfaction of the eligibility requirements. Excluded employees include residents of Puerto Rico, employees covered by a collective bargaining agreement, non-resident aliens and certain temporary and intern employees.

Participants are enrolled in the non-elective safe harbor employer contribution and the discretionary employer profit-sharing contribution when eligibility requirements have been met. Additionally, to receive discretionary employer matching and profit-sharing contributions, employees must also complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year.

Contributions: Pretax contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Participants may elect to contribute on a pretax or Roth basis annually up to 100% of their annual compensation on a pretax basis up to a maximum of \$22,500 for 2023 and \$20,500 for 2022. The maximum contribution is normally adjusted annually by an inflation index. Eligible participants age 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution for each year is determined by the Internal Revenue Service. The maximum catch-up contributions were \$7,500 for 2023 and \$6,500 for 2022. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' directives.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

#### NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued): The Company makes non-elective safe harbor contributions equal to 3% of eligible wages to all participants automatically once eligibility requirements have been met. The non-elective safe harbor contributions exclude compensation, commission, overtime pay, differential wages, and bonuses in excess of \$100,000 for account managers, sales associates, and commissioned sales employees. Non-elective safe harbor contributions are funded by the Company to all eligible participants and are required to be funded within twelve months after the end of the Plan year. For the year ended December 31, 2022, the Company elected to suspend the non-elective safe harbor contributions. A supplemental notice was provided to eligible employees in December 2020 before the effective date of the suspension of benefits. Effective January 1, 2023, the Plan removed the suspension of the employer safe harbor contribution and increased the contribution to an amount equal to 100% of the first 4% of participant deferrals. During 2023, the Company made non-elective safe harbor contributions totaling \$17,975. In January 2024, the Company made non-elective safe harbor contributions totaling \$974,048 for the 2023 Plan year.

The Plan also allows for discretionary employer matching and profit-sharing contributions. Any discretionary profit-sharing contributions are contributed after the calendar year end, to participants who have fulfilled 1,000 work hours during the Plan year and were employed as of December 31 of the Plan year. During 2023, the Company funded discretionary employer matching contributions totaling \$758,831 to eligible participants for the plan year ended December 31, 2022. During 2023, the Company made qualified non-elective contributions in the amount of \$11,077 to certain employees to satisfy IRS nondiscrimination testing requirements relating to the 2022 Plan year.

Participant Accounts: Each participant's account is credited with employer safe harbor contributions, profit sharing contributions and, if applicable, the participants' contribution, and an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

Vesting: The value of each participant's account is fully vested and non-forfeitable at all times for salary deferrals, employer non-elective safe harbor contributions and rollover contributions, as well as the interest earned on those funds. The value of the employer discretionary matching and profit-sharing contributions, if any, vest at a rate of 40% after the first year of service, and 70% after two years of service and are 100% vested after three years of service.

Forfeitures: Forfeitures are created when participants terminate employment before they become 100% vested. Forfeitures can be applied to reduce employer contributions, non-elective safe harbor contributions, or to pay administrative expenses payable under the Plan. During 2023, no forfeitures were used. Forfeited unapplied non-vested accounts totaled \$16,616 and \$4,131 as of December 31, 2023 and 2022, respectively.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

### NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Company, retirement, total disability, death, or employee's reaching age 59-1/2. The Plan allows for in-service distributions of rollover contributions at any time. The Plan allows distributions for qualified financial hardship. All pretax distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA) or the distribution qualifies for special tax treatment.

Notes Receivable from Participants: A participant may borrow an amount not to exceed the lesser of \$50,000 (reduced by the highest outstanding loan balance incurred in the previous one-year period) or one-half the vested interest in the participant's account. The minimum loan amount is \$1,000. The term of the loan shall not exceed five years except in the case of a loan for purchasing the principal residence of the participant, in which case the term of a loan may not exceed 30 years. A participant may not have more than two loans outstanding at any one time.

Repayment of loans is accomplished through payroll deductions of both principal and interest. The interest rate is based upon a rate reasonable at the time of application, considering the purpose of the loan, credit worthiness and terms of the loan, and the rate being charged by representative commercial banks in the local area for a similar loan. All existing loans at December 31, 2023 have an interest rate ranging from 5.25% to 10.50%. Loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable. There were deemed distributions of \$12,165 during the year ended December 31, 2023.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, investments are recorded at fair value, contributions are recorded when received, benefits and expenses are recorded when paid, and interest income related to notes receivable from participants is recorded when received.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. Non-elective safe harbor and discretionary employer matching contributions are recognized in the year when remitted to the Plan. All participant and employer contributions are participant directed.

Payment of Benefits: Benefits are recorded when paid.

## THE INSIDE SOURCE, INC. 401(K) PROFIT SHARING PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and expensed when paid. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Investment Valuation and Income Recognition: Investments are stated at fair value. For more information on valuation methods and inputs, please refer to Note F - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's investments are held in a trust administered by Fidelity.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events: Accounting Standards Codification (ASC) 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. Except as disclosed in Note A, there were no other subsequent events as of October 14, 2024, which is the date the financial statements were available to be issued.

#### NOTE C - INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service on June 30, 2020 that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The Plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2020.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

### NOTE D - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in money market accounts and mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan. Wellspring Financial Partners (Wellspring) is the Plan's investment advisor. Transactions with these parties qualify as party-in-interest transactions, as defined by ERISA. The Plan paid administrative fees of \$40,686 to Fidelity and \$66,398 to Wellspring in 2023.

In addition, notes receivable from participants are party-in-interest transactions.

### NOTE E - PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event of termination, the employees' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

### NOTE F - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

### NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Interest-bearing Cash: Valued at the daily closing price.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

**NOTE G - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN**

Certain information related to the accompanying financial statements and supplemental schedule , including investments and notes receivable from participants held at fair value at December 31, 2023 and 2022, and net appreciation in value of investments, interest and dividend income, contributions, distributions, and administrative expenses for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity (the Trustee of the Plan).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
