RSA Retirement Plan Committee
RSA Security 401(k) Plan
Burlington, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RSA Security 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

RSA Retirement Plan Committee
RSA Security 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RSA Retirement Plan Committee
RSA Security 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSA SECURITY 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of RSA Security 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan’s provisions.

General

The Plan was established effective January 1, 2022 as a result of a spin-off of two participating employers from Dell, Inc. 401(k) Plan. The Plan is a defined contribution 401(k) plan initially covering all eligible employees of RSA Security LLC (“Plan Sponsor”) and RSA Federal LLC, as well as, effective June 15, 2023, four more related employers: Archer Technologies LLC, NetWitness LLC, Outseer LLC, and SecurID LLC (collectively, the “participating employers”). Eligible employees are defined as all full-time employees except residents of Puerto Rico, individuals covered by a collective bargaining agreement (unless the agreement provides for Plan participation), leased employees, or nonresident aliens with no income from a U.S. source. There are no age or service eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is intended to qualify as a participant-directed plan under Section 404(c) of ERISA.

Contributions

Each participant may elect to contribute, on a taxable Roth, or a tax-deferred basis, a percentage of their eligible compensation, as defined, each payroll period. Prior to June 1, 2023, the participating employers made safe-harbor non-discretionary matching contributions equal to 100% of the participant contributions subject to a maximum of the lesser of 6% of the participant’s eligible compensation that is deferred to the Plan or \$7,500, subject to Internal Revenue Code (“IRC”) rules and limitations. Effective June 1, 2023, the Plan has been amended to change employer contributions from non-discretionary matching contributions to discretionary matching contributions. During the period from June 1, 2023 through December 31, 2023, the participating employers continued to match up to a maximum of the lesser of 6% of the participant’s eligible compensation or \$7,500. The limit for employee contributions was \$22,500 for 2023, plus additional \$7,500 “catch-up” contributions for participants who have attained age 50 before the end of the Plan year.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's and employer contributions and an allocation of Plan investment earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary employee contributions, employer contributions, and earnings thereon.

Investment Options

All investments are participant directed. Upon enrollment in the Plan, a participant may direct their account balances among any of the Plan's investment options offered by the Plan, including registered investment companies, money market funds, and common collective trust funds.

Plan Trustee

Plan assets were held in the custody of Fidelity Management Trust Company ("Fidelity") (the "Plan Trustee") at December 31, 2023 and 2022 (see Note 4).

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period or 50% of their account balance. Loan transactions are treated as a transfer between the investment fund(s) and the participant loan funds. Loan terms range from 1-5 years, except the loan term can be up to 10 years if it is for the purchase of a principal residence. A participant may have no more than two loans outstanding during the Plan year. Principal and interest are repaid through payroll deduction.

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest.

Payment of Benefits

Upon termination of employment, disability, retirement at age 65, or attainment of age 59 ½, a participant may elect a lump sum distribution of his/her vested account. Upon death, the participant's beneficiary may also make a withdrawal in lump-sum or installment method. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan but were not paid as of December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with U.S. GAAP.

Estimates

The preparation of financial statements in conformity with U.S. GAAP and with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

As of December 31, 2023 and 2022, the Plan's funds were invested in money market funds, registered investment companies, and common collective trust funds. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Registered investment companies and money market funds are valued at the reported net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets owned less any fund liabilities.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits as a net change in fair value of investments.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan uses NAV per unit to value the common collective trust funds (see Note 3). The NAV, as provided by the Plan Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds, less its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Trustee.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and due to market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Administrative expenses of the Plan, including compensation for the Plan Trustee, consultants, and legal counsel, may be paid by the Plan Sponsor. Commissions and other investment-related expenses are netted against the net change in fair value of investments.

Subsequent Events

In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition through October 15, 2024, the date the financial statements were available to be issued.

Effective January 1, 2024, Archer Technologies LLC has been separated from the Plan because of its acquisition by another company.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value in accordance with authoritative accounting literature. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 6,443,869	\$ -	\$ -	\$ 6,443,869

The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)**Investments Measured Using the NAV per Share Practical Expedient**

The following table summarizes the investments in common collective trust funds, for which fair value is measured using the NAV per share practical expedient as of December 31, 2023:

The following table summarizes the investments in common collective trust funds, for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period	Other Redemption Restrictions
Equity funds	\$ 48,516,965	None	Daily	None	None
Bond funds	4,436,798	None	Daily	None	None
Blended funds	2,088,902	None	Daily	None	None
	<u>\$ 55,042,665</u>				

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Trustee holds the Plan's investments and executes all investment transactions. All investment and participant notes receivable information disclosed in the financial statements and accompanying supplemental schedule, including investments and participant notes receivable held at December 31, 2023 and 2022, net change in fair value of investments, interest on participant notes, and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Trustee.

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee and the recordkeeper, as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for recordkeeping services approximated \$120,000 for the year ended December 31, 2023.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue all contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - INCOME TAX STATUS

The Plan administrator and the Plan's tax counsel believe that the Plan is a qualified trust under Section 401(a) of the IRC and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for officers or highly compensated employees. The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by FMR, LLC (the "Prototype Plan"). The Prototype Plan received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated the Prototype Plan as then designed, qualified under Section 401 of the IRC. The Plan administrator and the Plan's tax counsel also believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

RSA Security 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RSA Security 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

RSA Retirement Plan Committee
RSA Security 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RSA Retirement Plan Committee
RSA Security 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of RSA Security 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan’s provisions.

General

The Plan was established effective January 1, 2022 as a result of a spin-off of two participating employers from Dell, Inc. 401(k) Plan. The Plan is a defined contribution 401(k) plan initially covering all eligible employees of RSA Security LLC (“Plan Sponsor”) and RSA Federal LLC, as well as, effective June 15, 2023, four more related employers: Archer Technologies LLC, NetWitness LLC, Outseer LLC, and SecurID LLC (collectively, the “participating employers”). Eligible employees are defined as all full-time employees except residents of Puerto Rico, individuals covered by a collective bargaining agreement (unless the agreement provides for Plan participation), leased employees, or nonresident aliens with no income from a U.S. source. There are no age or service eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is intended to qualify as a participant-directed plan under Section 404(c) of ERISA.

Contributions

Each participant may elect to contribute, on a taxable Roth, or a tax-deferred basis, a percentage of their eligible compensation, as defined, each payroll period. Prior to June 1, 2023, the participating employers made safe-harbor non-discretionary matching contributions equal to 100% of the participant contributions subject to a maximum of the lesser of 6% of the participant’s eligible compensation that is deferred to the Plan or \$7,500, subject to Internal Revenue Code (“IRC”) rules and limitations. Effective June 1, 2023, the Plan has been amended to change employer contributions from non-discretionary matching contributions to discretionary matching contributions. During the period from June 1, 2023 through December 31, 2023, the participating employers continued to match up to a maximum of the lesser of 6% of the participant’s eligible compensation or \$7,500. The limit for employee contributions was \$22,500 for 2023, plus additional \$7,500 “catch-up” contributions for participants who have attained age 50 before the end of the Plan year.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's and employer contributions and an allocation of Plan investment earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary employee contributions, employer contributions, and earnings thereon.

Investment Options

All investments are participant directed. Upon enrollment in the Plan, a participant may direct their account balances among any of the Plan's investment options offered by the Plan, including registered investment companies, money market funds, and common collective trust funds.

Plan Trustee

Plan assets were held in the custody of Fidelity Management Trust Company ("Fidelity") (the "Plan Trustee") at December 31, 2023 and 2022 (see Note 4).

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period or 50% of their account balance. Loan transactions are treated as a transfer between the investment fund(s) and the participant loan funds. Loan terms range from 1-5 years, except the loan term can be up to 10 years if it is for the purchase of a principal residence. A participant may have no more than two loans outstanding during the Plan year. Principal and interest are repaid through payroll deduction.

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest.

Payment of Benefits

Upon termination of employment, disability, retirement at age 65, or attainment of age 59 ½, a participant may elect a lump sum distribution of his/her vested account. Upon death, the participant's beneficiary may also make a withdrawal in lump-sum or installment method. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan but were not paid as of December 31, 2023 and 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with U.S. GAAP.

Estimates

The preparation of financial statements in conformity with U.S. GAAP and with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

As of December 31, 2023 and 2022, the Plan's funds were invested in money market funds, registered investment companies, and common collective trust funds. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Registered investment companies and money market funds are valued at the reported net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets owned less any fund liabilities.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits as a net change in fair value of investments.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan uses NAV per unit to value the common collective trust funds (see Note 3). The NAV, as provided by the Plan Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds, less its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Trustee.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and due to market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Administrative expenses of the Plan, including compensation for the Plan Trustee, consultants, and legal counsel, may be paid by the Plan Sponsor. Commissions and other investment-related expenses are netted against the net change in fair value of investments.

Subsequent Events

In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition through October 15, 2024, the date the financial statements were available to be issued.

Effective January 1, 2024, Archer Technologies LLC has been separated from the Plan because of its acquisition by another company.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value in accordance with authoritative accounting literature. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 6,443,869	\$ -	\$ -	\$ 6,443,869

- (a) Certain investments that were measured using the NAV per share practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)**Investments Measured Using the NAV per Share Practical Expedient**

The following table summarizes the investments in common collective trust funds, for which fair value is measured using the NAV per share practical expedient as of December 31, 2023:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period	Other Redemption Restrictions
Equity funds	\$ 60,997,375	None	Daily	None	None
Bond funds	4,127,225	None	Daily	None	None
Blended funds	1,147,090	None	Daily	None	None
	<u>\$ 66,271,690</u>				

The following table summarizes the investments in common collective trust funds, for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period	Other Redemption Restrictions
Equity funds	\$ 48,516,965	None	Daily	None	None
Bond funds	4,436,798	None	Daily	None	None
Blended funds	2,088,902	None	Daily	None	None
	<u>\$ 55,042,665</u>				

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Trustee holds the Plan's investments and executes all investment transactions. All investment and participant notes receivable information disclosed in the financial statements and accompanying supplemental schedule, including investments and participant notes receivable held at December 31, 2023 and 2022, net change in fair value of investments, interest on participant notes, and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Trustee.

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee and the recordkeeper, as defined by the Plan and, therefore, those transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for recordkeeping services approximated \$120,000 for the year ended December 31, 2023.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue all contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - INCOME TAX STATUS

The Plan administrator and the Plan's tax counsel believe that the Plan is a qualified trust under Section 401(a) of the IRC and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for officers or highly compensated employees. The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by FMR, LLC (the "Prototype Plan"). The Prototype Plan received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated the Prototype Plan as then designed, qualified under Section 401 of the IRC. The Plan administrator and the Plan's tax counsel also believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC.
