INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees of
Coastal Farm & Home Supply, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Coastal Farm & Home Supply, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Coastal Farm & Home Supply, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Farm & Home Supply, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Farm & Home Supply, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements for the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coastal Farm & Home Supply, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Farm & Home Supply, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Coastal Farm & Home Supply, LLC 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated January 23, 2024, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Coastal Farm & Home Supply, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Coastal Farm & Home Supply, LLC (“Sponsor”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General - The Plan is a defined contribution plan that was established October 1, 1992 for the benefit of employees of Coastal Farm & Home Supply, LLC. The Plan allows for all employees who have completed six months of service to be eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions - Participants may make voluntary tax-deferred or Roth contributions to the Plan through payroll deductions of up to 100% of annual compensation subject to Internal Revenue Service maximum limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan’s provisions permit employer matching contributions to the Plan at the discretion of the sponsor.

3. Participant accounts - Participants are allowed to direct how all contributions (including rollover contributions) will be invested. The Plan provides various investment options that offer a diversity of investment risk and return. Each participant’s account is credited with any contributions made to the account and increases or decreases in the market value of investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants are 100% vested in their contributions and 100% vested in employer matching contributions after 2 years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 or more	100%

4. Forfeitures - At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$20,611 and \$12,803 respectively. These amounts may be used for payment of plan administration expenses and then any remaining forfeitures may be allocated to the plan participants.

5. Payment of benefits - Upon termination of service, death, disability, or retirement, a participant may elect to receive a distribution of their vested account balance in the form of a lump-sum payment, a direct rollover to a traditional individual retirement account (IRA), partial withdrawal or in installments. In the event a participant’s vested account balance is less than \$5,000, the balance will be paid in a lump-sum distribution as soon as administratively feasible upon termination of employment. The Plan also provides for hardship withdrawals in accordance with provisions specified in the Plan document.

NOTE A – DESCRIPTION OF PLAN – CONTINUED

6. Administration of the Plan – The Plan is administered by the Sponsor in the form of a trustee committee consisting of management personnel. Standard Insurance Company holds and invests Plan assets in accordance with directions from the participant. Records of participant account activity are processed and maintained by Standard Insurance Company which also performs other administrative support services for the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Substantially all fees and expenses incurred for administration of the Plan are paid by the Plan sponsor or forfeited funds.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Subsequent events

The Plan has evaluated subsequent events that occurred after the balance sheet date through August 22, 2024, the date its financial statements were available to be issued and concluded there were no other events or transactions occurring during this period that required recognition or disclosure in the financial statements.

NOTE C – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by Standard Insurance Company, the custodian of the plan. Sponsor contributions are held and managed by the custodian, which invests cash received, interest, and dividend income and makes distributions to participants.

NOTE D – INFORMATION CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	December 31,	
	2023	2022
Investments:		
Investments at fair value	\$ 10,264,142	\$ 10,618,285
Investments at contract value	748,865	816,969
Investment income:		
Net appreciation in fair value of investments	1,805,396	
Interest and dividends	23,415	

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invested in a Stable Asset Fund which is provided under a group annuity contract issued by Standard Insurance Company. Such contract is a traditional investment contract (guaranteed investment contract), and it does not have maturity date. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. The crediting rate is based on a formula established by the contract issue but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The balance in the Stable Asset Fund at December 31, 2023 and 2022 is \$748,865 and \$816,969, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

This fund is part of the general assets of Standard Insurance Company (its general account). The Plan does not own any underlying securities of Standard Insurance Company's general account. The Plan has guaranteed benefits under the terms of the contract. The contract value of the Plan assets invested in the Stable Asset Fund is reflected on the employer level fund statement. The contract value equals deposits made to the Stable Asset Fund, plus interest credited under the terms of the contract, less any withdrawals.

Standard Insurance Company considers the Stable Asset Fund to be a benefit-responsive fund. Under the terms of the contract, participants are generally permitted to make benefit distributions and transfers from the Stable Asset Fund to noncompeting funds at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plans' failure to qualify under Section 401(a) of the Internal Revenue Code (the "IRC") or the failure of the trust to be tax-exempt under Section 401(a) of the IRC.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

Coastal Farm & Home Supply, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE F – PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE G – PLAN MERGER

The Sponsor intends to merge the Plan in 2025 with another plan.

NOTE H – TAX STATUS

The Plan obtained its most recent determination letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable IRS requirements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2023	2022

Net assets available for benefits per schedule H of the Form 5500	<u>\$ 11,013,007</u>	<u>\$ 11,435,254</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 – CONTINUED

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2023, to Schedule H of Form 5500:

Benefits paid to participants per the financial statements	<u>\$ 3,598,785</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 3,598,785</u>

Amounts allocated to withdrawing participants are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued at the daily quoted net asset value (NAV) per unit as determined by the fund's audited financial statements. The NAV is used as a practical expedient to estimate fair value and is based on underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.
