Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of MBCI Tribal Government Enterprise 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

Mississippi Band of Choctaw Indians
Tribal Government Enterprise 401(k) Plan (continued)

Opinion (continued)

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, which includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstance. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

The Investment Committee
Mississippi Band of Choctaw Indians
Tribal Government Enterprise 401(k) Plan (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Item 4(a) - schedules of delinquent participant contributions and Schedule H, Item 4(i) - schedule of assets (held at end of year), as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Investment Committee
Mississippi Band of Choctaw Indians
Tribal Government Enterprise 401(k) Plan (continued)

Other Matter - Supplemental Schedules Required by ERISA (continued)

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MISSISSIPPI BAND OF CHOCTAW INDIANS
TRIBAL GOVERNMENT ENTERPRISE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of MBCI Tribal Government Enterprise 401(k) Plan (the "Plan"), sponsored by the Mississippi Band of Choctaw Indians ("MBCI"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the MBCI Tribal Government Enterprise Division. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Tribal Government Enterprises included in the Plan are as follows: Choctaw Resort Development Enterprise, Choctaw Residential Center Enterprise, Chahta Enterprise and Choctaw Shopping Center Enterprise.

The Plan's Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

MBCI is one of three federally recognized tribes of Choctaw Native Americans, and the only one in the state of Mississippi. The Plan began operations effective January 1, 1997.

Contributions

Participants may contribute from 1% to 25% of eligible compensation, limited to \$22,500 and \$20,500 for 2023 and 2022, respectively, as adjusted annually by the Secretary of the Treasury. Participants who have attained age fifty (50) and older can elect to make additional catch-up deferrals (limited to \$7,500 and \$6,500 for 2023 and 2022, respectively). MBCI may, in its sole discretion, make discretionary contributions to the Plan each year.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of MBCI's contributions, if applicable, and the Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Participants direct the investment of their contributions and any employer contributions into the various investment options offered by the Plan consisting of various mutual funds or a stable value fund.

MISSISSIPPI BAND OF CHOCTAW INDIANS
TRIBAL GOVERNMENT ENTERPRISE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is 100% vested after five years of credited service.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The only available sources for participant loans are employee elective contributions and rollovers. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested account balance in a lump-sum amount, annual installments or a combination of single sums of not less than \$100 per distribution. As of December 31, 2023 and 2022, there were no undistributed benefits as requested by participants that had not been paid.

Forfeited Accounts

Forfeited non-vested accounts totaled \$269,971 and \$216,571 as of December 31, 2023 and 2022, respectively. Forfeitures are used to offset the Plan's administrative expenses and then to reduce employer contributions.

Administrative Expense

During 2023 and 2022, service and investment fees were absorbed by the Plan. All other administrative expenses were absorbed by MBCI.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America in that certain revenues and related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the fair market value measurement of investments will change within the next year.

Employee and Employer Contributions

Employee and employer contributions are recognized as additions to net assets when received.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts which are reported at contract value. Contract value is the relevant measurement for that portion of the net assets available for benefits - modified cash basis of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income, when present, are recorded on the accrual basis. Any dividends received from the underlying funds are reinvested on behalf of the Plan. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MISSISSIPPI BAND OF CHOCTAW INDIANS
TRIBAL GOVERNMENT ENTERPRISE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid balance plus any accrued interest. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan document.

No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment Benefits

Benefits are recorded when paid.

Administrative Expense

The Plan's administrative expenses consist principally of investment management fees and professional fees.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events were evaluated by the Plan through October 9, 2024, which is the date the financial statements were available to be issued.

NOTE 3 • FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan could access.

MISSISSIPPI BAND OF CHOCTAW INDIANS
TRIBAL GOVERNMENT ENTERPRISE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

NOTE 3 • FAIR VALUE MEASUREMENTS (continued)

- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at fair value, determined by multiplying the number of shares of the respective underlying fund by the closing net asset value per share quoted by that fund.

There were no Level 3 investments as of December 31, 2023 or 2022.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

NOTE 3 • FAIR VALUE MEASUREMENTS (continued)

The fair value of the Plan's investments are monitored to assess the appropriate classification of investments within the fair value hierarchy. Changes in economic conditions may require the transfer of Plan assets from one fair value level to another. The significance of transfers between levels was evaluated based upon the nature of the Plan's investments and size of the transfer relative to total net assets available for benefits. There were no significant transfers in or out of Level 1, 2 or 3 during the years ended December 31, 2023 and 2022.

NOTE 4 • INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Pursuant to the provisions of 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's independent accountants did not perform any auditing procedures with respect to the information certified by TransAmerica Life Insurance Company ("TransAmerica"), the Custodian, except for comparing the information to the related financial statements and supplemental schedules. All information included in the financial statements and the accompanying notes and supplemental schedules relating to cash, notes receivable, investments, appreciation and depreciation of investments and interest and dividends were obtained from the Custodian's certifications and are unaudited.

NOTE 5 • PLAN TERMINATION

Although it has not expressed any intent to do so, MBCI has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 • INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated March 31, 2014. The Plan has been amended since receiving the favorable determination letter, but the Plan management believes that the Plan continues to qualify and to operate as designed. Therefore, no provision for income taxes has been made in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions

taken by the Plan, and has concluded that as of December 31, 2023 or 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In general, the returns have a three-year statute of limitations.

NOTE 7 • RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by TransAmerica. TransAmerica is a party-in-interest to the Plan as defined by ERISA Section 3(14). These transactions qualify as exempt party-in-interest transactions. Fees and commissions paid to TransAmerica by the Plan amounted to \$86,472 and \$84,380 for the years ended December 31, 2023 and 2022, respectively.

MBCI, the plan sponsor, paid for certain administrative fees of the Plan that are not reimbursed by the Plan.

NOTE 8 • INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive investment contract issued by TransAmerica with a contract value of \$10,326,790 and at \$9,985,761 December 31, 2023 and 2022, respectively. TransAmerica contracts with a third-party, Invesco, to provide an investment option in a stable value fund. The investment objective of a stable value fund is to provide capital preservation and predictable, steady returns. This investment contract is considered a deposit liability to TransAmerica with no defined maturities and is fairly valued at contract value. That is, the contract value listed on the statements of asset available for benefits is also the fair value.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TransAmerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 8 • INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA and premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract or (3) a material misrepresentation or a material amendment to the agreement without the consent of the issuer.

NOTE 9 • EXCESS CONTRIBUTIONS REFUNDABLE

Excess contributions of \$7,068 for the year ended December 31, 2022, were refunded by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

NOTE 10 • NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Plan remitted all employee contributions to the Plan, contributions of \$127,641 were not remitted within the required time period for the year ended December 31, 2023. The Plan has started the process to correct the matters through the Voluntary Fiduciary Correction Program ("VFCP") and make the participant accounts whole. The Plan had \$708,674 in contributions included in the VFCP for prior years' contributions that were remediated in the current year.

NOTE 11 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. Some of the retirement plan changes in SECURE 2.0 that may/will affect the Plan include:

- Changes to required minimum distribution age and penalties;
- Higher catch up contributions;
- Emergency withdrawal flexibility; and
- Matching of student loan payments.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
