INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Eva's Village, Inc.
Paterson, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan of Eva's Village, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan of Eva's Village, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Eva's Village, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Eva's Village, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Eva's Village, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Eva's Village, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) and Schedule of Delinquent Contributions as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

1. Description of Plan

The following description of the 403(b) Thrift Plan of Eva's Village, Inc. (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all employees of Eva's Village, Inc. (the Organization). All employees become eligible to participate in the elective deferrals in the Plan on the first day of the month immediately after their hire date. Employees become eligible for employer contributions after he or she has completed two years of service, and attained at least 1,000 hours of service in each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Organization is responsible for oversight of the plan. The Board of Directors also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

SECURE Act

The Plan has adopted certain provisions under the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE 2.0 Act). The Plan intends to formally execute the required Plan amendments for these provisions by December 31, 2026.

The following descriptions of the Plan below have been updated with the provisions of the SECURE 2.0 Act that impact the Plan.

Contributions

Each year's employees may elect to make a basic contribution to the Plan by authorizing his or her compensation to be reduced by any percentage or whole dollar amount, as defined in the Plan. No employee is permitted to make a basic contribution in excess of the dollar limitation specified in the Internal Revenue Code at the beginning of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan Sponsor made a discretionary contribution of 2% of annual compensation for eligible employees for the two years ended December 31, 2023 and 2022 in the amount of \$91,011 and \$81,967, respectively.

Participant accounts

Each participant's account is credited with the participant's contribution, employer discretionary contributions and allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in employer contributions.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

1. Description of Plan (continued)

Plan loans

The Plan provides for Group annuity loans: Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are made directly from funds owned by Mutual of America Life Insurance Company and not from the participant's accounts. The loans are secured by the assets in the participant's account and have interest rates ranging from 4.60% - 5.85%. These loans, which are not assets of the Plan, were \$37,860 and \$93,500 at December 31, 2023 and 2022, respectively.

The loans must be paid back within five years. Principal and interest are paid ratably by the participant over the life of the loan through payroll deductions.

Payment of benefits

A participant may request a payment of benefits if they (a) become terminated, (b) become disabled, (c) reach age 65, or (d) on account of hardship. Participants may elect to receive a payout as a lump sum payment, a partial payment, a direct rollover, installment payments, and annuity contracts (if assets are held in a custodial account), or defer payments until age 73. Participants are allowed to receive hardship distributions for certain events as described in the Plan. Hardship distributions are required to be paid as lump sum payments.

In the event of a participant's death, any death benefit payable to a beneficiary will be distributed in the form of a qualified joint and survivor annuity if he or she has a spouse or a single sum payment to the beneficiary if the participant does not have a spouse. The spouse may elect to start receiving the death benefit on any first day of the month on or after the participant died and by the date the participant would have been required to take minimum distributions. If the spouse dies before benefits start, the participant's vested account, determined as of the date of the spouse's death, shall be paid to the spouse's beneficiary.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Contributions from Plan participants and from the Employer are recorded in the year in which participant compensation is earned.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

2. Summary of accounting policies (continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

The Plan's investments in the interest accumulation account is reported as cash equivalents. The characteristics of this investment are comparable to cash equivalents in that there are no front or back-end charges, so that the investments are completely liquid; the interest rate credited to the investments are at the current rate and are not dependent upon the length of time the assets are invested; withdrawals can be made at any time and are processed on the same day; and the value shown on the statement is the redeemable value of the investment as there are no deferred sales charges, load assessment, or interest rate adjustments that would affect a withdrawal request.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

All administrative expenses shall be paid out of the Plan unless paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of Plan loans are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Tax status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Code. The terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the Internal Revenue Service. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. As of December 31, 2023, the Plan Administrator believes that based on evaluation of the Plan's tax positions that any liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Plan's tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as part of the income tax provision. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

4. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits. The Plan maintains its investments with an investment manager. Exposure to credit risk is reduced by placing such investments in high quality financial institutions and by following an investment strategy which utilizes a wide range of diversified funds.

5. Certification of Custodian

We have been informed by the Plan Administrator that Mutual of America Life Insurance Company (Mutual) held the Plan's investment assets and executed investment transactions for the years ended December 31, 2023 and 2022. The Plan Administrator has obtained certifications from Mutual, as of and for the years ended December 31, 2023 and 2022, that the information provided to the Plan Administrator by the Custodian is complete and accurate. The following account balances and transactions were obtained from statements certified by Mutual:

Statements of net assets available for benefits:

Cash equivalents

Investments

Statement of changes in net assets available for Plan benefits:

Net appreciation in fair value of investments

Interest and dividends

Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023

6. Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the entire account balance will be distributed to the participants, including distribution of annuity contracts, if the participant is invested in the annuity contract.

7. Transactions with parties-in-interest

The Organization pays for professional fees related to services provided to the Plan. Fees paid on behalf of the Plan during the years ended December 31, 2023 and 2022 were \$17,000 and \$16,000, respectively.

The assets of the Plan invested with the Custodian are considered party-in-interest investments. The Custodian is a party-in-interest as provider of investment management and accounting services to the Plan. These transactions are exempt from the prohibited transaction rules. Administrative expenses relating to the above services are paid from Plan assets, netted against income and allocated to all Plan participants. Fees paid during the years ended December 31, 2023 and 2022 were \$1,046 and \$1,753, respectively.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

8. Fair value measurements of investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1). And the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2 – Inputs other than quoted prices that are observable for the assets or liability either directly or indirectly, including inputs that are not considered to be active;

Level 3 – Inputs that are unobservable.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Plan. The Plan considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

Mutual fund investments are valued at quoted market prices that represent the net asset value of shares held by the Plan at year end. The change in market value of these investments is reflected in the statement of changes in net assets available for benefits as net appreciation or depreciation in fair value.

The Plan's investments consist of the following at December 31, 2023:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 3,199,189</u>	<u>\$ 3,199,189</u>	<u>\$</u>	<u>\$</u>

The Plan's investments consist of the following at December 31, 2022:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 2,806,550</u>	<u>\$ 2,806,550</u>	<u>\$</u>	<u>\$</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

9. Prohibited transactions

The Department of Labor requires all employers to transfer participant contributions and/or loan payments to the Retirement Plan by the earliest date these amounts can be reasonably segregated from the employer's general business assets, but in no event later than 15 business days following the month in which the amounts were withheld or received by the employer. The DOL warns that the 15 business day requirement is an outer limit and not a safe harbor, but rather a maximum deadline for deposit. The employer demonstrated that participant contributions can be reasonably segregated from the employer's general business assets within three days of being withheld or received by the employer.

During the Plan year ended December 31, 2023, 5 out of 26 contributions totaling \$26,818 were not deposited in a timely manner.

10. Due from sponsor

During the year ended December 31, 2023, the Plan sponsor failed to remit to the Plan: participant contributions in the amount of \$135, and \$2 of an estimated lost earnings on late and undeposited contributions. The contributions and lost earnings were corrected on September 20, 2024.

11. Reconciliation of financial statements to Form 5500

The following item is a reconciliation of net assets available for benefits per the financial statements to Form 5500. Cash equivalents per the statement of net assets available for benefits in the amounts of \$342,062 and \$430,970 for the years ended December 31, 2023 and 2022, respectively, are reported on the Form 5500 Schedule H, as value of funds held in insurance company general account (unallocated contracts) – Part I, line 1(c) 14.

12. Subsequent events

Subsequent events have been evaluated through October 4, 2024, which is the date the financial statements were available to be issued. The Plan is not aware of any material subsequent events.
