• **December 31, 2023**

This presentation was prepared as part of our audit, has consequential limitations, is restricted to those charged with governance and, if appropriate, management, and is not intended and should not be used by anyone other than those specified parties.

Matters to be Communicated to Those Charged with Governance

Generally accepted auditing standards (GAAS) require the auditor to ensure that those charged with governance receive information regarding the results of the audit that may assist those charged with governance in overseeing management's financial reporting and disclosure process. Below we summarize these required communications.

The Auditor's Responsibility Under Generally Accepted Auditing Standards

We were engaged to conduct an audit of the financial statements as of and for the year ended December 31, 2023 for YSK Corporation Retirement and Savings Plan. The financial statements are the responsibility of management. Our audit was designed in accordance with GAAS, which provides for reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. We have the responsibility to opine on whether the financial statements are fairly stated in accordance with accounting principles generally accepted in the United States of America.

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

In accordance with professional standards, we have obtained a substantially complete Form 5500 and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information.

As part of our audit, we obtained a sufficient understanding of the internal controls to plan our audit, to determine the nature, timing and extent of testing performed and not to provide assurance on internal controls.

We have issued our Independent Auditor's Report reflecting an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) for the year ended December 31, 2023.

Management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Company personnel throughout the course of our work.

Matters to be Communicated to Those Charged with Governance (continued)

Significant Accounting Policies

The significant accounting policies used by YSK Corporation Retirement and Savings Plan are described in the notes to the financial statements. The Plan adopted ASU No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. ASC 326-20 provides a new model for measuring loss reserves, known as the current expected credit loss (CECL) model. The primary objective of the CECL model is to estimate expected credit losses over the lifetime of the asset based on a broader range of information, including current economic considerations and management's expectations of future economic conditions. Such expected credit losses are recognized earlier than previous GAAP, generally at the origination of related financial assets. Adoption of this standard did not have a material impact on the Plan's financial statements.

Management Judgments and Accounting Estimates

The preparation of financial statements requires the use of accounting estimates. Certain estimates are particularly sensitive due to their significance to the statements and the possibility that future events may differ significantly from management's expectations. The accounting estimates made by management for the preparation of the financial statements for the year ended December 31, 2023 were determined to be appropriate under generally accepted accounting principles. The following are the identifiable estimates in the financial statements:

1. Fair value of investments.

Management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in 2023.

Significant Unusual Transactions

The methods used to account for significant unusual transactions, those transactions that are outside the normal course of business or that otherwise are unusual based due to their timing, size or nature are considered appropriate.

There were no significant unusual transactions identified.

Financial Statement Disclosures

The overall goal of the disclosures in the financial statements is to provide relevant information to the reader in as neutral, concise, consistent and clear a manner as possible while also complying with the disclosure requirements of generally accepted accounting principles. In addition, the disclosures made also require judgment due to the potential sensitive nature of certain items. The disclosures made in the financial statements for the year ended December 31, 2023 were determined to be appropriate and in compliance with generally accepted accounting principles.

Unrecorded Audit Differences

No uncorrected misstatements were identified during the course of the December 31, 2023 audit.

Matters to be Communicated to Those Charged with Governance (continued)

Audit Adjustments

There were no audit adjustments noted during the December 31, 2023 audit.

Significant Changes to Planned Audit Strategy or Significant Risks Initially Identified

There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning Communications.

Significant Difficulties Encountered in Performing the Audit

We encountered no major difficulties in working with any company personnel while performing and completing our audit. Further, we encountered no difficulties of any other nature in completing our audit.

Disagreements with Management

We had no disagreements with management.

Representations the Auditor is Requesting from Management

See the attached copy of the management representation letter.

Significant Findings and Issues Involving Related Parties

We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.

Consultation with Other Accountants

We are not aware of management consulting with other independent accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.

Difficult or Contentious Matters

There were no difficult or contentious matters that we consulted with others outside the engagement team that we reasonably determined to be relevant to those charged with governance regarding their oversight of the financial reporting process.

Information from those Charged with Governance

There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.

Matters to be Communicated to Those Charged with Governance (continued)

Nature and Extent of Specialized Skills or Knowledge Relating to Significant Risks

There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.

Other Matters

There are no other matters that we consider significant to the oversight of the Plan’s financial reporting process that have not been previously communicated.

Independence

Our engagement letter to you dated July 25, 2024 describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Plan with respect to independence as agreed to by the Plan. Please refer to that letter for further information.

Significant Issues Discussed with Management

We are required to communicate, in writing and in a timely manner, to those charged with governance all reportable findings and all material weaknesses and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a reportable finding, control deficiency, significant deficiency and material weakness are as follows:

Category	Definition
Reportable Finding	Matters that are one or more of the following: a. An identified instance of noncompliance or suspected noncompliance with laws or regulations, b. A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, c. An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention.
Deficiency in Internal Control	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

A reportable finding may also be considered a deficiency in internal control, a significant deficiency or a material weakness.

We considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

In conjunction with our audit of the Plan financial statements, we noted no material weaknesses.

Significant Issues Discussed with Management

In conjunction with our audit, we noted the following:

- We have communicated to Plan management reportable findings, that were identified as a result of our audit that we did not consider to be material weaknesses, as follows:

Delinquent Remittances – Significant Deficiency

During our audit, we noted certain pay periods in which deferrals were withheld from employees' paycheck, but not transmitted to the Plan in a timely manner due to a lack of formalized processes to review employee deferrals and employer matching contributions subsequent to payroll processing and remitted the contributions to the Plan timely and consistently. We recommend that plan management consult an ERISA attorney, perform a missed earnings calculation on the affected payroll deferrals, and make a qualified nonelective contribution to the affected participants' accounts to make them whole and return the Plan to proper compliance.

Completion of Annual Compliance Testing – Significant Deficiency

During our audit of the 401(k) Plan, we noted that the Plan failed to complete the necessary nondiscrimination testing within the required timeframe. Nondiscrimination testing is a critical compliance requirement designed to ensure that the benefits provided under the Plan do not disproportionately favor highly compensated employees over non-highly compensated employees.

The delay in completing the nondiscrimination testing could potentially expose the Plan to regulatory penalties and may affect the Plan's qualified status. It is essential to adhere to the testing deadlines to maintain compliance with IRS regulations and to protect the interests of all Plan participants.

We recommend that management implement procedures to ensure timely completion of nondiscrimination testing in the future. This may include setting internal deadlines well in advance of the regulatory deadlines, assigning specific responsibilities for the testing process, and regularly monitoring the progress of the testing.

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of YSK Corporation Retirement and Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows: Mutual funds are valued at the net assets value (NAV) of shares held by the Plan at year-end. The general insurance account is value at fair value, which approximates contract value, plus interest credited thereon. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- All required amendments to and filings of Plan documents with the appropriate agencies have been made.
- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code (IRC or the Code) and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
