| <b>1</b> Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. <b>Round off amounts to the nearest dollar.</b> MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## **INDEPENDENT AUDITOR'S REPORT**

Plan Administrator and Plan Participants  
Volvo Sales and Service, Inc. 401(k) Plan  
Lisle, Illinois

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Volvo Sales and Service, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## **Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by an certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2023 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Other Matters**

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2023, and Schedule H, Item 4a - Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **Supplemental Schedules Required by ERISA (Continued)**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 16, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

### **NOTES TO FINANCIAL STATEMENTS**

#### **Note 1. Description of the Plan**

The following description of the Volvo Sales and Service, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Volvo Sales and Service, Inc. (the "Company") who are at least 18 years old and who have completed three months of service. Eligible employees may enter the Plan on the first day of the month after satisfying the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants may also make Roth and after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan provides for automatic enrollment. Any newly eligible employee who has not affirmatively elected to contribute to the Plan or has not affirmatively declined to participate in the Plan will be automatically enrolled in the Plan with a two percent withholding of pretax annual compensation. This withholding will increase by one percent each subsequent year until the automatic election reaches a maximum withholding contribution of four percent of compensation. The Plan provides for an employer match of 50 percent of the first 6 percent of compensation that a participant contributes to the Plan. The Company may also make discretionary matching contributions. The Company made a \$20,000 discretionary matching contribution for 2023. Non-elective amounts may also be contributed at the discretion of the Company. There were no such contributions for the Plan year ended December 31, 2023. Participants must be employed on the last day of the Plan year to receive an allocation of any discretionary matching or non-elective contributions. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions including the Company matching contribution, the Company's discretionary matching contribution and the Company's discretionary non-elective contributions, if any and (b) plan earnings and (c) an asset-based recordkeeping fee. Allocations are based on participant earnings or account balances, as defined. Allocations of the Company's discretionary non-elective contributions, if any, are based on the ratio of the participant's eligible compensation to total eligible compensation for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Options: Participants may direct the investment of contributions into various investment options offered by the Plan. If no investment election is made by a participant, the funds will be invested in a qualified default investment alternative designated by the Plan. Participants may change their investment allocation at any time.

#### **Note 1. Description of the Plan (Continued)**

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus one percent. Principal and interest are paid through payroll deductions.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company matching and non-elective contributions is based on years of continuous service. A participant is 10 percent vested after one year of service is completed, 20 percent vested after 2 years of service is completed and vests an additional 20 percent per year until full vesting after six years.

Payment of Benefits: Benefits are payable upon retirement at age 65, early retirement at age 55 with seven years of service, disability, death, or termination of employment. The plan allows hardship withdrawals and in-service withdrawals at age 59 ½, subject to provisions described in the Plan document. Withdrawals from after-tax contributions are permitted at any time. Benefits are payable in lump sum payments, installments, ad hoc payments, or, if qualified, as an annuity.

Forfeited Accounts: At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$18,328 and \$1,395, respectively. Forfeiture represents unallocated employer contributions resulting from the termination of participants with less than fully vested rights under the Plan. Forfeitures of participant's non-vested accounts are used to reduce matching contributions or to pay administrative expenses. During 2023, forfeitures of \$30,087 were used to reduce matching contributions and forfeitures of \$281 were utilized plan corrections.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Company. Transaction expenses, such as loan and distribution administration fees, are charged directly to the participant's account. Participants are also charged an asset-based fee for recordkeeping. These fees are included in administrative expenses.

#### **Note 2. Summary of Significant Accounting Policies**

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

#### **Note 2. Summary of Significant Accounting Policies (Continued)**

Investment Valuation and Income Recognition: The Plan's investments in registered investment companies and collective investment trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at the unpaid principal balances, plus any accrued interest. Delinquent loans are treated as distributions based upon the terms on the plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Excess Contributions Payable: Amounts payable to participants for contributions of in excess of amounts allowed by the internal revenue services are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events: In preparing these financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through October 9, 2024, the date the financial statements were available to be issued.

#### **Note 3. Information Certified by the Trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan).

#### Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The three levels of the fair value hierarchy are as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available.                                                                                                                                                                                        |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                       |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The Plan's investments, consisting of registered investment companies and collective investment trusts, are held by Empower Trust Company, LLC. The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Shares of registered investment companies (mutual funds) are valued at the daily closing prices as reported by the fund. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

#### **Note 4. Investments and Fair Value Measurements (Continued)**

Collective Investment Trusts: The Plan invests in various collective investment trusts offered separately by State Street Global Advisors, Empower Trust Company, LLC, and Great Gray Collective Trust (previously Wilmington Trust). The collective investment trusts are valued based upon the net asset value (NAV) per unit times the number of units held by the Plan at year-end. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value.

State Street Global Advisors (SSgA) provides investment management services through several bank maintained collective trust funds. Purchases or sales are executed at NAV for each series fund typically determined as of the close of trading on the trade date. The fair value of the collective investment trusts is based on the fair value of the collective trust's underlying investments as reported by the fund manager to the Trustee, net of accrued account level fees. The underlying investments vary with each fund series.

Empower Trust Company, LLC ("Empower"), offers a stable value option with the Drive Income Fund. Empower, as Trustee, determines the value of Fund units daily, before taking into account purchases or redemptions of units as follows: 1) The Trustee determines the value of the Fund by applying the current crediting rate in accordance with valuation rules established by the Trustee, 2) the Trustee subtracts from the value of Fund assets any ordinary or extraordinary expenses, costs, charges or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets and 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

Empower offers a balanced fund with the Drive Balanced Fund: Empower determines the value of Fund units daily, before taking into account purchases or redemptions of units with the following procedures: 1) The Trustee determines the value of the Fund in accordance with valuation rules established by the Trustee and relies on the value or price last reported to the Trustee or manager of the underlying investments in accordance with the valuation policies and procedures of the underlying investment, 2) the Trustee subtracts from the value of Fund assets any ordinary or extraordinary expenses, costs, charges or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets, and 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

Great Gray Collective Trust (previously named Wilmington Trust Collective Investment Trust) funds sub-advised by MFS Institutional Advisors, Inc. offers MFS Mid Cap Value Fund CIT whose objective is capital appreciation. Purchases or sales are executed at NAV typically determined as of the close of trading on the trade date. The fair value of the collective investment trusts is based on the fair value of the collective trust's underlying investments as reported by the fund manager to the Trustee, net of accrued account level fees.

#### Note 4. Investments and Fair Value Measurements (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

#### Investments at Fair Value as of December 31, 2023

#### **Note 4. Investments and Fair Value Measurements (Continued)**

- (1) The target retirement strategies are based on an asset allocation glide path developed by SSgA optimized for the wealth accumulation, wealth preservation, and income generation phases of retirement planning and includes adjustments in the years before and after retirement. As the strategies approach the target retirement dates, SSgA adjusts the funds' investment objectives and risk profiles from more volatile to less volatile as retirement approaches.
  - (2) The objective of this fund is to approximate the performance of the S&P 500 over the long-term.
  - (3) The objective of this fund is to approximate the performance of the S&P MidCap 400 over the long-term.
  - (4) The objective of this fund is to approximate the performance of the MSCI ACWI ex USA Investable Market Index over the long-term.
  - (5) The objective of this fund is to approximate the performance of the Bloomberg Barclays U. S. Aggregate Bond Index over the long-term.
  - (6) The objective of this fund is to approximate the performance of the Russell 2000 Index over the long-term.
- (C) MFS Mid Cap Value Fund CIT sponsored by Great Gray Collective Investment Trust (previously named Wilmington Trust Collective Investment Trust) and subadvised by MFS Institutional Advisors, Inc. The fund focuses on investing in the stocks of companies that the subadvisor believes are undervalued compared to their perceived worth (value companies). Value companies tend to have stock prices that are low relative to their earnings, dividends, assets or other financial measures. The object of this fund is capital appreciation.

#### **Note 5. Related Party and Party-in-Interest Transactions**

Certain Plan investments in collective investment trusts are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the current Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, the plan paid certain expenses related to plan operations and investment activity to various service providers. The transactions qualify as exempt party-in-interest transactions.

#### **Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **Note 7. Tax Status**

The Plan adopted a non-standardized pre-approved plan sponsored by Empower Trust Company LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated November 14, 2022 as to the Plan's qualified status. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

#### **Note 9. Prohibited Transactions**

During 2021, the Plan Sponsor inadvertently failed to remit to the Plan's custodian certain employee contributions and loan payments, totaling \$201,987, in a timely manner, as prescribed the United States Department of Labor (DOL) Regulations. The late deposit was corrected and lost earnings remitted to the plan in 2023.
