In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid Michigan Community Action Agency, Inc. Employee Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid Michigan Community Action Agency, Inc. Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid Michigan Community Action Agency, Inc. Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid Michigan Community Action Agency, Inc. Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mid Michigan Community Action Agency, Inc. Employee Retirement Plan
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Mid Michigan Community Action Agency, Inc. Employee Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees (excluding union, substitute, or temporary employees) of Mid Michigan Community Action Agency, Inc. (the “Employer”) who are at least 18 years old and who have completed at least 90 days of service. The Plan entry dates for deferral contributions are the first day of the month coinciding with or next following the attainments of the eligibility requirements. Employees must have completed one year of service, comprised of 1,000 hours, to be eligible for Employer contributions. The Plan entry dates for the Employer contribution are the first day of the Plan year or the first day of the seventh month of the year coinciding with or next following the attainment of the service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974(ERISA) as amended.

CONTRIBUTIONS

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investments options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at \$10 per pay period on a pre-tax basis. Participants have the option to make an affirmative elective deferral contribution of an amount different than the automatic deferral amount or to waive participation in the deferral portion of the Plan. The Employer makes discretionary Employer contributions as approved by the Employer’s Board of Directors. During 2023 and 2022, the Employer elected to make a discretionary contribution equal to 8% of compensation for eligible participants with at least five years of vested service, and 4% for eligible participants with less than five years of vested service. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, Employer discretionary contributions, and allocations of plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING AND FORFEITURES

A participant is fully and immediately vested in their salary deferral and rollover contributions, plus actual earnings/losses thereon. A participant is vested in the Employer’s contributions and earnings/losses thereon according to the following schedule, and is credited with a year of service for each plan year in which the participant completes 1,000 hours of service.

Years of service	Vesting %
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

For the Years Ended December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

VESTING AND FORFEITURES (CONTINUED)

Plan forfeitures arise as a result of participants who terminate service with the Employer before becoming 100% vested in the Employer's contributions. There were \$4,478 and \$784 of unallocated forfeitures as of December 31, 2023 and 2022, respectively. Forfeitures are used to offset expenses paid by the Plan or are reallocated to participant in proportion to eligible compensation. In 2023, \$22,041 of forfeitures were used to pay plan expenses and \$0 was reallocated to remaining participants. In 2022, \$1,042 of forfeitures were used to pay plan expenses and \$0 was reallocated to remaining participants.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant (or the participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or joint annuity payments. For terminations of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, except that a distribution is required following severance from Employment for any participant that has an account balance that is less than \$5,000. The Plan also allows for in-service distributions upon attaining age 59 ½.

RECLASSIFICATIONS

Certain reclassifications have been made to the prior year financial statements to conform to the classifications used in the current year. Net assets available for benefits at the end of the year was unchanged due to the reclassifications.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Plan administration expenses are allocated proportionately to plan participants based on their respective account balances and are included in administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued. On January 1, 2024, after the plan year ended on December 31, 2023, the Plan Sponsor amended the Mid Michigan Community Action Agency, Inc Employee Retirement Plan. The amendment, effective as of January 1, 2024, modifies the entry date for an eligible employee to receive an employer contribution, from semi-annual to quarterly. This amendment does not affect the financial position of the Plan as of December 31, 2023. Management has evaluated the impact of this amendment and concluded that no adjustments to the financial statements as of December 31, 2023 are necessary.

NOTE 3 – INVESTMENT INFORMATION CERTIFIED BY THE PLAN TRUSTEE

At December 31, 2023, Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules & Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$5,303,888 and \$4,997,503 at December 31, 2023 and 2022, respectively.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2023 and 2022, the Plan had no assets which were required to be measured using Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2023 and 2022.

Stable value collective trust fund: Investments in common collective trusts are valued using a readily determinable fair value based on the fair value of the underlying securities in which the account is invested. The readily determinable fair value is used if the fair value per share is determined and published and is the basis for current transactions. There are currently no redemption restrictions or unfunded commitments on these investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Fees incurred and paid by the Plan for recordkeeping and related expenses were \$32,603 and \$24,541 for the years ended December 31, 2023 and 2022, respectively. The Employer pays directly any other fees related to the Plan's operations.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax filings remain open for three years for Federal income tax examination.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE Act 2.0. This act contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provision to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 and 2022 financial statements.
