Independent Auditors' Report

To the Retirement Committee
TouchPoint, Inc. Employees' 401(k) Plan
Concordville, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of TouchPoint, Inc. Employees' 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of TouchPoint, Inc. Employees' 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements for the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Retirement Committee
TouchPoint, Inc. Employees' 401(k) Plan
Concordville, Pennsylvania

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of TouchPoint, Inc. Employees' 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TouchPoint, Inc. Employees' 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements for the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Retirement Committee
TouchPoint, Inc. Employees' 401(k) Plan
Concordville, Pennsylvania

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TouchPoint, Inc. Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TouchPoint, Inc. Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Retirement Committee
TouchPoint, Inc. Employees' 401(k) Plan
Concordville, Pennsylvania

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of TouchPoint, Inc. Employees' 401k Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the TouchPoint, Inc. Employees' 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of TouchPoint, Inc. (the "Company"). The Company's Investment Committee controls and manages the operation and administration of the Plan. Charles Schwab Bank serves as the Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Eligible employees include all regular full-time employees of the Company, who are not considered excluded employees as defined in the Plan document. Employees are automatically enrolled in the Plan. Unless the participant elects otherwise, 3% of their salary will be automatically elected as a pre-tax salary deferral contribution to the Plan.

Contributions

Eligible employees (the "Participants") can contribute up to the maximum amount allowable under the limits set by the Internal Revenue Code ("IRC"). Certain eligible employees were allowed to make additional catch-up elective deferrals up to the maximum amount allowable under the limits set by the IRC. The Participants are responsible for directing the allocation of their contributions among the established funds. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover"). The Company makes a matching contribution equal to 50% of the participant's contribution up to the first 6% of salary.

In addition, the Company may also make discretionary contributions to the Plan. For the year ended December 31, 2023, the Company elected to contribute a discretionary contribution equal to 2% of salary to all employees, the related employer discretionary contributions were \$1,466,026.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and allocations of Company discretionary contributions, and Plan earnings, and charged with withdrawals and an allocation of Plan investment losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See the independent auditors' report.

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds, common collective trust funds, and a self-directed brokerage account as investment options for participants.

Vesting

Participants are fully vested in their contributions, plus actual earnings thereon. Participants are also immediately fully vested in the Company's matching contributions. Vesting in the Company's non-elective contribution portion of their accounts and earnings thereon is based on continuous years of service. A participant is 100% vested after three years of credited service and 0% vested for less than 3 years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of 50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime rates plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants' benefits under the Plan are payable to participants, their beneficiaries or their estates upon termination of service, retirement, death, disability, hardship or upon the attainment of age 59-1/2. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

Employees who terminate employment and are not fully vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Plan document. Forfeitures that are not used to pay administrative expenses will be used to reduce other employer contributions, added to other employer contributions, or reallocated as elected by the employer. At December 31, 2023 and 2022, there were no forfeited nonvested accounts. During the year ended December 31, 2023, employer contributions were reduced by \$41,592 from forfeited nonvested accounts.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their retirement savings account.

See the independent auditors' report.

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Management Fees and Operating Expenses

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reported. Consequently, management fees and operating expenses are reported as a reduction of investment return for investments.

Administrative Expenses and Expense Offset Arrangements

Certain administration expenses of maintaining the Plan are paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant accounts are charged with an allocation of certain administrative expenses, such as recordkeeper fees, that are paid by the Plan. Fees related to the administrative of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

See the independent auditors' report.

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Certain revenue sharing amounts are kept in an unallocated expense benefit account to be used to offset future expenses. The unallocated expense accounts totaled \$19,196 and \$55,750 at December 31, 2023 and 2022, respectively, with \$37,836 of funds applied to offset administrative expenses for the years ended December 31, 2023.

NOTE C - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, Fair Value Measurement, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ACS 820 are described as follows:

Level 1 - Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access;

Level 2 - Valuations based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 - Valuations based on inputs that are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, exchange traded funds, and common stocks that are valued on the basis of readily determinable quoted market prices.

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

Common collective trust funds: Consist of 1) a stable value fund that is composed primarily of fully benefit responsive investment contracts and 2) diversified fixed income and equity funds that track indices. The common collective trust funds are valued at the NAV of units of the respective collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Notice periods apply to Plan level redemptions only, not participant transactions.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value.

	2023		2022	
	Level 1	Net Asset Value (a)	Level 1	Net Asset Value (a)
Mutual funds	\$ 96,787,256	\$ -	\$ 84,097,586	\$ -
Self-directed brokerage accounts	4,799,999	-	4,120,160	-
Common/collective trust measured at NAV	-	38,066,319	-	29,349,004
	<u>\$ 101,587,255</u>	<u>\$ 38,066,319</u>	<u>\$ 88,217,746</u>	<u>\$ 29,349,004</u>

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The Plan invests in eight common collective investment trust funds as of December 31, 2023. These common collective investment trust funds are direct filing entities. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

See the independent auditors' report.

TOUCHPOINT, INC. EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE D - RELIANCE ON TRUSTEE'S REPORT

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank.

NOTE E - EXEMPT PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by the trustees or their related affiliates and therefore, these transactions qualify as party-in-interest transactions. Fees paid to the Plan's recordkeeper totaled \$76,931 and are partially paid through revenue sharing as disclosed in Note B. Notes receivable from participants and related interest income also qualify as party-in-interest transactions.

NOTE F - TAX STATUS

The Plan has adopted a Volume Submitter Plan sponsored by Schwab Retirement Plan Services. On September 21, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the IRS opinion letter. However, the Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

In accordance with U.S. GAAP, plan management evaluates tax positions taken by the plan and recognized a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

See the independent auditors' report.

NOTE H - TRANSFER IN ASSETS FROM OTHER PLAN

In conjunction with the Company's acquisition of Morse Watchmans, Inc., the Plan was amended to provide for the merger of the Morse Watchmans, Inc. 401(k) Profit Sharing Plan into the Plan. Net assets of \$3,155,802, including loan balances, were transferred into the plan in 2023.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2024, the date the financial statements were available to be issued. Based on this evaluation, the Plan is not aware of any material events that would require recognition or disclosure in these financial statements.
