Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☒ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **MSPC**

(2) EIN: **22-2951202**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	5116

INDEPENDENT AUDITORS' REPORT

To the Trustees of
The Solomon-Page Group, LLC
401(K) Savings Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Solomon-Page Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Solomon-Page Group, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Solomon-Page Group, LLC 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Solomon-Page Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Solomon-Page Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Solomon-Page Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE SOLOMON-PAGE GROUP, LLC
401(K) SAVINGS PLAN

Notes to Financial Statements

(1) Description of the Plan

The following description provides only general information about the Solomon-Page Group, LLC 401(K) Savings Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was established and became effective on July 1, 1994. The Solomon-Page Group, LLC (the "Plan's sponsor") has general responsibility for the administration of the Plan, including, but not limited to, complying with reporting and disclosure requirements, establishing and maintaining Plan records and adopting amendments to the Plan.

General - The Plan is a self-directed defined contribution plan covering all eligible employees of the Solomon-Page Group, LLC and the self-directed participating branches and representative offices of the Solomon-Page Group, LLC (collectively, the "Company"). The Company pays all administrative costs incurred by the Plan. An employee, having attained age 21, can become eligible to participate in the Plan on the first, fourth, seventh and tenth month of the Plan year entrance date following the completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - There are three types of contributions that can be made to the Plan: (i) voluntary salary reductions, (ii) employer matching contributions and (iii) rollover contributions. Voluntary salary reduction is limited to maximum pre-tax contribution limits set annually by the Internal Revenue Service ("IRS"). The Plan permits eligible employees to make voluntary salary reductions of not more than 50 percent of their base compensation for the year, before bonuses and overtime.

Effective January 1, 2010, the Plan introduced a contribution limit of \$12,500 on highly compensated individuals, which the Plan defines as individuals making in excess of \$110,000, to reduce the potential of failing discriminatory testing in future years.

The Plan has a provision for an employer discretionary contribution of 50% of the first 6% of contributions to a maximum of \$1,500 a year. The Company made a matching contribution of \$364,110 to the Plan for the year ended December 31, 2023.

Eligible employees may also transfer or rollover contributions from a qualified retirement plan of another employer to the Plan. Rollover contributions are not matched by the Company. These contributions are 100% vested and will automatically be invested in accordance with the participant's investment election.

Catch-up contributions are permitted up to \$7,500 for employees over 50 years of age.

Participant Accounts - Each participant's account is credited with the participant's and the Company's contributions, earnings on investments and any increase or decrease in the market value of investments.

Investment Elections - Amounts contributed to the Plan are held in a trust under the Plan. Participants may choose to allocate the current contribution among the various investment funds. Each participant may change their investment mix of future contributions and the current Plan accounts among the investment funds.

THE SOLOMON-PAGE GROUP, LLC
401(K) SAVINGS PLAN

Notes to Financial Statements

(1) Description of the Plan (Continued)

Vesting - Funds held in the voluntary salary reduction account and rollover contribution account belong to the eligible employees and are non-forfeitable.

The vesting schedule attributable to employer 401(K) matching and profit-sharing contributions is as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
1	0%
2	0%
3	100%

Notes Receivable from Participants - Participants may borrow from the Plan under a loan feature which became effective at the Plan's inception. Loans will be granted with a maximum amount equal to 50% of a participant's vested account balance, but not more than \$50,000, reduced by the participant's highest loan balance, if any, during the preceding 12 months. The interest rate on the loan is based on a prime lending rate. This rate is fixed for the entire life of the loan. Loan amounts which are deemed to be in default as of the end of the calendar year are deducted from the participant's individual account and treated as participant withdrawals. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - Upon termination of service, a participant may elect to receive a lump sum amount equal to the vested value of his or her account. If the vested value exceeds \$5,000, no distribution will be made without the employee's consent prior to reaching normal retirement (age 59-1/2). In no event may payments begin any later than April 1st following the calendar year in which the participant reaches age 70-1/2.

Forfeited Accounts - Upon termination of employment, participants forfeit their unvested balance. Forfeited balances of terminated employees' nonvested accounts can be used to reduce future Company matching contributions or to pay administrative expenses of the Plan, as determined by the Company at its sole discretion. During the year ended December 31, 2023, employer contributions were reduced by \$30,849 from forfeited nonvested accounts.

(2) Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Adoption of New Accounting Standard - Effective January 1, 2023, the Plan adopted ASC 326 which changed how entities will measure credit losses for certain financial assets that aren't measured at fair value through changes in net assets available to benefits. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the Plan's exposure to credit risk and the measurement of credit losses. The primary financial asset held by the Plan that are subject to the guidance in ASC 326 is employers' contributions receivable. The impact of the adoption was not considered material to the financial statements and primarily resulted solely in enhanced disclosures.

(2) Summary of Significant Accounting Policies (Continued)

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information principally provided by the Plan's custodian, as described in Note 3.

Fully benefit-responsive contracts held by the Plan are recorded at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on a cash basis. Net appreciation and (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through October 15, 2024, the date on which the financial statements were available to be issued.

(3) Information Certified and Provided by Principal Life Insurance Company (Unaudited)

The following is a summary of the Plan's investment information as of December 31, 2023 and 2022, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by Principal Life Insurance Company (the "custodians") and furnished to the plan administrator. The plan administrator has obtained certifications from the custodians that information provided to the plan administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears in Note 5 and the supplemental schedule related to the following assets:

	<u>December 31,</u>

Principal Life Insurance Company also certified to the completeness and accuracy of \$ 5,949,859 of the net appreciation in fair value of investments, interest and dividends totaling \$ 164,509 and \$27,978 of note receivable interest income related to the aforementioned Plan assets for the year ended December 31, 2023.

(4) Fair Value Measurements

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

THE SOLOMON-PAGE GROUP, LLC
401(K) SAVINGS PLAN

Notes to Financial Statements

(4) Fair Value Measurements (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled Separate Accounts: Valued at the NAV of units of a pooled separate account. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(a) The Principal LifeTime Hybrid Collective Investment Funds (CITs) are collective investment trusts maintained by Principal Global Investors Trust Company, (the Trust Company). The Trust Company has retained Principal Global Investors, LLC (the Adviser), to serve as investment adviser with respect to the CITs, subject to the Trust Company's supervision and review. The Adviser is an indirect wholly owned subsidiary of Principal Financial Group, Inc. and is under common control with the Trust Company. The Adviser also manages portfolios which may be included as underlying investments in the CITs. The Adviser receives management fees from these portfolios. The Adviser or other affiliates of the Trust Company may provide services to the CITs and may receive fees for such services. The CITs are available only to certain qualified retirement plans and governmental 457(b) plans. The Trust Company is regulated by the State of Oregon. Units of the CITs are not deposits or obligations of, guaranteed by, or insured by the Trust Company or any affiliate, and are not insured by the FDIC or any other federal or state government agency. The value of the CITs will fluctuate so that when redeemed, units may be worth more or less than the original cost. A copy of the participation agreement can be obtained from your plan administrator or investment contact. For the Principal LifeTime Hybrid Collective Investment Funds (CITs), Total Investment Expense Net equals the sum of these expenses: (a) the amount of money, expressed as a percentage, deducted for the cost of managing the collective investment trust, and where applicable, plus (b) if the collective investment trust invests in an underlying mutual fund, separate account, or collective investment trust, the total investment operating expenses of the underlying investment option, as listed in the most recent prospectus if applicable.

(b) Principal Core Fix Inc Sep Acct-Z -T he investment seeks to provide a high level of current income consistent with preservation of capital. The fund invests primarily in a diversified pool of investment-grade fixed-income securities, including corporate securities, U.S. government securities, asset-backed securities and mortgage-backed securities. It maintains an average portfolio duration that is within 25% of the duration of the Bloomberg U.S. Aggregate Bond Index.

Principal Diversified Int SA-Z -T he investment seeks long-term growth of capital. The fund invests primarily in foreign equity securities. It has no limitation on the percentage of assets that are invested in any one country or denominated in any one currency, but the fund typically invests in foreign securities of at least 20 countries. The fund invests in equity securities regardless of market capitalization size (small, medium or large) and style (growth or value).

Principal High Yield Sep Acc- Z - T he investment seeks to provide a high level of current income. The fund invests at least 80% of its net assets, plus any borrowings for investment purposes, in below investment grade bonds and bank loans (sometimes called "high yield" or "junk") which are rated, at the time of purchase, Ba1 or lower by Moody's and BB+ or lower by S&P Global. It also invests in investment grade bank loans (also known as senior floating rate interests) and securities of foreign issuers

Principal LgCp S&P 500 Index SA-Z - The investment seeks long-term growth of capital. Under normal circumstances, the fund invests at least 80% of its net assets, plus any borrowings for investment purposes, in equity securities of companies that compose the S&P 500 Index at the time of purchase. The index is designed to represent U.S. equities with risk/return characteristics of the large cap universe.

Principal MidCap S&P 400 Idx SA-Z - The investment seeks long-term growth of capital. Under normal circumstances, the fund invests at least 80% of its net assets, plus any borrowings for investment purposes, in equity securities of companies that compose the Standard & Poor's ("S&P") MidCap 400 Index at the time of purchase. The index is designed to represent U.S. equities with risk/return characteristics of the mid cap universe.

Principal SmCap S&P 600 Index SA-Z - The investment seeks long-term growth of capital. (a) Common Collective Trusts: The various Principal Lifetime Hybrid ("Principal Trust") common collective trust options seek a total return consisting of long-term growth of capital and current income. To pursue its goal, this Target Date Fund generally invests in affiliated open-ended mutual funds, insurance company separate accounts, unaffiliated mutual funds, and unaffiliated collective trust funds that Principal Trust considers appropriate based on the remaining time horizon of a particular Target Date Fund.

(b) Pooled Separate Accounts: The various Principal Trust pooled separate accounts seeks long-term growth of capital. These funds uses derivative strategies and invests in exchange-traded funds.

Transfers Between Levels - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

THE SOLOMON-PAGE GROUP, LLC
401(K) SAVINGS PLAN

Notes to Financial Statements

(5) Guaranteed Investment Contract with Principal Life Insurance Company

In 2015, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company totaling \$ 1,359,660 for 2023 and \$ 1,197,383 for 2022. National maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.55%. The crediting rate is reviewed on a semiannually basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

(6) Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Principal Life Insurance Company. Principal Life Insurance Company is a trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net (depreciation) appreciation in fair value of the investments rather than a direct payment. Certain administrative fees paid by the Plan directly to Principal Life Insurance Company were approximately \$111,680 for the year ended December 31, 2023.

401(K) SAVINGS PLAN**

Notes to Financial Statements

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement, subject to the provisions of ERISA, to discontinue its contributions, amend or modify the Plan at any time. In the event of Plan termination, all participants will become 100% vested in their total account balance under the Plan.

(8) Tax Status

The Plan is based on a "volume submitter" plan document. The sponsor of the volume submitter document has received a favorable determination letter from the Internal Revenue Service (IRS) dated March 31, 2008, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code ("IRC"). In accordance with Revenue Procedures, the Company has chosen to rely on the IRS determination letter issued to the sponsor of the volume submitter document as evidence that the form of the Plan is tax-qualified. The Plan is also required to be operated in conformity with the IRC to maintain its tax-qualified status. The Plan administrator believes that the Plan, which has been amended since the date of the determination letter, continues to be tax-qualified in both form and operation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
