INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Advanced Personal Care 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Advanced Personal Care 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADVANCED PERSONAL CARE 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Advanced Personal Care 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the adoption agreement for a more complete description of the Plan's provisions.

General - The Plan, established effective January 1, 2014 and restated on January 1, 2022, is a defined contribution plan which covers substantially all employees of Advanced Personal Care (the "Sponsor"). Employees who are at least 21 years of age are eligible to participate upon completion of 60 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In 2022, employees of a company under common ownership were given the option to participate in the Plan.

In 2022, the Plan was amended to allow years of service with other acquired employers to count as years of service for vesting purposes.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of changes in net assets during the reporting periods. Actual results could differ from those estimates.

Contributions - Participants may elect to contribute a portion of compensation as defined by the Plan, subject to certain limitations prescribed by the Internal Revenue Code. Employee contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. The Plan also accepts rollover contributions from other qualified plans.

The Plan provides safe harbor employer matching contributions equal to 100% of the first 3% and 50% of the next 2% of participants' eligible compensation contributed to the Plan.

In addition, the Plan allows for discretionary profit sharing contributions. There were no profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts - Each participant's account is credited with the participant's contribution, an allocation of the employer matching contribution, if applicable, and plan earnings. Earnings are allocated by fund daily based on the ratio of a participant's account invested in a

particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Upon enrollment in the Plan, a participant may direct both elective and employer contributions among various investment options offered by the Plan.

Vesting - The accounts for all participants' contributions and earnings thereon are fully vested and nonforfeitable at all times. Employer matching contributions are vested immediately upon meeting the eligibility requirements related to age and length of service. Employees who have met the eligibility requirements prior to January 1, 2019 will be immediately eligible to receive safe harbor matching contributions as of January 1, 2019. Nonelective contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant accounts become fully vested upon death or total and permanent disability of the participant.

Distributions - Participants may withdraw certain amounts from their accounts up to their entire vested interest when they attain the age of 59½. Participant vested amounts are payable upon retirement, death, other termination of employment, or hardship. Benefits are paid to participants in a lump sum. All distributions are subject to the provisions of the Plan agreement.

Participants who break service with an account balance of \$5,000 or less, and do not request that the distribution be rolled over into another investment vehicle, will receive a lump sum distribution of their account balance, less applicable federal taxes.

Forfeitures - Forfeitures of nonvested accounts can be applied to offset administrative expenses of the Plan and reduce employer contributions to the Plan, as defined in the Plan document. There were no forfeitures during the years ended December 31, 2023 and 2022.

Notes Receivable from Participants - Participants may borrow up to 100% of their vested account balance, excluding Roth deferrals, up to a maximum of \$50,000. The amount of the loan must be at least \$1,000. Loans accrue interest at a rate equal to the prime rate plus 1% at the inception of the loan and are secured by the participant's account balance. All loans must be repaid in their entirety within fifty-four months,

unless the purpose of the loan is to purchase a principal residence. Loans outstanding totaled \$25,110 and \$16,648 as of December 31, 2023 and 2022, respectively, with interest rates ranging from 4.25% to 9.5%.

Administrative Expenses - Administrative expenses may be paid by the Sponsor or by the Plan at the Sponsor's discretion and as provided by the Plan document.

Investment Valuation and Income Recognition - The Plan's investments are composed of mutual funds, which are stated at fair value and a guaranteed investment contract at contract value. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and unrealized appreciation (depreciation), in the statements of changes in assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Purchases and sales of securities are recorded on a trade-date basis.

Risks and Uncertainties - Plan assets are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits and the statements of changes in assets available for benefits.

Fair Value - U.S. GAAP establishes a framework for measuring fair value of financial assets. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs are not quoted prices in active markets but they are observable either directly or indirectly. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes to the methodology used at December 31, 2023 and 2022. Mutual funds are valued using a quoted price in active markets (Level 1 measurement).

This method may produce a fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

Subsequent Events - The Sponsor has analyzed subsequent events for recognition and disclosure purposes through October 14, 2024, the date which the financial statements were available to be issued.

2. GUARANTEED INVESTMENT CONTRACT

At December 31, 2023, investments include an investment contract, the John Hancock Stable Value Guaranteed Income Fund (the "Fund") with John Hancock Life Insurance Company. John Hancock Life Insurance Company maintains the contributions to the Fund in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and fees. The Fund is designed as an investment with a guaranteed rate of return and guarantee of principal.

The concept of a value other than contract value does not apply to this Fund as, even upon a discontinuance of the contract, the contract value would be paid either immediately or at the full contract value over a period of five years. As such, the contract, which is considered to be fully benefit responsive, is measured at contract value and is not subject to the fair value hierarchy.

John Hancock Life Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with John Hancock Life Insurance Company, but may not be less than 1%. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting rate is established based on current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. The interest rate credited to participant accounts for these investment contracts was 2.25% at July 1, 2024. The contract value was \$1,115 at December 31, 2023.

3. PLAN TERMINATION

The Sponsor anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan at its discretion subject to the provisions of ERISA. In the event that such discontinuance results in the termination of the Plan, all amounts credited to participant accounts become 100% vested. The net assets of the Plan will be distributed by the trustee in accordance with the trust agreement in a uniform and nondiscriminatory manner.

4. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Metro Benefits, Inc. The Internal Revenue Service has stated in a letter dated June 30, 2020 that the plan is acceptable for use by employers under IRC Section 401. Although the Plan has since been amended, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the administrator believes that the Plan is qualified and the related trust is tax-exempt.

Management believes there is no liability related to uncertain tax positions at December 31, 2023 and 2022. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2020.

5. CERTIFIED FINANCIAL INFORMATION

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, John Hancock Life Insurance Company, has certified that the following data included in the accompanying financial statements is complete and accurate.

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2023 and 2022.
- Net investment income (loss), as shown in the statements of changes in assets available for benefits for the years ended December 31, 2023 and 2022.
- The schedule of assets held for investment purposes as of December 31, 2023, as shown on the accompanying schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. PARTIES-IN-INTEREST AND RELATED PARTIES

John Hancock Life Insurance Company serves as the custodian of the Plan and provides access to investment options and, accordingly, is considered a party-in-interest.

Certain administrative functions of the Plan are performed by employees of the Sponsor. Neither the Sponsor nor its employees receive compensation from the Plan.
