Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Jack Resnick & Sons, Inc. 401(k) Savings Plan (Plan), an employee benefit plan subject to *the Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jack Resnick & Sons, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end the year) as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Jack Resnick & Sons, Inc. 401(k) Savings Plan

Notes to Financial Statements Years Ended December 31, 2023 and 2022

1. Description of Plan

The following description of Jack Resnick & Sons, Inc. 401(k) Savings Plan (Plan) provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (Plan Agreement).

General

The Plan is a defined contribution 401(k) plan – per adoption agreement effective November 1, 1987, covering eligible employees of Jack Resnick & Sons, Inc. and other entities related by common ownership (Companies). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, effective as of March 27, 2020. The Plan was amended effective as of July 1, 2022, to include that each employee of the Companies shall be eligible to participate in the plan upon meeting the requirements that they attained 21 years of age and are not included in a unit of employees covered by a collective bargaining agreement. The Plan was further amended and restated, effective as of January 1, 2024, which included an auto-enrollment provision whereby all eligible participants are automatically enrolled in the Plan unless they affirmatively elect to not participate in the Plan and allowed participants to make "Roth" deferral contributions. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

Eligibility

Each employee of the Companies shall be eligible to participate in the Plan upon meeting all the following requirements:

- Attaining 21 years of age
- Not included in a unit of employees covered by a collective bargaining agreement

Participant Contributions

Participants may direct the Companies to deposit up to 100% of their annual eligible compensation directly into their plan accounts on a before-tax basis. The amount deferred in any calendar year may not exceed the limits specified under the Internal Revenue Code Sections 401(k), 404 and 415.

Employer Contributions

The Companies have the right to make discretionary contributions based on a percentage of the annual compensation of eligible participants. The employer contribution percentage was 4% for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Companies' discretionary contribution and plan earnings. Allocations are based on participant's earnings or account balances, as defined.

Participants can elect from several investment vehicles offered by the Plan to which contributions on their behalf shall be directed. The plan trustee authorized the investments to be held by Principal Financial Group.

Notes Receivable from Participants

Participants may obtain loans against the vested value of their accounts. The minimum loan amount is \$1,000. The maximum amount of the loan cannot exceed the lesser of a) \$50,000 or b) 50% of the participant's vested account balance.

The funds required to satisfy a loan request are withdrawn on a pro rata basis from the participant's account in the various investment funds.

Jack Resnick & Sons, Inc. 401(k) Savings Plan

The loans generally must be repaid within five years, except in the case of a loan for acquiring any principal residence, of which is determined by the plan administrator, in accordance with the Plan's loan policy. Interest and principal repayments are credited directly to the borrower's respective account and are repaid by payroll deductions.

In accordance with the Plan Agreement, the loans bear interest equal to the prime interest rate plus one percent determined at the time the loan is disbursed. For the years ended December 31, 2023 and 2022, the prime rate on the outstanding notes receivable from participants ranged from 4.25% to 9.50%.

Vesting

All participants of the Plan are immediately 100% vested in their elective and rollover deferral contributions plus actual earnings thereon. Vesting in employer contributions is based upon the following schedule:

Years of Service	Vesting %
Less than or equal to 2 years	0%
Over 2 years but less than or equal to 3 years	35%
Over 3 years but less than or equal to 4 years	70%
Over 4 years	100%

However, participants will always be 100% vested in nonelective contributions if they are employed on or after their normal retirement age or if they terminate employment on account of death or becoming disabled.

Payment of Benefits

The distribution to which a plan participant is entitled is the participant's vested account balance, including net realized and unrealized investment gains and losses. A distribution election may be made upon retirement, death, or termination to be paid in a lump sum or an annuity. Participants may withdraw from their individual accounts pursuant to specific guidelines as set forth in the Plan.

Administrative Expenses

A portion of administrative expenses are paid directly by the Employer. To the extent expenses are not paid by the Employer, expenses may be paid out of the assets of the plan in accordance with ERISA guidelines.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 4 for discussion of fair value measurement). Earnings are based on each account's proportionate share of the respective fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Jack Resnick & Sons, Inc. 401(k) Savings Plan

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. Delinquent loans receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2023 and 2022.

Forfeited Accounts

Under the Plan Agreement, forfeitures of the employer's discretionary contributions are first restored to re-employed individuals that meet the conditions set forth in the Plan Agreement and are then used to pay administrative expenses under the Plan. At December 31, 2023 and 2022, cumulative forfeited non-vested accounts totaled approximately \$150,000.

3. Information Certified by The Plan's Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

The following was certified by the trustee as of December 31:

	2023	2022
Investments, at fair value	\$ 35,199,381	\$ 27,955,861
Notes receivable from participants	419,200	392,625
	<u>\$ 35,618,581</u>	<u>\$ 28,348,486</u>

The following was also certified by the custodians for the year ended December 31, 2023:

Net appreciation in fair value of investments	<u>\$ 5,279,824</u>
Dividend income	<u>\$ 663,523</u>
Interest income from notes receivable from participants	<u>\$ 28,066</u>

Jack Resnick & Sons, Inc. 401(k) Savings Plan

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly or indirectly include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Money market funds: Money market funds are valued at cost plus accrued interest, which approximates fair value.
- Mutual funds: Mutual funds are stated at fair value based on unadjusted quoted prices in an active market for each share held by the Plan.
- Common collective trust funds: Common collective trust funds are stated at fair value which is determined by the trustee of the common collective trust based on the underlying assets, which represent net asset value of units held by the trusts. The net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The common collective trust funds invest primarily in mutual funds and do not have any unfunded commitments relating to its investment, or any significant restriction or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value measured on a reoccurring basis as of December 31, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 4,191,385	\$ -	\$ -	\$ 4,191,385
Mutual funds	23,958,173	-	-	23,958,173
Total investments in the fair value hierarchy	28,149,558	-	-	28,149,558
Common collective trust funds, measured at net asset value (a)	-	-	-	7,049,823
Total investments at fair value	\$ 28,149,558	\$ -	\$ -	\$ 35,199,381

Jack Resnick & Sons, Inc. 401(k) Savings Plan

Investments at fair value measured on a reoccurring basis as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 3,813,885	\$ -	\$ -	\$ 3,813,885
Mutual funds	18,859,544	-	-	18,859,544
Total investments in the fair value hierarchy	22,673,429	-	-	22,673,429
Common collective trust funds, measured at net asset value (a)	-	-	-	5,282,432
Total investments at fair value	\$ 22,673,429	\$ -	\$ -	\$ 27,955,861

- a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

5. Plan Termination

Although it has not expressed any intention to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contribution.

6. Tax Status

The Company adopted a Prototype Non-Standardized Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Code (IRC) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the plan amendments and the plan sponsor have operated the Plan in a manner that did not jeopardize its tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more-likely-than-not would be sustained upon examination by federal and state jurisdictions. The Company concluded that it has no material uncertain tax liabilities to be recognized at December 31, 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party- In Interest Transactions

The Custodian of the Plan manages certain plan investments; therefore, these transactions qualify as party-in-interest transactions. Fees paid to the Custodian by the Plan for administrative services amounted to \$105,856 and \$100,315 for the years ended December 31, 2023 and 2022, respectively.

8. Concentrations

Balances in four investments accounted for approximately 63% and 64% of investments as of December 31, 2023 and 2022, respectively.

9. Risks and Uncertainties

The Plan's investments are concentrated in mutual fund accounts and common collective trust funds that invest in marketable equity, debt and fixed income securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risks associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Jack Resnick & Sons, Inc. 401(k) Savings Plan

10. Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date these financial statements were available for issuance. All subsequent events requiring recognition and disclosures as of December 31, 2023 have been incorporated in these financial statements.
