|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **Independent Auditor's Report**

To the Plan Administrator  
One Diversified, LLC 401(k) Plan  
Kenilworth, New Jersey

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of One Diversified, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of One Diversified, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of One Diversified, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about One Diversified, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of One Diversified, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about One Diversified, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **In our opinion**

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

### Note 1: Description of Plan

The following description of the One Diversified, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### Participation

Eligible employees of Diversified Video Systems, Diversified Media Group, Skyweb Digital Media, LLC, DiamondLyte, LLC, Technical Innovation, The Systems Group, LLC, CompView Medical, LLC, Media Management LLC, MCW Solutions, Sensory Technologies LLC, and HB Communications, Inc, (collectively "One Diversified" or the "Company") may participate in the Plan as of the entry date. The entry date is considered the first day of the month coinciding with or next following the date on which all applicable age and service requirements are satisfied. For elective salary deferrals, a participant becomes eligible on the participant's hire date. For the Company matching and discretionary nonelective contributions, if any, a participant becomes eligible after completing 1,000 hours in a 12-month period and attaining age 21. Effective November 1, 2023, for elective salary deferrals and the Company matching and discretionary nonelective contributions, a participant becomes eligible after the completion of 30 days of service. The entry date is considered the date on which the applicable service requirement is satisfied.

#### Contributions

A participant may elect to defer a percentage of compensation up to the limits allowed by the Internal Revenue Service (IRS). The Plan allows participants to make pre-tax and/or Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan has implemented an automatic contribution arrangement in which employees hired on or after January 1, 2018 will be automatically enrolled at a deferral rate of 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The employer can make discretionary matching and discretionary nonelective contributions to the Plan. During the year ended December 31, 2023, the Company made a discretionary matching contribution of 1% of eligible compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Contributions are credited to individual accounts of each participant. The Plan allows participants to direct the investment of their contributions and the Company's contributions into various investment options.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary matching and discretionary nonelective contributions, and an allocation of (a) plan earnings (losses), and (b) forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Note 1: Description of Plan** (Continued)

#### **Vesting**

Each participant is fully vested in the amount in his or her account attributed to any elective salary deferral contributions to the Plan. The portion of a participant's account balance attributed to the employer's discretionary contributions becomes 20% vested after two years of service. Consequently, a participant is fully vested after three years of service.

#### **Notes Receivable from Participants**

Participants may borrow a total of the lesser of 50% of their vested account balance (\$1,000 minimum) or \$50,000. A maximum of two outstanding notes are permitted at one time per participant. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates were in the range of 4.25% and 9.50% at December 31, 2023. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant shall be entitled to receive the vested amount in his or her separate account. The Plan provides that distributions at retirement be made at the participant's option, either in one of several annuity options or in a lump-sum distribution. In addition, hardship distributions out of the participant's vested accounts are permitted if certain criteria are met. A participant's normal retirement age is 59-1/2.

Upon the death of a participant, the participant's account balance will be 100% vested and will be used to provide his or her beneficiary with a death benefit.

Upon termination, a participant shall be entitled to his or her vested interest in the amount credited to his or her account.

#### **Forfeitures**

The portion of a participant's account balance which is not vested upon termination of employment will be forfeited and may be used in future periods to pay for administrative expenses or employer contributions.

Forfeitures amounting to approximately \$200,000 and \$68,000 at December 31, 2023 and 2022, respectively, were available for reduction of future administrative expenses or employer contributions. For the year ended December 31, 2023, \$4,396 of forfeitures were used to reduce employer contributions.

## **Notes to Financial Statements**

---

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amount of additions to and deductions from net assets during the reporting period. Actual results could differ from these estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable From Participants**

Notes receivable from participants are reported at their unpaid principal balances plus accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for uncollectible accounts was recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Plan Expenses**

Certain Plan expenses are paid by the Plan Sponsor. However, investment transaction fees are paid by the Plan.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment income/loss.

#### **Expense Offset Arrangements**

Fees incurred by the Plan for investment management services or recordkeeping are included in the net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

#### **Subsequent Events**

The Plan has evaluated subsequent events through October 15, 2024, which is the date the financial statements were available to be issued.

### **Note 3: Information Prepared and Certified by the Trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan from December 31, 2022 through October 31, 2023, and Bank of America, the Trustee of the Plan, effective November 1, 2023.

### **Note 4: Fair Value Measurements**

FASB's Accounting Standards Codification, ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

# One Diversified, LLC 401(k) Plan

## Notes to Financial Statements

---

### Note 4: Fair Value Measurements (Continued)

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust Funds:* Valued at the net asset value (NAV) of units of a bank common trust. The NAV, as provided by the Trustee, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate full redemption of the common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

### Note 4: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

### Note 5: Tax Status

The Plan adopted a non-standardized pre-approved profit sharing plan sponsored by Automatic Data Processing, which received an Opinion Letter from the Internal Revenue Service. The plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### Note 6: Related-Party Transactions and Party-in-Interest Transactions

Plan investments were managed by Reliance Trust Company ("Reliance"), the Trustee, as defined by the Plan, from December 31, 2022 through October 31, 2023, and, therefore, these transactions qualify as party-in-interest transactions. Reliance received revenue from mutual fund service providers for services Reliance provided to the funds. This revenue was used to offset certain amounts owed to Reliance for its administrative services to the Plan. If the revenue received by Reliance from such mutual fund service providers exceeds the amount owed under the service agreement with the Plan, Reliance remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Company may make a payment to Reliance for administrative expenses not covered by revenue sharing.

# One Diversified, LLC 401(k) Plan

## Notes to Financial Statements

---

### **Note 6: Related-Party Transactions and Party-in-Interest Transactions (Continued)**

Effective November 1, 2023, plan investments are managed by Bank of America, N.A. ("Bank of America"), the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Bank of America receives revenue from mutual fund service providers for services Bank of America provides to the funds. This revenue is used to offset certain amounts owed to Bank of America for its administrative services to the Plan. If the revenue received by Bank of America from such mutual fund service providers exceeds the amount owed under the service agreement with the Plan, Bank of America remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Company may make a payment to Bank of America for administrative expenses not covered by revenue sharing.

ADP, LLC ("ADP") was the third-party administrator, as defined by the Plan, from January 1, 2023 through October 31, 2023, and therefore transactions with ADP also qualify as party-in-interest transactions. Administrative expenses totaling \$282,105 were paid to ADP for the year ended December 31, 2023.

Effective November 1, 2023, Merrill Lynch, Pierce, Fenner, & Smith Incorporated ("Merrill Lynch") became the third-party administrator, as defined by the Plan, and therefore transactions with Merrill Lynch also qualify as party-in-interest transactions. Administrative expenses totaling \$3,144 were paid to Merrill Lynch for the year ended December 31, 2023.

Merrill Lynch is the financial advisor, as defined by the Plan, and therefore transactions with Merrill Lynch qualify as party-in-interest transactions. Investment advisory fees totaling \$443,554 were paid to Merrill Lynch for the year ended December 31, 2023. Fees incurred by the Plan for investment management services are included in net appreciation/depreciation in fair value of investments, since they are paid through revenue sharing rather than a direct payment.

Wipfli LLP ("Wipfli") is the auditor for the Plan and, therefore, fees paid to Wipfli also qualify as party-in-interest transactions. Fees paid directly by the Plan to Wipfli for audit services amounted to \$20,000 for the year ended December 31, 2023.

Robinson & Cole LLP provided legal services to the Plan, and therefore transactions with Robinson & Cole LLP qualify as party-in-interest transactions. Fees paid directly by the Plan to Robinson & Cole LLP for legal services amounted to \$7,380 for the year ended December 31, 2023.

Notes receivable from participants are also considered party-in-interest transactions exempt from the prohibited transactions rules.

### **Note 7: Risks and Uncertainties and Concentration of Investments**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## Notes to Financial Statements

### **Note 8: Plan Termination**

Although it has not expressed any intent to do so, the Company, and each participating employer, has the right under the Plan to discontinue its contributions at any time and to terminate its participation in the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

### **Note 9: Prohibited Transactions**

Under DOL Reg. 2510.3-102(b), the Plan is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Plan's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Plan. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain contributions for payrolls during the plan years ended December 31, 2023 and 2022, totaling \$697 and \$28,941 respectively, were remitted outside the 15-day requirement. These transactions constitute prohibited transactions as defined by ERISA.

### **Note 10: Excess Matching Contributions Payable**

Matching contributions paid to certain participants in 2023, included excess payments of \$2,095; in order to satisfy the relevant nondiscrimination provisions of the Plan, the excess contributions were forfeited from the impacted participant accounts and are payable to the Plan Sponsor. These amounts are recorded in the Plan's Statement of Net Assets Available for Benefits as excess contributions payable at December 31, 2023.
