Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **HANCOCK ASKEW & CO., LLP**

(2) EIN: **58-0662558**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	13536
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

The Plan Administrator and Participants
Waste Eliminator 401(k) Plan
Gainesville, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Waste Eliminator 401(k) Plan (formerly Waste Eliminator Inc. 401(k) Profit Sharing Plan & Trust) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the Participants, to determine the benefits due or which may become due to such Participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent participant contributions for the year ended December 31, 2023, and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Waste Eliminator 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Waste Eliminator 401(k) Plan (formerly Waste Eliminator Inc. 401(k) Profit Sharing Plan & Trust) (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan, originally effective January 1, 2018, restated on March 15, 2023, is a defined contribution plan covering all non-excluded employees of Waste Eliminator, LLC (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan transferred all of its assets from Mid Atlantic Trust Company (MATC) to American United Life Insurance Company (AUL), a OneAmerica Company during 2023.

Eligibility

Effective March 15, 2023, all employees, excluding those who are: non-resident aliens, covered by a collective bargaining agreement, leased employees, part-time, seasonal, or temporary employees, or become an employee as a result of certain transactions described in 26 CFR 410(b)(6)(C) of the Internal Revenue Code (IRC), who attain the age of 18 and complete 30 days of eligibility service are eligible. Participants become eligible to participate on the first day of the month following completion of the eligibility requirements. Prior to the amendment effective March 15, 2023, the service period for eligibility was 4 months.

Contributions

Each year, Participants may contribute up to 92% of their compensation so long as it is an amount equal to or below the dollar limitation set forth in Section 402(g) of the IRC in effect at the beginning of the Plan year. Roth elective deferrals are also permitted under the Plan. Eligible employees who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed by the IRC. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Effective May 20, 2022, all newly eligible employees are automatically enrolled into the Plan with a deferral rate of 3% of compensation deferred unless another option is elected by them. Additionally, effective March 15, 2023, Participants may now contribute up to 100% of their compensation so long as it is an amount equal to or below the dollar limitation set forth in Section 402(g) of the IRC in effect at the beginning of the Plan year. An automatic escalation feature was also adopted at 1% annually up to a maximum deferral rate of 6%.

The Company makes safe harbor matching contributions equal to 100% of contributions up to 3% and 50% of contributions up to the next 2% of eligible compensation for all Participants. Discretionary profit-sharing contributions may be made at the option of the Company's governing body. No such profit-sharing contribution was made during the year ended December 31, 2023. Participants direct the investment of their contributions into various investment options offered by the Plan. A current description of the investment funds may be obtained from the Plan Administrator.

Participant Accounts

Each Participant's account is credited with the Participant's contribution and allocations of the Company's contributions and Plan earnings or losses. Allocations are based on Participant compensation, deferrals, or account balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Waste Eliminator 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

A Participant may borrow from their pretax vested account balance, a minimum of \$1,000. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance, excluding the Roth elective deferral balance. Under no event will the loan amount exceed the lesser of \$50,000 or 50% of the non-forfeitable individual account of the Participant. The interest rate on all loans will be computed on the basis of the prime rate plus 1%, ranging from 4.25% to 9.50% for the year ended December 31, 2023. Loan repayments will be made ratably through regular payroll deductions over a period not to exceed five years, unless for the purchase of a principal residence.

Vesting

Participants are immediately and fully vested in their employee deferrals, their voluntary and rollover contributions, Company safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of continuous service. A Participant is vested 20% after 2 years of service, 40% after 3 years of service, 60% after 4 years of service, 80% after 5 years of service, and 100% after 6 years of service.

Investments

In accordance with the transfer of Plan assets, the Plan now offers investments options through AUL. All investment options are 100% Participant directed. Participants can choose from a wide array of investment options.

Payment of Benefits

A Participant's contributions and Company contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, or death. In-service distributions are allowed for Participants who have reached the age 59½, along with hardship withdrawals. Participants may elect to have distributions paid in a lump-sum, annuities, or installments.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from Participants are charged directly to the Participant's account. Fees related to the administration of distributions are taken out of the gross distribution to the Participant. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Forfeitures

Forfeited non-vested accounts totaled \$0 and \$5 on December 31, 2023 and 2022, respectively. Forfeited funds must be used first to pay the Plan's administrative expenses then to reduce future Company contributions. During the year ended December 31, 2023, \$1,012 of forfeitures were used to reduce administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

2. Summary of Significant Accounting Policies (cont.)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a Participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from Plan Participants and the safe harbor matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefit payments to Participants are recorded upon distribution.

3. Certified Information

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company (MATC) has provided a certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2022, and for the period from January 1, 2023 to October 31, 2023. Additionally, American United Life Insurance Company (AUL) has provided a certification that the financial information included in the financial statements and supplemental schedule as of and for the year ending December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurement

The Plan follows Accounting Standards Codification (ASC) topic 820, Fair Value Measurement, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Shares of mutual funds represent investments with various investment managers. The fair values of these funds are determined by reference to the registered investment companies' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value (NAV). It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held. The Plan does not hold these investments as of December 31, 2023.

Money Market Fund - The Money market mutual fund is valued using the amortized cost method of valuation or penny-rounding method of pricing as permitted by Rule 2a-7 under the Investment Company Act of 1940, as amended, which approximates their fair value. The Plan does not hold this investment as of December 31, 2023.

Pooled Separate Accounts (PSA) - The fair value of the pooled separate accounts is based on the NAV of each account calculated by AUL and is based on the NAV of the underlying investments. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Waste Eliminator 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022.

<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,369,118	\$ -	\$ -	1,369,118
Money market fund	193	-	-	193
Total investments at fair value	\$ 1,369,311	\$ -	\$ -	1,369,311

The Plan's investments at fair value as of December 31, 2023 are made up entirely of pooled separate accounts, which are measured at the NAV as a practical expedient. In accordance with Subtopic 820-10, certain investments that were measured as such are not classified in the fair value hierarchy. The Plan has no assets at December 31, 2023 that are classified in the fair value hierarchy.

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023.

Investment	Fair Value at December 31, 2023	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

- (a) Bond funds have the same interest rate, inflation and credit risks that are associated with the underlying bonds owned by the fund.
- (b) Funds that invest in high-yield bonds are subject to greater credit risk and price fluctuations than funds that invest in investment grade bonds.
- (c) Funds investing in stocks of small, mid-sized, and emerging companies may have less liquidity than those investing in larger, established companies and may be subject to greater price volatility and risk than the overall stock market.

4. Fair Value Measurement (cont.)

- (d) Investing in international markets involves risks not associated with investing solely in the U.S., such as currency fluctuation, potential political and diplomatic instability, liquidity risks, and differences in accounting, taxes, and regulations.
- (e) Investments that focus on real estate investing are sensitive to economic and business cycles, changing demographic patterns and government actions.
- (f) Target Date Funds are designed for people who plan to retire and begin taking withdrawals during or near a specific year. These funds use a strategy that reallocates equity exposure to a higher percentage of fixed investments; the funds will shift assets from equities to fixed-income investments over time. As a result, the funds become more conservative over time as you approach retirement. It's important to remember that no strategy can assure a profit or prevent a loss in a declining market and the principal value of the Target Date Funds is not guaranteed at any time, including the target date. Target Date Funds are designed to provide diversification and asset allocation across several types of investments and asset classes, primarily by investing in underlying funds. Therefore, in addition to the expenses of the Target Date Funds, an investor is indirectly paying a proportionate share of the applicable fees and expenses of the underlying funds. The principal amounts invested into these funds are not guaranteed at any point and may lose value.

5. Fully Benefit-Responsive Investment Contracts (FBRIC)

The Plan's fully benefit-responsive fixed interest investment option with the Company is maintained in the Company's general account. The account is credited with earnings on the underlying investments and charged for Participant withdrawals and administrative expenses. The fixed interest investment option issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract may be subject to a market value adjustment upon contract termination. Crediting interest rates on the fixed fund portion of the insurance investment contract are determined quarterly by the issuer with a minimum rate of 0.00%, subject to limitations relating to Plan termination, early retirements, etc.

As described above, because the fixed interest investment option is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed interest investment option. Contract value, as reported to the Plan by the Company, represents contributions made under the contract, plus earnings, less Participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the Company. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Participants, is probable.

6. Related Parties and Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. All investments are issued and held by AUL, custodian of the Plan. Notes receivable from Participants are defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

7. Tax Status

In March 2023, the Plan that was based on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by Paychex Inc. document moved to a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by ERISA Services Inc. The Internal Revenue Service (IRS) has issued a favorable opinion letter dated June 1, 2021, that the Pre-Approved Plan is designed in accordance with the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts.

9. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect Participants' account balances and amounts reported in the statements of net assets available for benefits.

10. Operational Error

During 2023, Plan management identified operational issues whereby certain Participants did not defer their elected amount or receive proper matching contributions. Plan management determined the affected Participants and deposited \$11,845 of qualified non-elective contributions into the Plan to make the affected Participants and the Plan whole, which is included in the financial statements in other employer contributions for the year ended December 31, 2023.

11. Delinquent Participant Contributions

During 2023, employee withholdings of \$13,536 were not remitted within the appropriate time period. The Employer remitted delinquent contributions of \$13,536 in 2023 and plans to remit related lost earnings during 2024. This transaction constituted a prohibited transaction as defined by ERISA.

12. Subsequent Events

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through the date of issuance, October 14, 2024, and has determined that no significant events occurred after December 31, 2023, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.
