Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of SUEZ Water Resources LLC 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the then year ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of SUEZ Water Resources LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SUEZ Water Resources LLC 401(k) Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SUEZ Water Resources LLC 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SUEZ Water Resources LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of SUEZ Water Resources LLC 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 11, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following brief description of the SUEZ Water Resources LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that covers the eligible employees of Veolia Utility Resources, LLC and its subsidiaries and certain affiliates (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective March 28, 2022, the Plan was amended to change the name of the plan sponsor from SUEZ Water Resources, LLC to Veolia Utility Resources, LLC.

With the Veolia merger with SUEZ, IRS Rules regarding mergers and acquisitions allow for a transition period when two organizations with retirement programs come together. Veolia has begun the process of coordinating investments and plan features within the timeframes provided under those IRS Transitional Rules for Coverage, Participation, and Benefits, Rights and Features. None of the coordination has been finalized or executed as of the date of filing.

Eligibility

All employees of the Company, except for those who are covered by a collective bargaining agreement and leased employees, automatically become eligible to participate in the Plan upon hire and are automatically enrolled in the Plan at a 3% pre-tax deferral percentage. Employees may elect not to participate in the Plan.

Contributions

The Plan permits participants to make pre-tax contributions of between 1% and 50% of their eligible compensation for the year, provided such contributions do not exceed the dollar limitation in effect under the Internal Revenue Code (the “Code”). The Plan also permits participants to make post-tax contributions between 1% and 50% of their eligible compensation for the year, provided such contributions do not exceed the allowable amount under the Code. The total of the participants’ pre-tax contributions and post-tax contributions may not exceed 50% of their compensation for the year and may not exceed the allowable amount under the Code. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. The Company contributions are determined by the amounts indicated in the plan document.

The Company provides an enhanced 401(k) Company match and contribution for certain new hires and certain other employees not currently accruing benefits within a defined benefit plan. The enhancement increases the Company match to 50% of the first 8% of the participant’s contribution, with an additional employer contribution ranging from 1% to 4% of the employee’s base compensation, which increases during the employee’s career based on age. Employees do not have to contribute to the Plan in order to receive the age based contribution. Participants are fully vested in their contributions and earnings thereon immediately, and become fully vested in the Company’s contributions and earnings thereon after one year of credited service. Full vesting also occurs upon attaining age 65, permanent disability or death, regardless of the participant’s length of Service.

1. Description of the Plan (continued)

Investment Options

All of the Plan's investment options are participant-directed into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with his or her contribution, the Company's matching contribution, and Plan earnings or losses, and is charged with an allocation of administrative expenses.

Forfeitures

Forfeitures of terminated, non-vested participants' accounts are first applied to restore any participant accounts of employees who are re-employed and any remaining amounts are used to pay plan expenses as applicable. Forfeitures from employees for the years ended December 31, 2023 and 2022 were \$24,157 and \$37,901, respectively. Plan forfeitures of \$27,778 and \$944 were applied in conjunction with the payment of employer contributions and plan expenses, respectively, for the year ended December 31, 2023. Plan forfeitures of \$845 and \$499 were applied in conjunction with the payment of employer contributions and plan expenses, respectively, for the year ended December 31, 2022. The available balance of forfeitures as of December 31, 2023 and 2022 were \$38,842 and \$43,561, respectively.

Payment of Benefits

Benefits may be paid upon death, disability, termination, normal retirement or attainment of age 59½ to the participants or their beneficiaries. These benefits are generally paid in lump-sum amounts equal to the value of the participant's vested interest in his or her account. The Plan also permits installment distributions not to exceed a ten-year period.

Notes Receivable from Participants

Participants may borrow from their accounts in amounts ranging from \$1,000 to \$50,000, provided the loan is not more than 50% of their vested account balances. The terms of the loans range from one to five years, with longer terms permitted for the purchase of a primary residence. The maximum number of loans a participant may have outstanding at any time is three. The loans are secured by the balance in the participant's account and bear interest at a fixed interest rate which is determined when the loan is made by reference to market and non-market interest rates (ranging between 4.25% and 9.5% at December 31, 2023). Interest is fixed for the term of the loan. Principal and interest are paid through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance, plus any accrued interest.

1. Description of the Plan (continued)

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. All transaction fees are paid from participants' accounts.

Transfers

Transfers in during 2023 and 2022 were \$1,199,430 and \$549,214, respectively, and represent assets transferred in from the SUEZ Water Resources LLC Collectively Bargained 401(k) Plan as a result of a change in the status of participants from bargained employees to non-bargained employees of the Company.

Transfers out during 2023 and 2022 were \$151,409 and \$117,679, respectively, and represent assets transferred to the SUEZ Water Resources LLC Collectively Bargained 401(k) Plan as a result of a change in the status by participants from non-bargained employees to bargained employees of the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Presentation

The Plan's financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value generally by reference to published market prices valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of investments are recorded on a trade date basis (the day the order to buy or sell is executed). Interest income is accrued when earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

2. Summary of Significant Accounting Policies (continued)

The Plan holds an investment in the Vanguard Retirement Savings Trust, a common and commingled trust (the "Trust") that invests solely in the Vanguard Retirement Savings ("VRST") Master Trust. The Plan's investment in the Trust is valued at the unit value of the Trust. The Trust values its investments in the VRST Master Trust similarly. The underlying investments of the VRST Master Trust are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts and bond mutual funds. The contracts are comprised of: (a) traditional investment contracts issued by insurance companies and banks which are not transferable but provide for benefit-responsive withdrawals by Plan participants at contract value, and (b) alternative investment contracts consisting of investments together with contracts under which a bank or other institution provides for benefit-responsive withdrawals by Plan participants at contract value. For fully benefit-responsive investment contracts included in the VRST, contract value is the relevant measurement attribute because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined contribution plan.

The Plan holds an investment in the Prudential Core Plus Bond Fund Class 12. This Fund was established by the collective trust of Prudential Trust Company as a vehicle to invest in a diversified portfolio of debt securities. The Fund will be invested primarily in fixed income securities in the U.S. investment grade sectors, as well as U.S. fixed income securities rated below investment grade, the debt of developed international markets and the debt of emerging markets. The Fund may also invest in fixed income comingled vehicles. The fund is valued at unit value.

The Plan holds an investment in the Columbia Trust Dividend Income Fund Institutional 1 Fund. The fund primarily invests its net assets (including the amount of any borrowings for investment purposes) in a diversified portfolio of income-producing (dividend-paying) equity securities, which will consist primarily of common stocks but also may include preferred stocks and convertible securities. The fund may also invest up to 20% of its net assets in debt securities, including securities that, at the time of purchase, are rated below investment grade or are unrated but determined to be of comparable quality. The fund may also invest up to 20% of its net assets in foreign securities. The fund may invest in derivatives, including futures, forwards, options, swap contracts and other derivative instruments. The investment option is a collective investment trust, managed by Ameriprise Trust Company. The fund is valued at unit value.

The Plan holds an investment in the AB US Large Cap Growth Collective Investment Fund (W Series) Class L (the "Underlying Fund") of the AB Collective Investment Trust Series. It invests primarily in large-cap US stocks and may invest in non-US securities. This investment option is a collective investment trust, managed by Wilmington Trust, N.A. The fund is valued at unit value.

The Plan holds an investment in the BlackRock MidCap Growth Equity Fund Class L1. The Fund invests solely in the MidCap Growth Equity Fund F (the "Underlying Fund"). The underlying fund invests and reinvests in a portfolio primarily consisting of equity securities issued by U.S. mid-capitalization companies. The investment option is a collective investment trust, managed by Wilmington Trust, N.A. The fund is valued at unit value.

3. Fair Value Measurements

Accounting Standards Codification topic (“ASC”) 820, Fair Value Measurements and Disclosures, defines fair value, and establishes a framework for measuring fair value in US GAAP and disclosing fair value measurements. It also applies under other accounting pronouncements that require or permit fair value measurements.

The fair value hierarchy for disclosure of fair value measurements under ASC 820 is as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Quoted prices, other than quoted prices included in Level 1, that are observable for the assets or liabilities, either directly or indirectly.
- Level 3: Valuation inputs are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2023 and 2022.

- Mutual funds: Valued at quoted prices (unadjusted) in an active market at year-end.
- Self-directed brokerage accounts: Self directed brokerage accounts include cash and mutual funds, which are valued at quoted prices (unadjusted) in an active market of the underlying investments held by the Plan at year-end.
- Common collective trust funds: The fair value of the common collective trust funds are determined by the custodian of the common collective trust funds based on the underlying assets, which represent the net asset value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (continued)

3. Fair Value Measurements (continued)

The fair values of the Plan's investments were as follows at December 31, 2023 and 2022:

	Level 1	Level 2	Level 3	Total
At December 31, 2023:				
Mutual Funds	\$ 203,442,402	\$ -	\$ -	\$ 203,442,402
Self-Directed Brokerage Accounts	5,895,525	-	-	5,895,525
Total investments in the fair value hierarchy	<u>\$ 209,337,927</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 209,337,927</u>
Common Collective Trust Funds (a)				<u>12,893,916</u>
Total investment at fair value				<u>\$ 222,231,843</u>
At December 31, 2022:				
Mutual Funds	\$ 177,902,120	\$ -	\$ -	\$ 177,902,120
Self-Directed Brokerage Accounts	5,619,337	-	-	5,619,337
Total investments in the fair value hierarchy	<u>\$ 183,521,457</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 183,521,457</u>
Common Collective Trust Funds (a)				<u>13,371,715</u>
Total investment at fair value				<u>\$ 196,893,172</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Related Party Transactions

The Plan invests in shares of mutual funds managed by Fidelity Management Trust Company ("Fidelity" or the "Trustee"). Fidelity act as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Total administrative expense paid by the Plan to parties-in-interest amounted to \$88,958 and \$115,419 for the years ended December 31, 2023 and 2022, respectively.

Fidelity receives revenue from certain investments in the Plan. Fidelity and the Employer have agreed that if this revenue exceeds an agreed upon revenue rate, Fidelity shall make an amount equal to such excess available to the Plan to pay ERISA qualified plan administrative expenses. For the years ended December 31, 2023 and 2022, an excess of \$36,253 and \$7,252, respectively, was made available to the Plan. No revenue was used to pay for ERISA qualified plan administrative expenses, or allocated to participant accounts for the years ended December 31, 2023 and 2022, respectively. The remaining balance available to pay future expenses was \$49,075 and \$11,275, respectively, as of December 31, 2023 and 2022.

5. Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required schedule is in complete and accurate.

Information relating to investments and notes receivable from participants held by Fidelity at December 31, 2023 and 2022 is as follows:

	2023	2022
Mutual funds	\$ 203,442,402	\$ 177,902,120
Self-directed brokerage accounts	5,895,525	5,619,337
Common collective trust funds	12,893,916	13,371,715
Notes receivable from participants	3,399,940	2,961,842
	<u>\$ 225,631,783</u>	<u>\$ 199,855,014</u>

The following was also certified by FMTC for the years ended December 31, 2023 and 2022:

	2023	2022
Net appreciation (depreciation) in fair value of investments	\$ 25,212,112	\$ (41,527,617)
Dividend and interest income	\$ 5,639,268	\$ 3,302,711
Interest income on notes receivable from participants	\$ 187,198	\$ 140,282

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

6. Income Tax Status

The Plan received a determination letter from the Internal Revenue Service dated February 8, 2018, maintaining that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator and the Plan's counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

SUEZ Water Resources Inc. 401(k) Plan

Notes to Financial Statements (continued)

6. Income Tax Status (continued)

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that would not meet the more likely than not standard and be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, which is the date these financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.
