INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Medi USA, L.P. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Medi USA, L.P. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Prior Period Financial Statements

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Medi USA, L.P. Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution and Safe Harbor 401(k) plan covering substantially all employees of Medi USA, L.P. (the "Company" or the "Plan Sponsor"). The Plan Sponsor established the Plan on January 1, 1992. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Principal Trust Company (the "Custodian") held the Plan's investment assets and executed investment transactions for the years ended December 31, 2023 and 2022.

Eligibility. An eligible participant, as defined by the Plan, is eligible to participate in the Plan upon attainment of age eighteen and the completion of three months of service. Participants may enter the Plan on the first day of the month or after they meet these requirements.

Contributions. Each year, participants may contribute to the Plan a portion of their eligible compensation, as defined in the Plan. These contributions cannot exceed the maximum limits set by the Internal Revenue Service ("IRS"). Participants may also contribute a portion of their eligible compensation on a Roth basis. Participants who are 50 years of age or older by the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified defined benefit or contribution plans.

The Plan Sponsor makes a safe harbor matching contribution of 100% of the participant's contribution for the first 3% of total plan compensation, plus 50% of the matched contribution for the next 2% of total plan compensation not to exceed 5%. The Plan also permits discretionary profit sharing and matching contributions.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Options. Upon enrolling in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual funds and collective trust funds as investment options for participants.

Vesting. Participants are immediately vested in their voluntary and safe harbor contributions in addition to actual earnings thereon. Vesting in the Plan Sponsor's matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested on the first day of participation.

Notes Receivable From Participants. The Plan does not allow for loans to the participants of the Plan.

Payment of Benefits. Upon death, disability, retirement, or termination of service, a participant with a vested account balance greater than \$7,000 may receive a lump-sum distribution or have the balance directly rolled over to an eligible retirement plan. Participants who have been terminated and have account balances less than or equal to \$1,000 will receive a lump-sum distribution. Participants who have been terminated and have an account balance greater than \$1,000 but the balance does not exceed \$7,000, the Plan will transfer the vested account balance to an individual retirement account established in the participants name if no other qualifying election is made by the participant.

Forfeited Accounts. Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is used to offset various administrative and professional expenses and reduce future employer contributions. During the years ended December 31, 2023 and 2022, there were no forfeitures used to offset expenses or employer contributions. The plan had a forfeiture balance of \$32 as of December 31, 2023, whereas there was no forfeiture balance as of December 31, 2022.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan or Plan Sponsor, as provided by the Plan document. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions. Contributions from employees are recorded as they are withheld from the participant's wages. Contributions from the Plan Sponsor are recorded in the period in which the related participant contributions are due.

Payment of Benefits. Benefit payments to participants are recorded when paid.

Income Taxes. The IRS has determined and informed the Plan's volume submitter on June 30, 2020 that the prototype plan adopted by the Company, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdiction; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2020.

NOTES TO FINANCIAL STATEMENTS

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian.

	<u>2023</u>	<u>2022</u>
Mutual funds, at fair value	\$ 12,023,858	\$ 9,531,805
Collective trust funds, at fair value	\$ 10,376,774	\$ 9,304,548
Net appreciation (depreciation) in fair value of investments	\$ 3,427,681	\$ (4,341,978)
Dividends and interest	\$ 136,959	\$ 112,712

4. FAIR VALUE MEASUREMENTS:

The Fair Value Measurements and Disclosures topic provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at NAV based on the fair value of the fund's underlying investments using information reported by the Custodian. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value.

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2023</u> <u>Value</u>	<u>2022</u> <u>Value</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective trust funds:				
Fixed income	\$ <u>10,376,774</u>	\$ <u>9,304,548</u>	Daily	None

There were no unfunded commitments for these investments as of December 31, 2023 and 2022.

The investment objectives for the registered investments measured using the net asset or unit value are as follows:

Fixed income: Invests in a broad range of fixed income securities with high income yields, returns that outpace inflation, or returns that are designed to track a specified inflation index.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Fair Value Measurements Using:</u>				
	<u>Total</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2023:</u>

	<u>\$ 22,400,632</u>	<u>\$ 12,023,858</u>	<u>\$ 0</u>	<u>\$ 0</u>

	<u>\$ 18,836,353</u>	<u>\$ 9,531,805</u>	<u>\$ 0</u>	<u>\$ 0</u>

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments on the accompanying statements of changes in net assets available for benefits.

5. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by Principal Trust Company, the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Administrative, recordkeeping, and investment fees paid by the Plan using Plan assets were \$10,243 and \$4,417 for the years ended December 31, 2023 and 2022, respectively. These fees were based on customary and reasonable rates for such services. The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan Sponsor directly pays any other fees related to the Plan's operations.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. PLAN ERRORS:

During the year ended December 31, 2022, the Plan Sponsor identified and corrected certain Plan errors related to the timeliness of remittances to the Plan outside of the IRS Voluntary Correction Program. These delinquent contributions totaled \$33,075 for the year ended December 31, 2022. The Plan Sponsor calculated lost earnings of \$1,498 to be remitted to the affected participants' accounts. The Plan Sponsor corrected and remitted the lost earnings during the year ended December 31, 2023.

MEDI USA, L.P. PROFIT SHARING 401(K) PLAN

8. RECONCILIATION TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the accompanying financial statements as of December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 22,402,845	\$ 18,836,353

Net assets available for benefits per Form 5500	<u>\$ 22,344,669</u>	<u>\$ 18,780,424</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the accompanying financial statements for the years ended December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits per the financial statements	\$ 3,566,492	\$ (3,494,060)
Net change in adjustment from NAV to fair value for common collective trust fund	<u>(2,247)</u>	<u>(73,360)</u>
Net increase (decrease) in net assets available for benefits per Form 5500	<u>\$ 3,564,245</u>	<u>\$ (3,567,420)</u>

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through October 15, 2024, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
