The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc.'s internal control. Accordingly, no such opinion is expressed.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the 401(k) Profit-Sharing Plan for Employees of Central Valley Training Center, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan providing retirement benefits for all employees of Central Valley Training Center, Inc. (the "Employer"). Employees are eligible to enter the Plan on the first day of the month following the beginning of their employment. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 401(k) of the Internal Revenue Code.

CARES Act:

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. Beginning in April 2020, as permitted by the CARES Act, the Plan opted in to implement the following provisions:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Required minimum distributions for calendar year 2020 are waived for retired and retirement-age individuals.

The Plan retroactively included these provisions as an amendment to the Plan during 2022.

Contributions:

Each year, eligible employees may contribute up to the maximum limit established annually by the Internal Revenue Service ("IRS"). The Plan provides for an automatic enrollment affirmatively elect a different percentage or elect not to participate in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

CENTRAL VALLEY TRAINING CENTER, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Contributions: (Cont.)

The Plan currently offers various mutual funds and an Interest Accumulation Fund through Mutual of America Financial Group ("Mutual of America"). The Employer may also make a discretionary matching contribution of an amount equal to a portion of each participant's salary deferral contribution, as well as a discretionary profit-sharing contribution. A participant must be employed on the last day of the plan year to receive a profit-sharing contribution. The contribution is allocated to eligible participants based on the ratio of compensation to total eligible compensation.

Vesting:

Participant contributions are fully vested upon contribution. A six year graded vesting schedule applies to the employer's discretionary matching contribution.

Participant Accounts:

Mutual of America maintains an account for each participant. Each participant account is credited with the participant's contributions (if any), forfeitures (if any), allocation of Plan earnings or losses, and rollovers from other qualified plans. Allocations are based on participant earnings or account balances, as defined. The maximum benefit that a participant is entitled to is the benefit that can be provided from the participant's vested account.

Payment of Benefits:

Upon separation of service or other conditions as defined in the Plan, the participants or their beneficiaries are entitled to a lump sum cash payment equal to the value of their accounts or periodic cash payments. For participants who incur termination from employment and have a vested account balance of less than \$1,000 the Plan provides a mandatory cash-out in a single lump sum payment. The Plan permits a hardship distribution to a participant in accordance with the Plan's hardship policies.

Forfeited Accounts:

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$47,030 and \$29,035, respectively. Amounts accumulated in the forfeiture account will be allocated to participants based on a ratio of compensation.

Administrative Expenses:

All Plan administrative expenses, the annual audit, and tax fees are paid by the Employer. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investments contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through October 14, 2024, the date on which the financial statements were available to be issued. There were no material modifications to the Plan or the plan provisions.

CENTRAL VALLEY TRAINING CENTER, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of pooled separate accounts is based on quoted net asset values of the shares as reported by the fund. The investments held by the Plan consisted of investments in mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

	<u>December 31, 2023</u>		
Pooled Separate Accounts	\$	3,594,036	
Total investments at fair value	\$	3,594,036	
Pooled Separate Accounts	\$	2,911,633	
Total investments at fair value	\$	2,911,633	
	<u>December 31, 2022</u>		
Pooled Separate Accounts	\$	2,911,633	
Total investments at fair value	\$	2,911,633	

During 2023, the Plan's investments in pooled separate accounts (including investments bought, sold, and held during the year) appreciated \$550,928 in value.

**401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTRAL VALLEY TRAINING CENTER, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Custodian (Unaudited)

The Plan's investments are held and administered by Mutual of America, as custodian. The custodian of the Plan has provided a certification that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments, at fair value as of December 31, 2023 and 2022.

Investments, at contract value as of December 31, 2023 and 2022.

Net appreciation in fair value of investments for the year ended December 31, 2023.

Investment income for the year ended December 31, 2023.

Interest and dividends for the year ended December 31, 2023.

Note 5. Investments in Insurance Contract

The Plan has a group annuity contract with Mutual of America. Mutual of America maintains contributions in a general account ("Interest Accumulation Account") and a pooled separate account made up of a number of variable investment options. The Interest Accumulation Account is a fully benefit-responsive investment and is recorded at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus interest at the contract rates, less withdrawals or transfers by participants and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates averaged 1.56% and 0.25% for the years ended December 31, 2023 and 2022, respectively. The minimum guaranteed rate is 0.15%. The interest will allocate to the Interest Accumulation Account as determined by Mutual of America, but not less frequently than once a calendar month.

Amounts allocated to an investment fund within the Mutual of America separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by Mutual of America and the daily equivalent of any fee charged by Mutual of America pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by Mutual of America exclusively in the share of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant.

**401(k) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTRAL VALLEY TRAINING CENTER, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time subject to the provisions set forth in ERLSA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 7. Related Party Transactions

During the 2023 and 2022 plan years the custodian of the plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. There were no separate fees paid by the Plan for the investment services.

Note 8. Income Tax Status and Plan Amendments

The Plan obtained its latest determination letter on November 30, 2020, in which the IRS has determined and informed the sponsor of the non-standardized pre-approved plan that the Plan and related trust, as then designed, are designed in accordance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
