INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees of
Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from John Hancock Life Insurance Company (U.S.A.) as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by John Hancock Life Insurance Company (U.S.A.) agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by John Hancock Life Insurance Company (U.S.A.) agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Patriot Environmental Laboratories, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information. Plan participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that was adopted by Patriot Environmental Laboratories, Inc. (“the Company”) on January 1, 2013. The Plan provides retirement benefits for all eligible employees of the Company. Plan participants are eligible to receive a nonelective employer contribution if they have at least 1,000 hours of service during the Plan year and are employed by the Company on the last day of the Plan year. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”) of 1986, as amended.

The Adoption Agreement of the Plan was restated, effective March 31, 2014 and January 1, 2016, to incorporate the changes required by ERISA.

Contributions

Each year the participants may elect to contribute up to 100 percent of their annual eligible compensation as defined in the Plan, subject to the maximum deferral limitation, as defined by the IRC. Participants may elect to designate their deferrals as either pre-tax or after-tax Roth deferrals. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. For the year ended December 31, 2023, the maximum statutory amount was \$22,500 plus \$7,500 for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

In accordance with the Plan document, the Company matches 100% of participant deferred contributions up to 4% of eligible compensation. The Plan also provides for discretionary profit sharing contributions to be made by the Company, as defined. For the year ended December 31, 2023, the Company did not make a discretionary profit sharing contribution.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution and allocations of Plan earnings, and charged with any withdrawals or distributions requested by participants, investment losses and an allocation of administrative expenses, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

NOTE A – DESCRIPTION OF THE PLAN – CONTINUED

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching contributions and profit sharing contributions, plus actual earnings thereon, are based on years of continuous service. A participant’s account vests ratably and is 100% vested after 5 years of credited service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants are considered fully vested upon attainment of retirement age or retirement due to permanent disability or death.

Investments

The Plan provides for a number of different investment options based upon various investment risk factors. Plan assets are stated at fair value as determined by quoted market prices. Participant loans are valued at cost which approximates fair value. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Plan participants may borrow from their Plan account balance, as defined by the Plan. The minimum amount of any loan is \$1,000, with a maximum equal to the lesser of 50% of the participants’ vested account balance, or \$50,000. Interest is charged on the outstanding unpaid principal balance at rates determined by the Plan administrator based on the prevailing interest rates. Principal and interest are paid ratably through payroll deductions. Loans are secured by the participant’s vested account balance. The repayment period may not exceed five years; however, loans for the purchase of a principal residence may be extended to 10 years or such longer period that is a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans.

NOTE A – DESCRIPTION OF THE PLAN – CONTINUED

Payment of Benefits

On termination of service due to death, disability or retirement, benefits will be paid to participants. Participants may elect payment options including a lump-sum distribution or periodic payments payable over a fixed term, equal to the value of the participant's vested interest in his or her account. Vested balances less than \$1,000 may be distributed in a lump-sum amount without the participant's consent. Additionally, under certain circumstances of financial hardship or attaining the age of 59^{1/2}, participants are allowed to withdraw certain funds from the Plan.

Forfeitures

If the participants terminate employment before 100% vested in their account balance and receive a distribution of the vested portion of their account, the non-vested portion of their account will be forfeited when they take their distribution. Forfeitures, if any, are used to reduce administrative expenses under the Plan. At December 31, 2023 and 2022, total forfeitures available to the Plan were \$4,017 and \$23,513, respectively.

Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Company.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for further details regarding fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts reported in the financial statements and accompanying disclosures. Actual results could differ from those estimates.

NOTE C – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE D – FAIR VALUE MEASUREMENTS – CONTINUED

Pooled separate accounts: The pooled separate accounts consist of investments primarily in mutual funds. The fair value of mutual funds is valued at the net asset value (“NAV”) of shares held by the Plan at year end. NAV represents the sum of the underlying investments and the price at which the funds are traded on active markets. All investments are valued at NAV, which are not required to be shown on a fair value table in accordance with Accounting Standards Codification (ASC) 2015-07; therefore, no fair value table is presented.

The following table sets forth additional disclosures of the Plan’s investments whose fair value is estimated using the NAV per share (or its equivalent) as of December 31, 2023 and 2022.

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Redemption Restrictions</u>	<u>Redemption Notice Period</u>
December 31, 2023:					
Pooled Separate Accounts	\$3,318,996	None	Daily	None	None
December 31, 2022:					
Pooled Separate Accounts	\$2,651,870	None	Daily	None	None

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

NOTE F – CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – WITHDRAWN PARTICIPANTS

At December 31, 2023 and 2022, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

NOTE H – PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments in pooled separate accounts are managed by John Hancock USA, the trustee as defined by the Plan. The transactions executed with John Hancock USA qualify as party-in-interest transactions. Notes receivable from Plan participants and the related interest income are also considered party-in-interest transactions. The Plan also has several service providers. Such providers are parties-in-interest under ERISA.

NOTE I – TAX STATUS

The Plan adopted a volume submitter plan document, which received a determination letter on March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the prototype plan, as then designed, was in compliance with the provisions of the IRC. The Plan has not filed for its own determination letter from the IRS; however, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan is not currently subject to tax.

FASB ASC 740-10, *Income Taxes* prescribes a comprehensive model for recognizing, measuring, presenting and disclosing tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken as of December 31, 2023, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J – NONEXEMPT PROHIBITED TRANSACTIONS

The Plan had withholdings of employee contributions that were not allocated to participants’ accounts within the time frame guidelines outlined by the Department of Labor. These contributions are considered prohibited transactions and are reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. The Company is aware of the occurrence and has taken appropriate corrective action.
