INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Kee Safety, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 and 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Kee Safety, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 and 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 and 2022 Financial Statements section—

- the amounts and disclosures in the 2023 and 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 and 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 and 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 and 2022 Financial Statements section of our report. We are required to be independent of Kee Safety, Inc.'s retirement plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 and 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kee Safety, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements conform with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 and 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 and 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance. Still, it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kee Safety, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about Kee Safety, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 and 2022 financial statements, and reading the disclosures relating to the certified

investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 and 2022 Supplemental Schedules Required by ERISA

The supplemental schedule - Schedule H, line 41 schedule of assets (held at the end of the year) as of December 31, 2023, and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kee Safety, Inc. Retirement Plan

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Kee Safety, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Kee Safety, Inc. (the Company); Simplified Safety, Inc.; LNA Solutions Inc.; SESCO LLC; Easyfit, Inc.; Flexible Lifeline Systems, Inc.; Lighthouse Safety, LLC; Safeguard US, Inc.; FlexDecks and Omega Industrial Safety Products/Alpha. Employees twenty-one years or older are eligible to enter the plan on the first day of the month following sixty (60) days of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Participant Contributions

Each year, eligible participants may contribute up to 100 percent of their pre-tax annual compensation through elective pre-tax contributions, Roth elective deferrals, or a combination of both, not to exceed the maximum yearly limitations allowed by the Internal Revenue Code (the Code). Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the Plan year's end are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment allocation up to three times annually.

Company Contributions

The Plan requires a matching contribution to be made by the Company at a rate of 50% of the first 6% of compensation deferred by each participant. All participants are eligible for the matching contribution. The matching contribution amounted to \$480,039 for the year ended December 31, 2023 (\$232,674 - 2022). The Company may make a discretionary matching contribution as determined annually by the Company's management. The matching Company contribution is invested directly into the participants' investment options. There were no discretionary matching contributions for the years ended December 31, 2023, and 2022.

Non-elective profit-sharing contributions may be made at the discretion of the Company. The only companies eligible for the Profit Sharing are Kee Safety, Simplified Safety, EasyFit, LNA Solutions and SESCO Safety. Allocation of the non-elective contribution will be based on the percentage of employee compensation to the total compensation of participating employees. The non-elective profit-sharing contribution amounted to \$363,839 for the year ended December 31, 2023 (\$339,206 - 2022).

Notes to Financial Statements

December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contributions, company matching contributions, profit share contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

Notes Receivable from Participant

Participants may borrow a minimum of \$1,000 from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus two percent. Principal and interest are paid ratably through payroll deductions. No allowance for credit losses has been recorded as of December 31, 2023, or 2022.

Benefit Payments

Participants (or their beneficiaries) are eligible to receive vested benefits upon retirement, death, permanent disability, attainment of age 59½, or when they cease to be an employee of the Company. In addition, a participant can withdraw all or any portion of his or her elective and rollover contributions in the event of financial hardship. The normal form of benefit payments is made in the form of a lump-sum distribution. During 2020, the Plan also adopted CARES Act provisions to allow Coronavirus Related Distributions (CRDs) to individuals affected by COVID-19 for up to \$100,000.

Forfeited Accounts

Forfeited accounts may be used to pay administrative expenses for the Plan or to reduce future employer contributions at the discretion of the Plan Administrator. For the years ended December 31, 2023, and 2022, no forfeitures were used to pay administrative expenses. During the year ended December 31, 2023, \$90,686 in forfeitures were used to reduce employer contributions from forfeited non-vested accounts (\$43,230 - 2022).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The plan's financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

Preparing financial statements in conformity with accounting principles generally accepted in the United

Kee Safety, Inc. Retirement Plan

Notes to Financial Statements

December 31, 2023 and 2022

States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Company management determines the Plan's valuation policies utilizing information from investment advisers and custodians. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of the fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. Suppose a participant ceases to repay the loan, and the plan administrator deems the participant's loan to default. In that case, the participant's loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as liabilities with a corresponding reduction in contributions. The Plan distributed the 2022 excess contributions to the applicable participants before March 15, 2023.

Payments of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses for maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that the Company pays are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of the fair value of investments.

These financial statements have not been updated for subsequent events occurring after October 14, 2023, the date they were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting

Kee Safety, Inc. Retirement Plan

Notes to Financial Statements

December 31, 2023 and 2022

Standards Board (FASS) ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level 2 Inputs to the valuation methodology include
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any significant input to the fair value measurement. Valuation techniques must maximize the use of observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodologies used to measure assets at fair value. As of December 31, 2023, or 2022, there have been no changes in the methodologies used.

Shares of Registered Investment Companies and Common Collective Trusts

Shares of registered investment companies and common collective trusts are valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish daily net asset value (NAV) and transact at that price. The shares of registered investment companies held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023, and 2022:

Investments at Fair Value December 31, 2023				
	Level 1	Level 2	Level 3	Total

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

American Funds managed plan investments for the years ended December 31, 2023, and 2022. Capital Bank and Trust Company (Capital Bank) is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for contract administration and other services were \$32,949 for the year ended December 31, 2023 (\$16,664 - 2022).

Investment income (loss) on assets invested with Capital Bank amounted to \$2,097,490 for the year ended December 31, 2023 ((\$2,195,199) - 2022). Interest income on notes receivable from participants amounted to \$4,948 for the year ended December 31, 2023 (\$4,127 - 2022).

NOTE 5 - FINANCIAL CERTIFICATION

The following is a summary of the financial information regarding the Plan's assets as of December 31, 2023, and 2022, as well as income and transactions for the years then ended that were prepared from information provided by Capital Bank that has been certified by them as complete and accurate.

Incorporating this financial information in the accompanying financial statements is based solely on their certifications and has not been audited by independent accountants.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Participants will become 100 percent vested in their accounts during Plan termination. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the prototype Plan and related trust are designed following applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported on the financial statements to Form 5500 on December 31, 2023, and 2022:
