Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of THE LAKELAND GROUP RETIREMENT SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the **INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE** note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the **Auditor's Responsibilities for the Audit of the Financial Statements** section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

REPORT OF INDEPENDENT AUDITORS

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of THE LAKELAND GROUP RETIREMENT SAVINGS PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about THE LAKELAND GROUP RETIREMENT SAVINGS PLAN'S ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Administrative Committee
The Lakeland Group Retirement Savings Plan

REPORT OF INDEPENDENT AUDITORS

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of THE LAKELAND GROUP RETIREMENT SAVINGS PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about THE LAKELAND GROUP RETIREMENT SAVINGS PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H (Line 4i) Form 5500 – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was

derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF PLAN

The following description of The Lakeland Group Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Lakeland Tours, LLC, Heritage Education and Festivals, LLC, WorldStrides International, LLC, International Studies Abroad, LLC, Explorica, Inc., Leadership Platform Acquisition Corporation, Brightspark Travel, Inc., and Travel Turf, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to save a portion of defined compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly-eligible employees are automatically enrolled in the Plan and their contributions invested in a designated allocation of funds until changed by the participant, unless they affirmatively elect not to participate in the Plan. Automatically-enrolled participants have their deferral rate set at 6% of eligible compensation. Participants direct their individual accounts in various investment options offered by the Plan. Participants may change their investment options periodically.

The Sponsor may make a discretionary matching contribution and/or a discretionary profit sharing contribution. For the year ended December 31, 2023, the Sponsor elected to make discretionary matching contributions at a rate of 50% of each eligible participant's elective deferral up to a maximum of 6% of the participant's compensation.

Contributions from participants and the Company are recorded in the year in which the employee contributions are withheld from compensation.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the discretionary matching contribution, as well as allocations of the discretionary profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participants' earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of participants' accounts is based on years of continuous service. As of January 1, 2023, all active participants and new hires are vested on a two-year cliff schedule. For all participants terminated prior to January 1, 2023, a participant is 100% vested after six years of credited service.

For certain merged Plans, vesting in the Sponsor's contribution portion of participants' accounts is based upon the following: for the Leadership Platform Acquisition Corporation 401(k) Plan, participants will have a four-year graded vesting schedule for both assets that merged into the Plan and new contributions made to the Plan; for Lakeland Tours, Inc. Profit Sharing Plan and Lakeland Tours, Inc. Pension Plan, participants will be 100% vested in all accounts; for American Student Travel, Inc. 401(k) Matching Plan, participants were given an additional year of service to convert their balance to the Plan's vesting schedule; for NETC 401(k) Investment Plan, participants will vest under a four-year graded schedule; for International Studies Abroad, LLC 401(k) Profit Sharing Plan and Explorica 401(k) Investment Plan and Trust, participants will be 100% vested in all merged Plan accounts and any future contributions will vest under a six-year graded vesting schedule.

Notes Receivable from Participants, Net

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at a rate commensurate with local prevailing rates as determined by the Loan (Plan) Administrator. At December 31, 2023 and 2022, all loans bear interest rates between 4.25% and 9.50% per annum. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants with account balances greater than \$1,000 may elect to receive benefits through installments over the participant's life expectancy or joint life expectancy of the participant and designated beneficiary. In addition, during 2020, additional temporary distribution provisions were enacted pursuant to the terms in the CARES Act. Participants who took a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$225,281 and \$97,860, respectively. These accounts will be used to reduce future employer contributions and/or to pay Plan administrative expenses as described in the Plan document. During 2023, \$10,130 of forfeited non-vested accounts were used for administrative expenses.

SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment and Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See the **FAIR VALUE MEASUREMENTS** note for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants, Net

Notes receivable from participants, net are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Notes receivable from participants, net on the statement of net assets available for benefits is net of an allowance for credit losses of \$24,035 as of December 31, 2023. There was no allowance for credit losses as of December 31, 2022. The allowance represents notes receivable from participants in default, which were treated as deemed distributions to the participants, according to income tax regulations. However, these loans are still considered Plan assets of active participants until a distributable event occurs based upon terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Expenses paid by the Plan Sponsor will not be reimbursed by the Plan. Fees related to the administration of notes receivable from participants, net are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified to by John Hancock Trust Company LLC, the trustee of the Plan, and was not subjected to any auditing procedures performed:

1. Investments, as shown in the accompanying statements of net assets available for benefits, of \$78,948,035 as of December 31, 2023 and \$74,024,679 as of December 31, 2022.
2. Notes receivable from participants, net, as shown in the accompanying statements of net assets available for benefits, of \$554,167 as of December 31, 2023 and \$515,571 as of December 31, 2022.
3. Net investment income and interest income on notes receivable from participants, net, as shown in the accompanying statement of changes in net assets available for benefits, of \$12,421,864 and \$31,307, respectively, for the year ended December 31, 2023.
4. All investment-related information in the accompanying supplementary schedule, schedule of assets (held at end of year) as of December 31, 2023.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include:
<div style="margin-left: 20px;">Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability; and
inputs that are derived principally from or corroborated by observable market data by correlation or other means.</div> <div style="margin-left: 20px;">If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</div> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds and the money market are stated at fair value and are based on the fair value of the underlying securities. The fair value of the underlying securities is based on quotations from national exchanges.
- The stable value collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value (NAV) of units of the bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the trust, less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than reported NAV. Participant-directed withdrawals may occur daily and are paid at the contract value. However, if a withdrawal is made from the contract as a result of a Plan Sponsor-initiated event or if a withdrawal is requested due to a complete or partial termination of the Plan before the contract ends, the issuer has the right to require a 12-month advance written notice.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2023				
	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL
Money market	\$ 286,179	\$	\$	\$ 286,179

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022.

	FAIR VALUE	UNFUNDED COMMITMENTS	REDEMPTION FREQUENCY (IF CURRENTLY ELIGIBLE)	REDEMPTION NOTICE PERIOD
December 31, 2023:				
Collective trust fund - Morley Stable Value Fund	\$2,537,109	N/A	Daily	N/A
December 31, 2022:				
Collective trust fund - Morley Stable Value Fund	\$5,152,195	N/A	Daily	N/A

EXCESS CONTRIBUTIONS PAYABLE

The Plan failed the Actual Deferral Percentage and the Actual Contribution Percentage tests (required by the IRS and ERISA) for the years ended December 31, 2023 and 2022. At December 31, 2023 and 2022, a liability of \$176,853 and \$50,278, respectively, was recorded for amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service. The Plan distributed the excess contributions to applicable participants during 2024.

OTHER EMPLOYER CONTRIBUTIONS RECEIVABLE

During 2022, the Plan changed its automatic enrollment effective date, which resulted in certain newly-hired employees entering the Plan late. The Plan made a qualified nonelective contribution in the amount of \$29,062 for any missed contributions to the affected employees during 2024.

RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Plan Sponsor contributions to the Plan or benefits accrued or paid by the Plan for participants are not considered party in interest transactions.

The Plan allows for transactions with certain parties who may perform services to the Plan or have fiduciary responsibilities to the Plan, including the Plan Sponsor. Certain Plan investments are managed by John Hancock Trust Company LLC. Other parties in interest include Comperio Retirement Consulting, Inc., Registered Investment Advisor. Transactions with these parties qualify as party in interest transactions. During 2023, administrative expenses to these parties in interest totaled \$137,329.

THE LAKELAND GROUP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions

TAX STATUS OF THE PLAN

The Plan is a non-standardized pre-approved plan and has not requested a determination letter on the adoption agreement, but rather has relied upon the Internal Revenue Service opinion letter issued on the non-standard pre-approved plan dated June 30, 2020 that the plan sponsored by John Hancock Retirement Plan Services LLC is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
