Independent Auditors' Report

To the Plan Administrator
Buro Happold Consulting Engineers, Inc. Retirement Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Buro Happold Consulting Engineers, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Buro Happold Consulting Engineers, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator
Buro Happold Consulting Engineers, Inc.
Retirement Plan
New York, New York

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buro Happold Consulting Engineers, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buro Happold Consulting Engineers, Inc. Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator
Buro Happold Consulting Engineers, Inc.
Retirement Plan
New York, New York

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buro Happold Consulting Engineers, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buro Happold Consulting Engineers, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator
Buro Happold Consulting Engineers, Inc.
Retirement Plan
New York, New York

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Buro Happold Consulting Engineering, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Buro Happold Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants of the Plan are employees of either Buro Happold Consulting Engineers, Inc., located in Los Angeles, California, or employees of Buro Happold, Inc., located in New York, New York.

Eligibility

All employees who are age 21 or older are eligible to participate. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available options.

Contributions

Each year, eligible participants may contribute a portion of their gross compensation on a pre-tax basis or contribute a Roth contribution to the Plan through salary reduction. Participants' elective deferrals are subject to the limitations of Internal Revenue Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Beginning April 1, 2022, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Buro Happold Consulting Engineering, Inc. (the "Company") can make a discretionary match. The Company's matching contributions is 50% of each participant's pre-tax contribution up to a maximum of 6% of each participant's compensation, limited to the deferral of the participant for the plan year. The Company match is determined each pay period by management. Matching contributions were \$1,366,383 in 2023.

Employer non-elective contributions may be contributed at the discretion of the Company. There were no Company discretionary contributions for the year ended December 31, 2023.

See independent auditors' report and accompanying notes.

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's salary reduction contribution and withdrawals, rollover contributions, any employer matching contributions, and an allocation of Plan earnings (losses) (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions to the Plan plus earnings. Participants who leave the Plan because of death, early or normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested.

Vesting in the Company's match and non-elective discretionary contributions and earnings is as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Forfeitures

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Adoption Agreement. The forfeiture nonvested account balance was \$165,374 and \$120,338 for the years ended December 31, 2023 and 2022, respectively, and is maintained in an account separate from the individual participant accounts. Forfeitures applied to reduce employer contributions for the year ending December 31, 2023 was \$555.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. There is a limit of one outstanding loan at any given time. The loans are secured by the balance in the participant's account. The loans bear interest at rates that range from 4.25% to 9.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

See independent auditors' report and accompanying notes.

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan agreement. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment, installments, or an annuity. Participants experiencing financial hardship may withdraw a portion of this account balance as defined in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Plan investments in mutual funds and the money market fund are stated at fair value at December 31, 2023 and 2022. The Plan's investments in a common and collective trust are also at fair value which is stated at net asset value as a practical expedient, as reported by the trustee which include a mix of mutual funds. The Plan's investment in a fully benefit-responsive investment contract is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net appreciation or depreciation in fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the cost of the investment.

Purchases and sales of mutual funds shares, the money market fund and the common collective trust are recorded at end of day net asset value. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

See independent auditors' report and accompanying notes.

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company. Investment expenses for the year ended December 31, 2023 are netted against investment income (loss).

Date of Management's Review

Management has evaluated subsequent events through October 11, 2024, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

See independent auditors' report and accompanying notes.

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Net Asset Value (a)
Money market fund	\$ 6,456	\$ -	\$ -	\$ -
Mutual funds	37,368,138	-	-	-
Common and collective trust	-	-	-	1,763,791
	<u>\$ 37,374,594</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,763,791</u>
Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Net Asset Value (a)
Money market fund	\$ 522	\$ -	\$ -	\$ -
Mutual funds	28,192,008	-	-	-
Common and collective trust	-	-	-	1,585,676
	<u>\$ 28,192,530</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,585,676</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Mutual funds and the money market fund have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. Fair value of investments in common and collective trust are measured at net asset value as a practical expedient.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditors' report and accompanying notes.

NOTE D - PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustee and these transactions qualify as permitted parties-in-interest transactions. Fees paid by the Plan for the investment management services are with the trustee and are permitted parties-in-interest transactions. These fees are netted against investment income. The Plan issues loans to participants, which are secured by the balances of the participant's accounts. These transactions are exempt from the prohibited transactions rules.

NOTE E - INFORMATION CERTIFIED BY TRUSTEE

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustees of the Plan, Fidelity Management Trust Company from December 31, 2023, other than comparing such information to that contained in the financial statements and supplemental schedules.

The information certified by Fidelity Management Trust Company, which were relied upon in the preparation of the financial statements and supplemental schedules, includes:

	2023	2022
Money market fund	\$ 6,456	\$ 522
Common and collective trust	1,763,791	1,585,676

NOTE F - TAX STATUS

The plan participates in a volume submitter plan. The trustee has received the latest opinion letter on November 30, 2020, from the Internal Revenue Service for the volume submitter plan. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Upon termination of the Plan by the Company, each Participant shall be 100% vested and have a nonforfeitable interest in the participant's employer matching account. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE H - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.

NOTE I - PLAN AMENDMENTS

Effective January 1, 2022, Paladino and Company, Inc 401(k) Plan merged into the Plan. The transfer of participants' account balances took place on January 11, 2022.

NOTE J - LATE REMITTANCES

When participant payroll deferrals are not remitted within the appropriate time period by the Company, these transactions constitute prohibited transactions as defined by ERISA.

During the year ended December 31, 2023, employee contributions aggregating \$353,005 were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the Plan.

During the year ended December 31, 2022, employee contributions aggregating \$363,205 were not remitted timely by the Company. Lost earnings were determined, and the Company intends to remit the lost earnings to the Plan.
