INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Plan Administrator of
Care Design NY 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Care Design NY 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CARE DESIGN NY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of the Care Design NY 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more information and a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to employees of Care Design NY, LLC (the Company) who meet certain eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Vanguard Group, Inc. (Vanguard) has subcontracted the recordkeeping services for the Plan to Ascensus, LLC (Ascensus). Ascensus Trust Company (Ascensus Trust), an affiliate of Ascensus, serves as the Plan's directed trustee and custodian.

Partners Health Plan, Inc. (PHP) is a New York State licensed insurance company, organized under Article 44 of the New York Public Health Law, to be a managed care organization for individuals with intellectual and developmental disabilities. In conjunction with the migration of PHP care management staff to the Company, effective January 1, 2022, assets totaling \$3,589,453 were transferred into the Plan. All active PHP employees who transferred to the Company became eligible to participate in the Plan effective January 1, 2022.

Eligibility

All employees over the age of 21, who were hired prior to December 31, 2018 and were active employees of the Company on December 31, 2018, were immediately eligible to participate in the Plan. All employees, who were active employees of the Company on January 1, 2022, were immediately eligible to participate in the Plan. Employees over the age of 21, hired on January 1, 2019 or later, who were not active employees on January 1, 2022, are eligible to participate in the plan after completing one year of service, during which the participant renders at least 1,000 hours of service. The eligibility for plan participation begins on the first day of the first quarter following the completion of the age and service requirements.

Contributions

Active participants may make voluntary pre-tax and Roth contributions in the form of salary deferrals up to the maximum amount permitted by the Internal Revenue Code (IRC) under Section 401(k). Eligible participants, who attain the age of 50 before or by the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC.

For the Plan years ended December 31, 2023 and 2022, the Company made non-elective safe harbor contributions equal to 3% of eligible participants' compensation. In addition, the Company may elect to make discretionary matching contributions. For the years ended December 31, 2023 and 2022, the Company matched 25% of eligible participants' deferrals, up to a maximum match of 1% of participant compensation. The Company may also make discretionary profit-sharing contributions to the Plan, as determined by the Board of Directors. No discretionary profit-sharing contribution were made during 2023 and 2022.

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and an allocation of the Plan's earnings (losses), and charged with an allocation of administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately and fully vested in their voluntary contributions, the Company's non-elective safe harbor contributions and actual earnings or losses thereon. The Plan provides that all employer matching and profit-sharing contributions vest at a rate of 20% upon completion of two years of credited service and increase 20% for each additional service year, up to 100% upon completion of six years of credited service. A participant needs to work at least 1,000 hours during a plan year to be credited with a year of service for vesting purposes. In addition, upon reaching normal retirement age of 65, incurring disability or death, participants become fully vested in their account balances.

Payment of Benefits

A participant may withdraw any part of their vested account balance upon termination of service or reaching age 65. The Plan also has provisions for in-service, disability, and death benefits. A participant or beneficiary may elect to have a qualified rollover of their vested account balance, or receive a lump-sum distribution, as defined in the Plan document.

Prior to age 59 ½, a participant may withdraw only his or her elective deferral contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance (reduced by the highest outstanding loan balance in the previous 12 months) and have a maximum of one outstanding loan. The minimum loan amount is \$1,000. Notes receivable must generally be repaid over a period not longer than 5 years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%. Defaulted loans are deemed as distributions to the extent the law allows.

Forfeitures

Forfeitures of non-vested account balances are used to reduce the Company's contributions or to pay administrative expenses of the Plan. Approximately \$69,000 in forfeitures were used to reduce the Company's contributions in 2022. No forfeitures were used to reduce the Company's contributions or pay administrative expenses of the Plan in 2023. Unallocated forfeitures amounted to approximately \$114,000 and \$108,000 at December 31, 2023 and 2022, respectively.

Plan Administration Costs

Administrative expenses of the Plan are paid from assets of the Plan or by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Recently Adopted Accounting Guidance

ASC Topic 326 Financial Instruments – *Credit Losses* requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The estimated credit loss is required to be based on historical information, current conditions, and forecasts that could impact the collectability of the amounts. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses.

Effective January 1, 2023, the Plan adopted ASC 326 using the modified retrospective approach for all financial assets measured at amortized cost. The new accounting pronouncement did not have a material impact on the financial statements. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

Fair Value Measurement

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market funds and registered investment companies are measured at fair value, based on the quoted market prices in active markets (Level 1 inputs).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Employer Contributions Receivable and Allowance for Credit Losses

The Plan records a receivable for employer contributions that are remitted to the Plan subsequent to the Plan's year-end. The Plan considers an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and future conditions.

The Plan has not experienced any historical credit losses relative to contributions receivable, current and future economic conditions are not expected to change relative to historical financial information, and the full amount outstanding was received subsequent to year end. Therefore, management has determined that no allowance for credit losses is necessary as of December 31, 2023 and 2022.

Payments of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

3. CERTIFIED INVESTMENT INFORMATION

Ascensus, acting as an agent on behalf of Ascensus Trust, the Plan's directed trustee and custodian, has certified to the completeness and accuracy of the following information included in the financial statements and supplemental schedule:

<u>Description</u>	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 37,726,322</u>	<u>\$ 26,080,729</u>

Schedule H, Line 4i Schedule of Assets (Held at End of Year) - Schedule I

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2023</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Registered investment companies	\$ 36,832,969	\$ -	\$ -	\$ 36,832,969

	<u>\$ 26,080,729</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,080,729</u>

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The Plan is based on a prototype plan document. The Plan has relied on an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the prototype plan's qualified status. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Ascensus, as an agent for Vanguard, is the recordkeeper of the Plan and Ascensus Trust serves as the Plan's directed trustee and custodian. As such, transactions between Ascensus, Vanguard, Ascensus Trust and the Plan qualify as party-in-interest transactions. In addition, notes receivable from participants qualify as party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Effective January 1, 2024, plan participants are required to complete six months of service rather than one year prior to plan participation.

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
