INDEPENDENT AUDITOR'S REPORT

October 9, 2024

To the Board of Directors of
Community, Work and Independence, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community, Work and Independence, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Community, Work and Independence, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community, Work and Independence, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community, Work and Independence, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community, Work and Independence, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community, Work and Independence, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule I) as of December 31, 2023 and the Schedule of Delinquent Participant Contributions (Schedule II) for the year ended December 31, 2023 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY, WORK AND INDEPENDENCE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. THE PLAN

The following description of the Community, Work and Independence, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit-sharing plan intended to qualify as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all full-time administrative employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Administrative employees and non-bargaining group employees of the Company are eligible to participate in the Plan. Employees of consumer directed programs, union employees, and all consumer employees are excluded from the Plan. There are no age or service requirements for an employee to make elective deferral contributions. In order to be eligible for a matching contribution or profit-sharing contribution, a participant must be employed on the last day of the plan year and have completed at least 1,000 hours of service.

Contributions and Contributions Receivable

Participants may elect to contribute, on a pre-tax basis (elective deferrals), from 1% to 100% of their compensation up to a maximum calendar year limit, as defined by the IRS. The Company may make a qualified matching contribution to the Plan on behalf of the participants equal to a discretionary percentage of the employees' salary deferrals. The matching contribution may also be limited to salary deferrals of a certain amount or a certain percentage of each employees' compensation. In 2023 and 2022, the matching contribution was 100% of employees' salary deferrals, up to 2% of employees' compensation.

At its discretion, the Company may also contribute a profit-sharing contribution to the Plan for each employee that meets the eligibility requirements. The Company's profit sharing contribution was 3% of each employees' compensation for both 2023 and 2022.

At December 31, 2023 and 2022, the details of the employer portion of the contributions receivable were as follows:

	<u>2023</u>	<u>2022</u>
Employer profit sharing	\$ 85,022	\$ 91,931
Employer match	29,259	33,014
Total contribution receivable	<u>\$ 114,281</u>	<u>\$ 124,945</u>

Investments

The Plan utilizes one custodian. The Plan currently offers several mutual funds and a money market fund through an investment company. Participants direct the investment of all funds and they may change their investment options daily.

1. THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and in some cases (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

Vesting

Participants are immediately vested in their voluntary contribution, plus actual earnings/losses thereon. Vesting in the Company profit sharing contribution and employer matching contribution portion of individual accounts, plus earnings thereon, is based on years of continuous service. For the employer matching contribution and the profit-sharing contribution, a participant becomes 100% vested after three years of service. The Company does not have an incremental vesting schedule; therefore, participants are fully vested after they complete the minimum years of service.

Forfeitures

Per the plan document, forfeitures are used to reduce the employer profit sharing contribution. During 2023, employer contributions were reduced by approximately \$2,500 by using forfeited non-vested accounts. At December 31, 2023 and 2022, the forfeited nonvested accounts totaled \$1,120 and \$21, respectively.

Payment of Benefits

Upon termination or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in their account in a lump sum amount, installment payments, or an annuity. The Plan offers in-service distributions of a portion of a participant's account after attaining normal retirement age as an option for payment of benefits while still employed. Benefits to participants are recorded when paid.

Administrative Expenses

The majority of the administrative expenses of the Plan are paid by the Company. Certain participant transaction fees are paid by the Plan participants. Administrative service fees are also charged to inactive and terminated employees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

Investments in mutual fund securities and money market funds are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in values will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value based upon quoted market prices. Changes in the current value of investments, including realized and unrealized gains and losses on assets sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets measured at fair value in the financial statements. These assets include the investments in mutual funds and money market funds.

Fair Value Measurement - Definition and Hierarchy

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan uses various valuation techniques in determining fair value. U.S. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

The Plan's investments in mutual funds and money market funds are primarily valued utilizing Level 1 inputs.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

The Plan currently has no investments utilizing Level 2 inputs.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan currently has no investments utilizing Level 3 inputs.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)

Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4.

3. CERTIFIED INVESTMENT INFORMATION

The following information included in the accompanying financial statements and supplemental schedule were obtained from data that has been prepared and certified as complete and accurate by the custodian and trustee, Glens Falls National Bank and Trust Company, as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 3,848,506</u>	<u>\$3,215,810</u>
Non-interest bearing cash	<u>\$ 2,412</u>	<u>\$ -</u>
Accrued income	<u>\$ -</u>	<u>\$ 2,875</u>
Total investment income (loss)	<u>\$ 633,237</u>	<u>\$ (743,954)</u>

Schedule H, line 4i - Schedule of Assets (Held at End of Year) - Schedule I

4. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 3,701,322	\$ -	\$ -	\$ 3,701,322
Money market fund	<u>147,184</u>	<u>-</u>	<u>-</u>	<u>147,184</u>
	<u>\$ 3,848,506</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,848,506</u>

4. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	Level 1 <u>Inputs</u>	Level 2 <u>Inputs</u>	Level 3 <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 3,001,404	\$ -	\$ -	\$ 3,001,404
Money market fund	<u>214,406</u>	<u>-</u>	<u>-</u>	<u>214,406</u>
	<u>\$ 3,215,810</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,215,810</u>

The following is a description of the valuation methodology used for assets measured at fair value.

Money market funds and mutual fund: Valued based on the amount reported by Glens Falls National Bank and Trust Company, based on the quoted market price of the respective money market and mutual funds.

There were no changes in valuation techniques during 2023 or 2022.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. A prototype document was used by the Plan to obtain its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PROHIBITED TRANSACTIONS

During 2023, the Company failed to transmit certain participant contributions totaling \$6,540 with the time period prescribed by the Department of Labor regulations. The Company is in the process of entering a voluntary fiduciary correction program (VFCP) and is implementing procedures to ensure the timely transmission of participant contributions going forward.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2024, which is the date the financial statements were available to be issued.
