INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Boomi, LP 401(k) Plan
Chesterbrook, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Boomi, LP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Boomi, LP 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Boomi, LP 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boomi, LP 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boomi, LP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boomi, LP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2023, and of assets (held at end of year) as of December 31, 2023, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 13, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of Boomi, LP 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Boomi, LP (the "Company", "Plan Sponsor" or "Employer"), is designed to qualify under Section 401(a) and related provisions of the Internal Revenue Code (IRC). The Plan was established on April 6, 2022. The Plan was amended effective May 1, 2023, to add Boomi Global LLC as a participating Employer of the Plan.

The Plan is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan is subject to the provisions of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Company has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Eligibility

The Plan covers substantially all employees of the Company with the exception of leased employees, non-resident aliens, residents of Puerto Rico, employees covered by a collective bargaining agreement unless the agreement requires employees to be included under the Plan, and any individual who is not on either the Company's or a subsidiary's U.S. payroll, and any individual designated by the Company as having a "permanent transfer" to a business location outside of the U.S. shall not be considered to be on the Company's U.S. payroll for purposes of this Plan. Employees must attain age 18 to be eligible to participate in the Plan. There is no service requirement to participate in the Plan. The Plan allows employees to enter the Plan immediately upon meeting the eligibility requirements.

1. DESCRIPTION OF THE PLAN (continued)

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Company has contracted with Fidelity Management Trust Company (the "Trustee") to serve as the Plan's directed trustee and asset custodian. Fidelity Workplace Services, LLC, an affiliate of the Trustee, serves as the Plan's recordkeeper and maintains participant accounts and transactions related to participant-initiated activity. The Trustee holds the Plan's assets and is responsible for making investment transactions at the direction of the Plan's participants.

Contributions

Participants are allowed to contribute up to 50% of their eligible pre-tax or after-tax (as Roth contributions) compensation, as defined in the plan documents, up to the annual contribution limit as defined in the IRC.

Plan participants who have attained age 50 or older before the end of a calendar year are allowed to make additional contributions called "catch-up contributions" to the Plan, up to the annual contribution limit as defined in the IRC.

The Company makes matching contributions equal to 100% of the participant's elective deferrals that do not exceed 6% of the participant's compensation with a maximum match of \$7,500. The Company may make discretionary non-elective Employer contributions. Participants must be employed on the last day of the Plan year to be eligible to receive discretionary non-elective Employer contributions. There were no discretionary Employer contributions elected to be made by the Plan Sponsor for the year ended December 31, 2023.

Participants are also allowed to make rollover contributions of amounts received from other tax qualified employer-sponsored retirement plans and individual retirement accounts. All contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, Employer contributions, and Plan earnings, and charged with Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their voluntary contributions, Employer matching contributions, Employer discretionary non-elective contributions, plus actual earnings thereon.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding note receivable (or "loan") balance during the prior twelve month period, even if the amount has been repaid. A participant may have no more than two loans outstanding at one time. Loan terms require repayment over a period not to exceed five years unless the loan is related to the purchase of a principal residence, then the loan terms require repayment over a period not to exceed ten years. The loan is secured by the remaining vested balance in the participant's account. Under the terms of the Plan, all loans shall bear a reasonable rate of interest equal to the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. For the year ended December 31, 2023, the rates of interest on outstanding notes ranged from 3.25% to 9.50%. Participants loans outstanding as of December 31, 2023, have various maturity dates through April 2037.

Administrative expense

Administrative expenses are generally paid by the Company, but may, at the discretion of the plan administrator, be paid by the Plan. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. The Plan is not required to reimburse the Company for expenses paid on its behalf. Plan investments generate revenue credits, which the Company may direct the Trustee to use to reimburse the Company for fees and expenses associated with services provided to the Plan.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination of employment, military service, disability, death, or financial hardship. If a participant's vested account balance is equal to or less than \$1,000 upon termination, the balance is immediately distributed as a lump-sum payment. Upon termination, if a participant's vested account balance is greater than \$1,000 and less than or equal to \$5,000, their balance shall be automatically rolled over into an individual retirement account designated by the plan administrator, unless otherwise elected. If the account balance is greater than \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, partial payments, a direct rollover into another qualified plan, or to postpone payment to a later date and remain in the Plan as described in the plan documents.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

Upon attaining the age of 59 ½, the participant may, while still employed by the Employer, request a withdrawal from their account balance. In certain circumstances as described in the Plan document and in accordance with the IRC, participants may qualify for a hardship or qualified reservist withdrawal.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and in accordance with the provisions of ERISA.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein. Actual results could differ from these estimates. Significant items subject to such estimates and assumptions include the value of investments.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on sale on investments bought and sold as well as held during the year.

Boomi, LP 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses have been recorded as of December 31, 2023 and 2022.

Contributions and contributions receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. The Company's contributions are recorded in the year they are earned and to coincide with the year in which the Company records the contribution in its general ledger. The Plan records receivables for contributions based upon the contributions recorded in the Plan year but received by the Plan subsequent to year end. Rollover contributions from participants are recorded based on the date the rollover contributions are received by the Trustee.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are generally paid by the Company, but may, at the discretion of the plan administrator, be paid by the Plan. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. The Plan is not required to reimburse the Company for expenses paid on its behalf. Plan investments generate revenue credits, which the Company may direct the Trustee to use to reimburse the Company for fees and expenses associated with services provided to the Plan.

Plan Transfers

On October 1, 2021, Boomi TopCo. LP, the parent Company of the Plan Sponsor, acquired the Dell Boomi business from Dell. Upon formation of the Plan in 2022, assets from the Dell 401(k) Plan were transferred to the Plan. During the Plan year ended December 31, 2023, transfers from the Dell 401(k) Plan to the Plan amounted to \$188,822.

Subsequent events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

Boomi, LP 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2023 and 2022;
- Net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023;
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2023.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the Plan's financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access at the measurement date.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - inputs are unobservable inputs for the assets or liabilities and significant to the fair value measurement.

The assets or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Boomi, LP 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported on the open market. Such funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market accounts held by the Plan are deemed to be actively traded and are classified within Level 1 of the fair value hierarchy.

Collective investment trust (CIT): The underlying funds are in direct and indirect interests in fully-benefit responsive investment contracts. The CIT is valued at the NAV of units in the bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CIT, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Redemptions can be made daily and there are no outstanding commitments related to the CIT at December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 127,564,606</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 127,564,606
Investments measured at NAV*				<u>2,606,972</u>
				<u>\$ 130,171,578</u>

Boomi, LP 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 97,288,220</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 97,288,220</u>
Investments measured at NAV*				<u>3,067,005</u>
				<u>\$ 100,355,225</u>

*In accordance with subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

5. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Party-in-interest transactions include those with fiduciaries of employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee organization or relatives or such persons.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management and shareholder services are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts.

The Trustee retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by the Trustee; therefore, these investment transactions qualify as exempt party-in-interest transactions.

Notes to Financial Statements
December 31, 2023 and 2022

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. TAX STATUS

The Plan adopted the Fidelity Non-Standardized Pre-Approved Profit Sharing Plan with CODA volume submitter plan, which received an opinion letter dated June 30, 2020, from the Internal Revenue Service stating that the written form of the underlying plan document are qualified under Section 401(a) of the IRC and that any employer adopting these forms of the plans will be considered to have a plan qualified under Section 401(a) of the Code. The Plan has been amended since its adoption; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in conformity with the Code. Therefore, the Plan is exempt from taxation.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 131,660,982	\$ 101,596,795
Less: employer contribution receivables	<u>(90,717)</u>	<u>-</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 131,570,265</u></u>	<u><u>\$ 101,596,795</u></u>

The following is a reconciliation of the net increase in net assets available for benefits before transfers per the financial statements to the Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits before transfers per the financial statements	\$ 29,875,365
Less: current year employer contributions receivable	<u>(90,717)</u>
Net increase in net assets available for benefits per the Form 5500	<u><u>\$ 29,784,648</u></u>
