Independent Auditors' Report

To the Plan Trustees of Standard International Management, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Standard International Management, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV - Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Standard International Management, LLC 401(k) Plan

Notes to Financial Statements
December 31, 2023

1. Description of Plan

The following description of Standard International Management, LLC 401(k) Plan (the “Plan”), is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan (a volume submitter plan) is a defined contribution plan covering eligible employees of Standard International Management, LLC, Standard High Line Employer, LLC, and Standard East Village Employer, LLC (collectively the “Adopting Employers”).

The Plan is a qualified salary deferral savings plan under the provisions of the Internal Revenue Code (“IRC”) sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the IRC.

Effective February 3, 2023, SIM Soho Manager, LLC became an Adopting Employer in the Plan.

Eligibility

All employees of the Adopting Employers are eligible for Plan participation upon completion of 3 months of service and who have attained the age of twenty-one.

An employee who has satisfied the eligibility requirements may enter the Plan at the date which he or she satisfies such eligibility requirements.

Employees who are covered under a retirement plan governed by the terms of a collective bargaining agreement and certain non-resident aliens who have no earned income from sources within the United States are not entitled to participate in the Plan.

Assets Held for Investment

All Plan assets are held with Principal Trust Company (“Principal”), the custodian, and record-keeper over all of the Plan’s assets. Among other duties, Principal is responsible for the custody of the Plan assets and for the payment of benefits to eligible participants. Plan contributions are invested in certain funds offered by Principal, as designated by the Plan participants.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit as to how often a participant may change their investment options. Participants may make or change such investment options by giving instruction to the Plan’s custodian. Participants should refer to each fund’s prospectus for a more complete description of the risks associated with each fund.

1. Description of Plan (*continued*)

Participant Accounts

A self-directed separate account is maintained for each participant by the custodian, which is credited with the participant's contributions and allocations of (a) the Adopting Employers' contributions and (b) Plan earnings and (losses), net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their eligible compensation as defined by the Plan on a pre-tax basis. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Adopting Employers. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. There is an annual limit as to the amount that can be deducted from compensation that is determined by the IRC.

The Plan calls for the Adopting Employers to make matching contributions on behalf of those participants who have made salary deferral contributions and were actively employed by the Adopting Employers at any time during the Plan year. The matching contribution is a discretionary percentage of the participant's salary deferral contributions determined by the Adopting Employers at the end of the Plan year. These matching contributions will only apply to a participant's salary deferred contributions that do not exceed a dollar amount or percentage of included compensation that is determined by the Adopting Employers. The Plan document provides for an employer match contribution true-up calculation to be made at the end of the year.

Rollover contributions are comprised of transfers made to the participants from their former employers' qualified plans and transferred to the Plan.

Vesting

Upon entrance into the Plan, participants are 100% vested in their salary deferral contributions and related investment income, gains and losses, net of administrative expenses. Effective March 27, 2022, for employees hired after March 27, 2022 matching contributions provided by the Adopting Employers vest 50% after one year of service, and 100% after two years of service. Employees hired prior to March 27, 2022 are 100% vested in all contributions.

1. Description of Plan (*continued*)

Payment of Benefit

A participant may elect to receive benefit payments at the normal retirement age of 65 or at an early retirement date. The Plan also provides for distribution of benefits upon death or disability. Upon retirement, death or disability, the participant becomes 100% vested and all amounts credited to the participant's account shall be distributed to the participant or his or her beneficiary in either a lump-sum payment of the full vested account balance or a single-sum payment of a portion of the account balance.

In-service distributions may be made from a participant's account at any time upon or after the occurrence of the following events:

- Participant's attainment of age 59½
- Due to hardships, as defined in the Plan document
- Participant becoming disabled
- Attainment of normal retirement age

A participant may apply to the Plan administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary education expenses for the participant, spouse or dependents; medical expenses to the extent not otherwise reimbursed under the Adopting Employers' medical programs; expenses for the purchase of a principal residence or material alterations thereto for repair of damage; payments to prevent eviction from or foreclosure on a principal residence; and burial or funeral expense of the participant's parent, spouse or dependents.

Notes Receivable from Participants

Loans to participants are allowed in accordance with the provisions of the Plan document. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The amount available for borrowing will be reduced by the amount of his or her highest outstanding loan balance, if any, during the previous one-year period. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination.

Principal and interest is paid ratably through bi-weekly payroll deductions over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection.

Notes to Financial Statements

December 31, 2023

1. Description of Plan (*continued*)

Plan Termination

Although it has not expressed any intent to do so, the Adopting Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested with the Adopting Employers' contributions.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are used to reduce future employer contributions or pay Plan administrative expenses. At December 31, 2023 and 2022 forfeited non-vested accounts amounted to \$27,172 and \$9,118, respectively. During the year ended December 31, 2023, the Adopting Employers used forfeited funds of \$12,676 to reduce employer contributions and \$32 to pay certain expenses, as allowed by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions to net assets available for benefits during the period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the investment in the group annuity contract which is valued at contract value. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses

Investment Valuation and Income Recognition (continued)

All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV of the common/collective trusts, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts.

Pursuant to US GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as those held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest is recorded on the accrual basis.

Payment of Benefits

Benefit payments are recorded when paid.

2. Summary of Significant Accounting Policies *(continued)*

Administrative Expenses

With the exception of the Plan's record-keeping fees and participant loan expenses (loan setup and loan maintenance fees) which are charged to the individual participant's account and are included in administrative expenses, all other administrative expenses incurred by the Plan are paid by the Adopting Employers. Investment related fees are included in the appreciation in fair value of investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV - Line 4i, Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, a qualified institution.

4. Tax Status

The IRS issued an opinion letter to the prototype plan document preparer, Principal, dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the IRC. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods pending.

5. Investments

The following are the classes and major categories of the Plan's investments at December 31, 2023 and 2022 grouped by fair value hierarchy:

Description	Level 1	Level 2	Other Investments Measured at NAV *	Total
<u>December 31, 2023</u>				
Mutual funds	\$ 1,647,342	\$ -	\$ -	\$ 1,647,342

Total Investments	<u>\$ 1,285,734</u>	<u>\$ 268,529</u>	<u>\$ 7,974,946</u>	<u>\$ 9,529,209</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

Common/Collective Trusts - Principal Trust Target Date Funds

The Plan offers 12 common/collective trusts called the Principal Trust Target Date Funds ("Target Date Funds"). These Target Date Funds include: the Principal Trust Target 2015 Fund; the Principal Trust Target 2020 Fund; the Principal Trust Target 2025 Fund; the Principal Trust Target 2030 Fund; the Principal Trust Target 2035 Fund; the Principal Trust Target 2040 Fund; the Principal Trust Target 2045 Fund; the Principal Trust Target 2050 Fund; the Principal Trust Target 2055 Fund; the Principal Trust Target 2060 Fund; the Principal Trust Target 2065 Fund; and the Principal Trust Income Fund. The unit value of each of these Target Date Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants, but are reflected in the unit value. These investments have no unfunded commitments at December 31, 2023.

5. Investments (*continued*)

Fully Benefit-Responsive Investment Contract

The Plan invests in one fully benefit-responsive investment contract called the Principal Fixed Income Guaranteed Option Account (the "Fund"). The Fund maintains its contributions in insurance company general accounts. The Fund is recorded at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Fund represented approximately 2% of the Plan's total net assets available for benefits at December 31, 2023 and 2022. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The principal and previously credited interest is guaranteed by Principal. This guarantee is subject to Principal's financial strength and claims paying ability.

6. Reconciliation of Certain Financial Statement Amounts to Amounts on Form 5500

The following is a reconciliation of net assets available for benefits as reported per the accompanying financial statements to Form 5500:

Amounts reported on Form 5500	<u>\$ 203,529</u>	<u>\$ 1,057,537</u>	<u>\$ 108,262</u>	<u>\$ 120,736</u>

7. Party-in-Interest Transactions

The Plan invested in Principal Trust Company investments during the Plan year. These investments are considered party-in-interest transactions because Principal Trust Company served as custodian of the Plan at December 31, 2023; however, they are exempt from the prohibited transactions rules under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Adopting Employers who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

The Adopting Employers failed to transmit to the Plan certain employer matching contributions and lost earnings on participants' contributions totaling an immaterial amount within the period prescribed by Department of Labor ("DOL") regulations. These contributions relate to the 2023 and 2022 Plan years. Delays in remitting these amounts to the Plan were due to an administrative oversight. The Adopting Employers are in the process of making the necessary corrections to satisfy both the DOL's and IRS' guidance for this matter and have implemented procedures to reduce the time needed to transmit participants' contributions and loan repayments to the Plan.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 11, 2024 and has determined that there were no other subsequent events or transactions which would require recognition or disclosure in the financial statements.
