Independent Auditor's Report

Board of Trustees and Audit Committee
Maschio's Food Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Maschio's Food Services, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i, - Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 1 - Description of Plan

The following brief description of Maschio's Food Services, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all employees of Maschio's Food Services, Inc, and has been adopted by all employees of Maschio's Food Services of Florida, Inc., Maschio's Trucking and Hickory Sticks Holding Company LLC (collectively, the "Company"). Employees are eligible to participate in the Plan once they reach the age of 21, have completed one year of service defined by the Plan as completion of 1,000 hours, and are not covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan assets are currently held by Ascensus Trust Company, custodian of the Plan. Company contributions, participant elective deferrals, and participant accounts are also held by the custodian, who invests cash received and income from investments based on written instructions from the Company and participants and makes distributions to participants. The Plan's trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation up to 95% of total compensation, subject to certain limitations as defined by the Plan and by the Internal Revenue Code ("IRC"). The maximum participant deferrals for the years ended December 31, 2023 and 2022 were \$22,500 and \$20,500, respectively. Participants age 50 and over are also eligible to make catch-up contributions up to a maximum of \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022, respectively. Roth contributions are also permitted. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company, at its discretion, may also make a matching contribution. Such non-elective contributions are determined by the Board of Trustees.

c. Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of the; (a) Company's discretionary match contribution, (b) the Plan investment earnings (losses), net of investment expenses, and (c) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Loans are not permitted.

Note 1 - Summary of Plan Provisions - Continued

d. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, plus actual earnings thereon.

Vesting in the Company's discretionary matching contributions is based on years of continuous service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance. A participant shall have a vested and nonforfeitable interest in the employer's discretionary contribution portion of his or her account balance determined by the number of years of credited service as follows:

Years of Vesting Service	Vesting %
Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 or more years	100%

e. Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount only equal to the value of the participant's vested interest in his or her account. If the participant does not elect a distribution upon termination, their vested interest will be paid out in the form of a lump sum distribution.

The Plan provides for benefits upon termination of employment through retirement, required minimum distribution, death, disability, or for other reasons.

Prior to termination, the Plan provides for in-service distributions for participants who have attained age 59½.

f. Forfeited Accounts

As permitted by the Plan document, these accounts will be used to reduce Plan expenses and employer contributions for the Plan year in which the forfeiture occurs. At December 31, 2023 and 2022, forfeitures totaled \$0 and \$8,554, respectively. Forfeitures used to reduce employer contribution or pay for plan expense totaled \$8,640 and \$0 for the years ended December 31, 2023 and 2022, respectively.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for defined contribution plans.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

b. Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Payment of Benefits

Benefits are recorded when paid.

e. Excess Contributions Payable

The Plan failed its discrimination testing for the year ended December 31, 2023. Excess participant contributions of \$23,509, is recorded as a liability in the accompanying December 31, 2023, statements of net assets available for benefits and as a reduction of participant contributions for the year then ended. These excess contributions were refunded to the respective participants during the subsequent years.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distribution requests for participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

g. Subsequent Events

The Plan evaluated subsequent events for potential recognition or disclosure through October 15, 2024, the date the financial statements were available to be issued.

Note 3 - Investments Certified by the Trustees

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Nationwide Financial Services, Inc. (January 1, 2022 - November 30, 2022), Ascensus Trust Company (December 1, 2022 to December 31, 2023), the trustees of the Plan. The Plan administrator has obtained certifications from the trustees that information provided to the Plan administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets, income, gains, and losses:

	December 31,	
	2023	2022
Registered investment companies (mutual funds)	\$ 3,411,871	\$ 2,722,757
Reliance Trust Stable Value Fund - MetLife Series 25053 Class O (a common/collective trust), at fair value	\$ 29,545	\$ 45,535
	Years Ended December 31,	
	2023	2022
Investment income		
Net appreciation (depreciation)	\$ 499,746	\$ (564,800)

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

Maschio's Food Services, Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 4 - Investments and Fair Value Measurements - Continued

- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Registered investment companies ("mutual funds") are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds are valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value:

December 31, 2023				
	Level 1	Level 2	Level 3	Total

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities that use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Note 5 - Related Party and Party-In-Interest Transactions

The Company paid expenses in connection with the administration of the Plan totaling approximately \$28,300 and \$20,000 for the years then ended December 31, 2023 and 2022, respectively.

Certain administrative functions are performed by employees of the Company who do not receive compensation for such functions.

Certain Plan investments are managed by Nationwide Financial Services, Inc. (January 1, 2022 - November 30, 2022), Ascensus Trust Company (December 1, 2022 to December 31, 2023) the custodians of the Plan.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

Per Form 5500	<u><u>\$ 345,483</u></u>	<u><u>\$ 648,709</u></u>	<u><u>\$ 3,459,791</u></u>

Note 8 - Tax Status

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examination for years prior to 2020.
