Independent Auditor's Report

To the Committee Members of the NAPA Management Services Corp. Administrative Employees Profit Sharing Plan & Trust
Melville, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the NAPA Management Services Corp. Administrative Employees Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued on next page)

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued on next page)

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NAPA Management Services Corp. Administrative Employees Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the NAPA Management Services Corp. Administrative Employees Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditor's Report (Continued)

Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADMINISTRATIVE EMPLOYEES PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1. Description of the Plan

The following description of the NAPA Management Services Corp. (the "Employer") Administrative Employees Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a profit sharing plan covering employees who have completed one year of service (at least 1,000 hours). For elective deferrals participation is after 90 days of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Employer contributions consist of a non-elective Safe Harbor employer contribution of 3% of compensation and a discretionary profit sharing contribution when added to the Safe Harbor contribution shall not exceed the lesser of 8% or 9% of compensation or \$20,000, depending on location.

Each year, employee participants may contribute up to the maximum annual deferral allowed under Sec. 401(k) of the Internal Revenue Code.

Employees who are participants and who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions.

Participants' accounts:

Each participant's account is credited with the participant's elective deferral contribution and the employer's contribution, an allocation of the employer's discretionary profit sharing contribution, earnings related to net assets in their accounts, and an allocation of forfeitures of terminated participants' nonvested accounts.

Forfeited accounts:

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$-0- and \$253,736, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$507,169 in 2023 and \$559,171 in 2022 from forfeited nonvested accounts. On December 29, 2023, the assets in the forfeited nonvested accounts were transferred to NAPA - American Anesthesiology, Inc. 401(k) Retirement Savings Plan, which was renamed to NAPA Management Services Corporation 401(k) Plan effective January 1, 2024. The balance of the forfeited nonvested accounts at December 31, 2023 was \$-0-.

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 1. Description of the Plan - continued

Vesting:

If a participant's employment with the Employer ends for any reason other than retirement, permanent disability or death, he or she will vest in the balance in his or her account based on total years of service with the Employer. Participants vest 20% per year of service after two years of service and are 100% vested after six years of service.

Investment options:

Upon enrollment in the Plan, a participant may direct the Employer's contributions in any increments, in any of twenty-nine investment options. Participants may change their investment options daily.

Payment of benefits:

Upon termination of service due to death, disability, retirement, or any other reason, a participant or his/her beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in periodic payments.

Notes receivable from participants:

Participants may borrow from their fund accounts up to a maximum amount that is the lesser of 50% of their vested account balance or \$50,000 minus their highest outstanding loan balance during the past twelve months. The loan is secured by the remaining balance in the participant's account and bears interest at a rate commensurate with local prevailing rates. The interest rate charged during the 2023 and 2022 plan years was 4.25% to 9.50%, which was a reasonable rate of interest as required by the Plan. Principal and interest is paid ratably on at least a quarterly basis over a five-year period. If the loan is for the purchase of a principal residence, it may then be repaid over a ten-year period. On December 29, 2023, all participant loans were transferred to NAPA - American Anesthesiology, Inc. 401(k) Retirement Savings Plan, which was renamed to NAPA Management Services Corporation 401(k) Plan effective January 1, 2024.

NOTE 2. Summary of significant accounting policies

Method of accounting:

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 2. Summary of significant accounting policies - continued

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS, if any, are recorded as a liability with a corresponding increase in benefits paid to participants. The Plan distributes such excess contributions to the applicable participants prior to March 15 of the following year.

Investment valuation and income recognition:

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Expenses of maintaining the Plan are paid by either the Plan's trustee (through an expense offset arrangement), the plan, or the Employer. Expenses that are paid by the Plan's trustee or the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 3. Expense offset arrangement

The Plan has an expense offset arrangement with the Plan's trustee to offset plan operating expenses against compensation paid to the Plan's trustee by certain investment funds and fund service providers. This offset arrangement provides first for the payment of Plan trustee fees. Any excess revenue shall then be used to pay any qualified expense for administration of the Plan as determined by the Plan Administrator. Qualified expenses may include, but are not limited to, legal fees, auditing fees, consulting fees and other trustee fees. If any excess remains, then such excess will be distributed at the direction of the Plan Administrator. For the years ended December 31, 2023 and 2022, none of the excess was credited to the participants' accounts.

NOTE 4. Subsequent events

See Notes 10 and 11 regarding the completion of the transfer of assets and the discontinuance of contributions. The Plan has evaluated subsequent events through October 7, 2024 which is the date that the financial statements were available to be issued.

NOTE 5. Tax status

The Plan has received a determination letter from the IRS dated September 16, 2022, stating that the plan is a pre-approved plan and is qualified under the IRC Section 401(a). Thus, the Plan is qualified under IRC Section 401(a) and the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by tax authorities. Currently, there are no audits in progress for any tax periods. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 6. Information Certified by Trustee

The Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, as well as earnings on investments for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC (for 2023 and 2022) and Prudential Bank & Trust, FSB (for 2022).

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 7. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds and Exchange Traded Funds (ETF): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Collective trust funds: Valued at net asset value (NAV) of units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Plan less its liabilities if applicable.

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 8. Group Annuity Contract with MetLife

The Plan offers as a benefit option a traditional fully benefit-responsive group annuity contract with the MetLife (the contract issuer), known as the MetLife Stable Value Solutions Fund Contract No. 25554 ("Trust"). The Trust maintains the contributions in a pooled separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Trust. The crediting rates are based on a formula established by the contract issuers. The guaranteed investment contracts do not permit the issuers to terminate the agreements prior to the scheduled maturity dates. At December 31, 2023 and 2022, the amount invested in this contract was \$0- and \$6,743,396, respectively.

This group annuity contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of a material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to an agreement without the consent of the issuer.

NOTES TO FINANCIAL STATEMENTS - ContinuedNOTE 10. Plan termination

As part of a merger of plans by related plan sponsors, the assets and liabilities of the Plan were transferred to another plan (see Note 11). The Employer is discontinuing its contributions to this plan. The transfer of assets and liabilities due to this merger was completed in 2024. The Employer does not intend to use this plan again.

NOTE 11. Transfers to Other Plans

The sponsors of NAPA Management Services Corp. Administrative Employees Profit Sharing Plan & Trust (EIN: 11-3635685, Plan 001), NAPA Management Services Corp. Clinical Employees Profit Sharing Plan & Trust (EIN: 11-3635685, Plan 002), North American Partners in Anesthesia, LLP Profit Sharing Plan & Trust (EIN: 11-2923650, Plan 002), and NAPA - American Anesthesiology, Inc. 401(k) Retirement Savings Plan (EIN: 20-5055482, Plan 001) are related entities. Employees are sometimes transferred from one sponsor to the other. Because of this, there may be administrative transfers of assets between the plans. Additionally, there may be transfer of assets between the plans to be used for plan expenses such as auditor fees, legal fees, consulting fees, or custodian fees.

In 2023, \$78,975,277 was transferred to NAPA - American Anesthesiology, Inc. 401(k) Retirement Savings Plan. Effective January 1, 2024, NAPA - American Anesthesiology, Inc. 401(k) Retirement Savings Plan was renamed NAPA Management Services Corporation 401(k) Plan.

NOTE 12. Transactions with parties-in-interest

Fees incurred during the year for legal, accounting, and other services rendered by parties-in-interest were based on customary and reasonable rates for such services.

NOTE 13. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
