INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of the
Alstom Transportation 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Alstom Transportation 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 **Description of Plan**

The following description of the Alstom Transportation 401(k) Savings Plan (the Plan), formerly the Bombardier Transportation 401(k) Savings Plan, provides general information about the Plan's provisions. Alstom Transport Holding US Inc. (the Company) is the Plan sponsor. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan sponsored and administered by the Company or its appointed representatives. Participating employers are defined in the Plan document as any other corporation or entity, affiliated or not, allowed to participate through the consent of the Plan sponsor. At December 31, 2023 and 2022, participating employers include the following:

- Bombardier Mass Transit Corporation
- Bombardier Transit LLC
- Bombardier Transportation (Holdings) U.S.A., Inc.
- Bombardier Transportation Services USA Corporation
- Alstom Transport Holding US Inc.
- Alstom Transportation, Inc.
- Alstom Signaling Inc.

The Alstom Transport Holding US Inc. Pension Plans Committee is responsible for the general administration of the Plan, the investment authority and selection of service providers. Charles Schwab Trust Bank is the trustee for the Plan and Schwab Retirement Plan Services, Inc. acts as recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Merger

Effective December 31, 2022, the Alstom Transport Holding US, Inc. 401(k) Plan (the Merging Alstom Plan) was merged into the Plan and the Plan became the surviving plan. As part of the merger, the assets and liabilities of the Merging Alstom Plan were transferred to the Plan and the Plan assumed responsibilities for administering the accounts of the participants in the Merging Alstom Plan. Concurrent with the merger, the Plan was renamed the Alstom Transportation 401(k) Savings Plan.

Eligibility

The Plan covers substantially all employees of participating employers who have completed 30 days of service and the eligibility requirements, except employees covered by a specific collective bargaining agreement, unless the collective bargaining agreement expressly provides for participation in this Plan.

Certain covered participants (as defined in the Plan document) are automatically enrolled in the Plan upon meeting the eligibility requirements, unless they affirmatively decline to participate.

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

***Note 1* Description of Plan - Continued**

Contributions

The Plan is funded from voluntary contributions by eligible employees and matching contributions by the Company in addition to non-elective contributions by the Company for certain employees hired on or after September 1, 2013. Effective January 1, 2023, the Plan no longer permits non-elective contributions.

The participants may make pre-tax or Roth contributions to the Plan as a percentage of their annual eligible compensation. If automatically enrolled, a participant's deferral is set at 3% of eligible compensation at the date of enrollment until changed by the participant. A Participant's automatic contribution will be increased by 1% each July 1st until the deferral equals 10% of eligible compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution Plans (rollover contributions).

The Company matches employees' contributions, at its discretion, on a uniform and non-discriminatory basis on amounts contributed by each participant and dependent upon the location of the participating employer that employs the participant.

Contributions are subject to certain limitations as determined by the Internal Revenue Code (the Code).

Participant Accounts

Each eligible participant's account is credited with the participant's contributions, allocation of the Company's contributions, and Plan earnings or losses and charged with the participant's withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the non-elective contributions and matching contributions made by the Company, plus actual earnings thereon, is based on years of continuous service. Participants generally vest in their Company contribution accounts as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than two years	0%
Two years but less than three years	50
Three or more years	100

Certain covered participants (as defined in the Plan document) are immediately 100% vested in their Company contributions. Participants who terminate due to normal retirement, death or disability automatically become 100% vested.

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

***Note 1* Description of Plan - Continued**

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions or to pay Plan expenses. The unallocated forfeiture balances as of December 31, 2023 and 2022, were \$565,669 and \$44,653, respectively. During 2023, forfeitures used to reduce Company contributions and pay Plan expenses amounted to \$439,647 and \$128,660, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 limit is reduced by the excess of the participant's highest outstanding loan balance during the preceding 12-month period over the outstanding balance on the day prior to when the loan is made. A participant may not have more than two loans outstanding at any point in time. The maximum loan term is five years, or 20 years for the purchase of a principal residence. The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest based on the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Benefit payments under the Plan are made upon a participant's death, total and permanent disability, retirement at age 65, or termination of employment. Participants may withdraw all or a portion of their rollover account balance at any time.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan.

Investment Options

Contributions may be invested, in multiples of 1%, at the election of the participants, in various investment funds offered by the Plan. Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options at any time. Participants who are automatically enrolled have their contributions invested in a fund designated by the Plan Sponsor. The Company's contributions are invested in the same investment options as that of the participant's elective contributions.

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

***Note 2* Summary of Significant Accounting Policies - Continued**

Use of Estimates

The preparation of financial statements in conformity with U.S GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Administrative expenses can be paid by the Plan or the Company.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 15, 2024, the date that the financial statements were available to be issued.

***Note 3* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by U.S. GAAP for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

***Note 3* Investment Valuation and Income Recognition - Continued**

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value:

Money Market Fund: Valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted prices in an active market.

Common/Collective Trust Funds: Valued at NAV based on the underlying assets of the trust. The NAV is used as a practical expedient to estimate fair value and is obtained from information provided by the investment advisor using the audited financial statements of the common collective trust at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 3 Investment Valuation and Income Recognition - Continued

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>2023</u>	
	<u>Level 1</u>	<u>Total</u>
Money Market Fund	\$ 619,708	\$ 619,708
Common/Collective Trust Funds Measured at NAV ^(a)		658,580,283
Total Investments at Fair Value	\$ 619,708	\$ 659,199,991

	<u>2022</u>	
	<u>Level 1</u>	<u>Total</u>
Money Market Fund	\$ 274,969	\$ 274,969
Common/Collective Trust Funds Measured at NAV ^(a)		289,403,250
Total Investments at Fair Value	\$ 274,969	\$ 289,678,219

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year

Note 4 Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, all participant accounts become 100% vested, and nonforfeitable.

Note 5 Tax Status

The Plan adopted a pre-approved plan adopted by Schwab Retirement Plan Services. The Internal Revenue Service (IRS) has determined and informed the pre-approved plan, by a letter dated June 30, 2020, that the Plan is designated in accordance with applicable sections of the IRC. The opinion letter has been relied upon by this Plan. The Plan has been amended since receiving this opinion letter. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended, is qualified and the related trust is tax exempt. As of the date of these financial statements, the Plan has not completed the operational compliance testing for the 2023 plan year.

ALSTOM TRANSPORTATION 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

***Note 5* Tax Status - Continued**

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

***Note 6* Certified Financial Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, has certified to the completeness and accuracy of the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, schedule of assets (held at end of year) as of December 31, 2023, and the related investment activity (including interest and dividends and net appreciation in fair value of investments) and interest income on notes receivable from participants reflected on the statement of changes in net assets available for the year ended December 31, 2023.

***Note 7* Party-in-Interest Transactions**

Notes receivables from participants qualify as party-in-interest transactions.

***Note 8* Delinquent Contributions**

During 2023 and 2022, the Company failed to deposit \$3,065,489 and \$943,489, respectively, of participant deferrals and loan repayments within the required time frame as stated by the DOL. The Company will make additional contributions to the Plan for lost earnings related to the delinquent deposits. The Company remitted lost earnings related to the 2022 delinquent contributions in 2024. As of the date of these financial statements, the Company has not yet corrected the 2023 delinquent contributions.
